INSTRUCTIONS TO STATED CLERKS.

- (1) Do not write a line until you have all your matter prepared.
- (2) Write with pen and ink, and write plainly. Do not use *pale* ink.
- (3) Arrange names of Ministers, Licentiates, and Candidates *alphabetically*. Do not forget this.
- (4) When you get to the "Statistical and Financial" page or pages, do not fail to arrange names of *Congregations* alphabetically. THIS MUST BE DONE.
- (5) Do not undertake to fill the columns set apart for the several Boards of the Church. Leave those *blank* in your report, for they will have to be filled out from data furnished by the Boards themselves. The Stated Clerk of the General Assembly will look after those columns.
- (6) Insert dollars *and* cents in column "Children's Day Collections" and in column "Dues to Presbytery." Do not put *cents* in any other column.
- (7) Add the figures in all the columns on "Statistical and Financial" page or pages (except column 5) and *verify* the same. This *must* be done by you, or you *must* get a competent accountant to do it. All the Presbyterian bodies in the land require this of Stated Clerks of Presbyteries. Do not send your report until this has been done.
- (8) In the column "Total Contributions" put figures in *pencil* marks, for the Stated Clerk of the General Assembly will have to add to them the contributions from the several Boards. By putting that column in *pencil* marks the figures can be erased. Please do not overlook this request.
- (9) Send list of Commissioners as soon as they are elected, and send it in a small envelope, not in the large one which you will find inclosed, for it is for you to use in sending your report.
- (10) Send Contingent Tax as soon as you collect it. Let it reach me before May 1, or your Presbytery will be reported delinquent. The "tax" is \$2.00 on each *ordained* minister. (See Minutes, 1890, page 36.)
- (11) If a Church is without a preacher, write the letter V after the name of the congregation, and if it has done nothing, let its name stand opposite blank columns. But by all means report name and address of Clerk of Session, *number of members*, and all else you may know.
- (12) Persist in your efforts until you get a report from each congregation. If necessary you can withhold your report until May 10. But if you can get it ready earlier, do not fail to send it as soon as it is completed.
- (13) You will see that by this new method of obtaining statistics, ordered by the General Assembly, your labors are greatly increased, and those of the Stated Clerk of that body are increased more than a hundred-fold. You will also see that unless your Presbytery is reported it will appear in the Minutes simply as a blank. There is no help for such an exhibit, according to the "new form."
- (14) Finally. Your heaviest labor will be the first year, for when you once get the names of your congregations alphabetically arranged and those of your Sunday-school Superintendents arranged as required on the last page of Presbyterian blanks, you can get the same the next year, with a few alterations, from the Minutes of the General Assembly.

Mrs. L. M. Woosley, having presented her credentials as a ministerial delegate from Nolin Presbytery, in the Synod of Kentucky, her right, under the Constitution, to take her seat as a delegate was challenged by Rev. J. S. Grider, D.D., on whose motion it was determined that the Moderator should appoint a committee of five to report upon the question of Mrs. Woosley's eligibility.

The following members were appointed upon said committee:

Ruling Elders H. H. Buquo and L. P. Padgett, and Revs. W. H. Black, D.D., D. E. Bushnell, D.D., and J. L. Goodknight, D.D.

ELECTION OF MODERATOR.

The General Assembly then proceeded to the election of Moderator, which resulted in the choice of Rev. F. R. Earle, D.D., of Arkansas Presbytery, in the Synod of Arkansas.

HOURS OF MEETING.

It was determined that the daily sittings of the General Assembly, until otherwise ordered, shall be from 8.30 A.M. till 12 M., and from 2.30 P.M. till 5 P.M.; also that the first half hour of each forenoon session shall be given to devotional exercises.

THE PLACE FOR NEXT MEETING.

Meridian, Mississippi, was chosen as the place for the next meeting of the General Assembly.

The General Assembly then took recess till 8 o'clock P.M.

THURSDAY, May 17, 8 P.M.

ADDRESSES OF WELCOME.

Addresses of welcome were delivered to the General Assembly by Mr. S. H. Friendly, Mayor, on behalf of the city of Eugene; by Hon. S. W. Condon, on behalf of the State of Oregon; and by Rev. T. A. Cowan, on behalf of the church on the Pacific slope; to which addresses responses were made by Ruling Elder H. H. Norman, and Revs. J. L. Goodknight, D.D., J. L. Cooper, D.D., J. A. Ward, D.D., and W. H. Black, D.D.

The General Assembly then adjourned till 8.30 o'clock tomorrow morning, and closed with prayer.

SECOND DAY.

FRIDAY, May 18, 8.30 A.M.

The General Assembly met and was opened with prayer, and one half hour was spent in devotional exercises.

The Minutes of yesterday were read and approved.

COMMUNICATIONS.

A communication was received from the Senior Class of Missouri Valley College, inviting members of the General Assem-

bly to attend the Commencement exercises of that institution : a communication was also received from the Chamber of Commerce of Seattle, Wash., inviting members of the General Assembly to visit that city. A vote of thanks was passed for both of these invitations.

REPORT OF COMMITTEE IN MRS. WOOSLEY'S CASE.

The special committee on the eligibility of Mrs. L. M. Woosley to a seat in the General Assembly reported as follows, and the report was adopted :

To the Moderator and Members of the General Assembly.

Your special committee appointed to investigate and report upon the right of Mrs. L. M. Woosley to a seat in this body as commissioner from Nolin Presbytery in the Synod of Kentucky, beg leave to report the following : We have nothing regularly before us except the commission of Sister Woosley, which appears to be regular ; but we are advised that the Synod of Kentucky, since the election of Mrs. Woosley as such commissioner, undertook to declare such election null and void, and that from said action of the Synod Mrs. Woosley prosecutes an appeal to this General Assembly ; and also that Nolin Presbytery has memorialized this body to review and reverse the action of the Synod. Therefore, without expressing any opinion as to the merits of the case, we recommend that no action be taken on this reference, but that the same together with the appeal, memorial and record in the cause, when received by the General Assembly, be referred to the Judiciary Committee for consideration, with instructions to report as early as practicable.

H. H. Buquo, *Chairman.*

A communication from the Secretary of the Pan-Presbyterian Council was read and referred to the Committee on Correspondence.

A COMMUNICATION ON FEDERATION.

The following communication concerning the Federation of the Reformed churches in the United States, holding the Presbyterian system, was read, and it was ordered that the subject matter therein should be referred to a special committee of five, whereupon the Moderator appointed upon said committee the following members: Revs. D. E. Bushnell, D.D., J. R. Morris, J. A. Ward, D.D., J. L. Cooper, D.D., and Ruling Elder S. A. Rodgers:

To the Venerable the General Assembly of the Cumberland Presbyterian Church.

DEAR BRETHREN:—At a meeting in Philadelphia on the 12th of April of Committees of Conference on a Federal Union appointed by the Associate Reformed Synod of the South, the Cumberland Presbyterian General Assembly, the Synod of the (Dutch) Reformed Church in America, the Synod of the (German) Reformed Church in the United States, the Synod of the Reformed Presbyterian Church, General Synod of the Reformed Presbyterian Church, United Presbyterian General Assembly, and the General Assembly of the Presbyterian Church in the United States of America, a Plan of Federation was, after long and careful consideration, unanimously adopted; and it was agreed to report it to the different appointing judicatories, with a recommendation that it be adopted by them, and the necessary steps taken to put it in operation.

The undersigned were appointed a committee to communicate this action to the judicatories, and to conduct further correspondence upon the subject. We therefore enclose the Plan, asking that it be adopted by your venerable body, if it be in accordance with your judgment.

The different committees of conference also ask to be continued by their appointing judicatories, in order to receive the reports of the action of all, and, if the plan be adopted, to agree upon the time and place of meeting of the first Council for recommendation to the judicatories and for the appointment of their delegates to it. Fraternaly yours,

Philadelphia, Pa., April 12, 1894.

R. M. PATTERSON, *Chairman*.

J. ELMENDORF,

DAVID STEELE.

PLAN OF FEDERATION.

The following is the Plan of Federation which the committees of the Associate Reformed Synod of the South, the Cumberland Presbyterian General Assembly, the Synod of the (Dutch) Reformed Church in America, the Synod of the (German) Reformed Church in the U. S., the Synod of the Reformed Presbyterian Church, General Synod of the Reformed Presbyterian Church, United Presbyterian General Assembly, the General Assembly of the Presbyterian Church in the U. S. of America, at their meeting in Philadelphia on the 12th inst. agreed to recommend to their appointing bodies for adoption :

For the glory of God, and for the greater unity and advancement of the church of which the Lord Jesus Christ is the Head, the Reformed Churches in the United States holding to the Presbyterian system adopt the following Articles of Federal Union :

1. Every denomination entering into this Union shall retain its distinct individuality, as well as every power, jurisdiction, and right which is not by this Constitution expressly delegated to the body hereby constituted.

2. The acts, proceedings and records of the duly constituted authorities of each of the denominations shall be received in all of the other denominations, and in the Federal Council, as of full credit and with proper respect.

3. For the prosecution of work that can be better done in union than separately, an Ecclesiastical Assembly is hereby constituted, which shall be known by the name and style of The Federal Council of the Reformed Churches in the United States of America holding the Presbyterian system.

4. The Federal Council shall consist of four ministers and four elders from each of the constituent denominations, who shall be chosen, with alternates, under the direction of their respective supreme judicatories, in such manner as those judicatories shall respectively determine.

5. The Federal Council shall promote the co-operation of the federated denominations in their Home and Foreign Missionary works, and shall keep watch on current religious, moral and social movements, and take such action as may concentrate the influence of all the churches in the maintenance of the truth that our nation is a Protestant Christian nation, and of all that is therein involved.

6. The Federal Council may advise and recommend in all matters pertaining to the general welfare of the Kingdom of Christ, but shall not exercise authority, except such as is conferred upon it by this instrument,

or such as may be conferred upon it by the federated bodies. It shall not interfere with the creed, worship, or government of the federated denominations. In the conduct of its meetings it shall respect their conscientious views. All matter of discipline shall be left to the exclusive and final judgment of the ecclesiastical authorities of the denomination in which the same may arise.

7. The Federal Council shall have the power of opening and maintaining a friendly correspondence with the highest Assemblies of other religious denominations for the purpose of promoting union and concert of action in general or common interests.

8. All differences which may arise among the federated bodies, or any of them, in regard to matters within the jurisdiction of the Federal Council shall be determined by such executive agencies as may be created by the Federal Council, with the right of appeal to the Federal Council for final adjudication.

9. The officers of the Federal Council shall be a President, Vice President, Clerk and Treasurer.

10. The Federal Council shall meet annually, and on its own adjournment, at such time and place as may be determined. Special meetings may be called by a unanimous vote of the officers of the Council on thirty days' notice.

11. The expenses of the Council shall be met by a contingent fund to be provided by a pro rata apportionment on the basis of the number of communicants in each denomination; and the expenses of the delegates to the Council shall be paid from this fund.

12. Amendments to these Articles may be proposed by the Federal Council, or by any of the supreme judicatories of the churches in the Federation; but the approval of all those judicatories shall be necessary for their adoption.

MEMORIALS, COMPLAINTS, REPORTS, ETC.

Sundry memorials, complaints, reports, and papers were read and appropriately referred to committees.

REPORT OF COMMITTEE ON CONSOLIDATION OF BOARD OF MISSIONS AND WOMAN'S BOARD.

The committee appointed at the last meeting of the General Assembly to consider the question of the consolidation of the Board of Missions and the Woman's Board presented the following report, which was adopted, and the committee was discharged:

To the General Assembly of the Cumberland Presbyterian Church, in session at Eugene City, Oregon, May 17, 1894.

DEAR BRETHREN:—The General Assembly in session at Little Rock, Ark., last May, appointed the undersigned a committee "to thoroughly investigate the practicability of consolidating the Board of Missions and Church Erection, and the Woman's Board." (See Minutes 1893, p. 26.)

We report that we have endeavored to perform the duty assigned to us, and that there seems to be no reason for making any change in the organization of these Boards. The two Boards perfectly understand each other, and are working in harmony. Neither of them desires consolidation. On the other hand it is thought that the work of missions can be better conserved by leaving the Boards as they now are. We therefore recommend that the Boards be not consolidated.

Respectfully submitted.

COMMUNICATION FROM THE STATED CLERK.

The following communication from the Stated Clerk, on Finance, was read and referred to the Committee on Finance:

To the General Assembly to convene in Eugene City, Ore., May 17, 1894.

FATHERS AND BROTHERS: Inclosed you will find an itemized report of Contingent Tax received and disbursed during the fiscal year. As you know, the last twelve months have witnessed the most disastrous financial

depression that ever came upon this country. Still, as will be seen, severe as the times have been, I have succeeded in collecting the largest amount that has ever been reported during any one year in the history of the Church. This excess is due to two causes: *first*, the increased tax imposed by the last General Assembly; and *second*, to the most earnest efforts made by your Stated Clerk. And in this connection let me assure you of the wisdom you displayed by imposing a tax of fifty (50) cents on every congregation in the bounds of the denomination. True, there is some opposition to this additional tax, but this resistance is confined to a very small element. Any one, it would seem, can see the justice of this tax; for, by paying the same, a congregation gets a copy of the Minutes of the General Assembly, and really at less than cost. All other Presbyterian bodies tax every congregation one dollar *extra* for their Minutes. Let me then urge upon you the importance of adhering to this most reasonable tax—a tax which can in no sense be considered oppressive or excessive, for it does not average *one cent* per member. By so doing and enforcing the same, the General Assembly will soon be out of debt; and in a year or two a sufficient surplus can be accumulated to enable your body to prepare and publish a Digest of the proceedings of all past General Assemblies, a thing not only greatly needed, but almost an absolute necessity; for there is, so far as I know, but one complete set of the Minutes of the General Assembly. That set is in the custody of the Stated Clerk, and every precaution possible is used for its protection and safe keeping. Still, in case of destruction by fire the loss would be irreparable, and the only compensation that could be had would be in a carefully prepared Digest. The idea of a reprint of the entire Minutes could not be thought of for a moment—such a thing would almost bankrupt the Church.

Some, perhaps, are ready to suggest, Why not keep the Minutes in a fire-proof safe, and thereby prevent the possibility of destruction? In reply I would say there is scarcely a day in the year in which I am not compelled to refer to some volume of the same to answer the numerous inquiries which are made as to the past deliverances of the General Assembly.

In conclusion, it gives me great pleasure to say that the most intimate and tender relations exist between myself and the Stated Clerks of all the Presbyteries. During my term of office I have collected and disbursed more than twenty-five thousand dollars, and there has never been a discrepancy of one cent between myself and Stated Clerks, nor between myself and the General Assembly.

Begging pardon, dear brethren, for this lengthy communication, I am
Sincerely your brother, T. C. BLAKE, S. C.

The Committee on Correspondence made the following report, No. 1, which was adopted :

A communication from the Executive Commission, Western Section, of the Alliance of the Reformed Churches throughout the World holding the Presbyterian System, reciting the history of the Commission's work since your last meeting, and offering certain suggestions for your consideration concerning the work of the future, has been referred to us. Your committee, rejoicing in the continued prosperity of the great Alliance, and the steady growth of the spirit of fraternity and co-operation among Presbyterians through this Providential agency, recommend that you continue your cordial affiliation and earnest co-operation therewith.

And as the said communication makes mention of a claim of four hundred and ninety-five dollars (\$495.00) against our treasury, which amount is our just apportionment of the necessary expenses of the Alliance, and, as we understand, long overdue; we recommend that you order your Stated Clerk to pay the said amount at once.

We recommend, further, that the Stated Clerk be ordered to pay this apportionment in all cases promptly, giving it precedence of all others in the future.

Your committee deem it too early to provide for delegates to the Glasgow Council, and the question of Presbyterian Federation having been referred to a special committee, it only remains to arrange for the reception of the Rev. Dr. Wallace, when he comes to bear the greetings of the Executive Commission. This will be done as soon as the date is known.

REPORT OF COMMITTEE ON JUDICIARY (No. 1).

The Committee on Judiciary submitted Majority and Minority reports and, on motion, a suspension of the Standing Rule was ordered until these reports should be finally disposed of. The Majority report is as follows:

To the Moderator and Members of the General Assembly.

In the matter of the appeal of Mrs. L. M. Woosley from the action of the Synod of Kentucky; of the memorial of Nolin Presbytery, in the Synod of Kentucky, touching the action of the Synod of Kentucky relative to the licensure and ordination of Mrs. L. M. Woosley to the full work of the Gospel Ministry; and of the right of Mrs. L. M. Woosley to a seat in this General Assembly as a commissioner from the Nolin Presbytery in the Synod of Kentucky on the part of the ministry, your committee desire to submit the following report:

At its meeting in 1889 Nolin Presbytery ordained Mrs. L. M. Woosley to the full work of the gospel ministry.

At the meeting of the Synod of Kentucky in 1890, the Synod declared and adjudged that there was no authority, either in the Confession of Faith or the Holy Scriptures for the ordination of woman to the work of the gospel ministry, and further declared that the Nolin Presbytery had no authority to ordain Mrs. L. M. Woosley to the gospel ministry.

At the meeting of Nolin Presbytry in August 1893, it elected Mrs. L. M. Woosley an alternate delegate to this General Assembly on the part of the ministry.

At the meeting of Kentucky Synod in October 1893, after reciting the former deliverances of the synod touching the ordination of woman to the gospel ministry, said Synod reaffirmed its former rulings, and declared that Nolin Presbytery had no authority, in view of the former deliverances of the Synod, for the election of Mrs. L. M. Woosley as an alternate commissioner to the General Assembly on the part of the ministry, declared her election null and void, and directed Nolin Presbytery to retire her name from its list of ministers.

From this action of the Synod Mrs. Woosley prays an appeal to this General Assembly.

Nolin Presbytery declined to obey the mandate of the Synod, and memorializes this General Assembly to review and reverse the action of the Synod.

Your committee are of opinion that the action of Nolin Presbytery in ordaining Mrs. L. M. Woosley to the gospel ministry is contrary to the universal and long established precedents and practices of the Cumberland Presbyterian Church.

We submit—

1. Under the Confession of Faith of the Cumberland Presbyterian Church, in its Constitution and Rules of Discipline there is no provision made for the licensure and ordination of woman to the work of the gospel ministry.

2. In the opinion of your committee there is no authority in the Holy Scriptures for the licensure and ordination of woman to the work of the gospel ministry.

3. The action of Nolin Presbytery in ordaining Mrs. L. M. Woosley to the work of the gospel ministry was without authority of the Holy Scriptures, and without authority of the Constitution, Rules of Discipline and Confession of Faith of the Cumberland Presbyterian Church, and such ordination was and is null and void.

4. The action of the Synod of Kentucky in declaring said ordination without authority from the Confession of Faith or the Holy Scriptures, was and is right and correct.

5. The order of the Synod of Kentucky instructing Nolin Presbytery to retire the name of Mrs. L. M. Woosley from its list of ministers was right and proper, and should be affirmed.

We recommend that the appeal of Mrs. Woosley be dismissed, and the action of the Synod of Kentucky be ratified and affirmed, and that the memorial of Nolin Presbytery be not granted, and that Mrs. L. M. Woosley be not seated as a member of this General Assembly for the reason that she is not a regularly ordained minister of the Cumberland Presbyterian Church.

Respectfully submitted.

L. P. PADGETT, *Chairman.*

W. D. WEAR,

J. REED MORRIS,

W. H. SHAW.

The Minority report which was presented is as follows :

To the Moderator and Members of the General Assembly.

The undersigned chairman and members of the Committee on Judiciary report that they have carefully examined the memorial of Nolin Presbytery, the appeal of Mrs. L. M. Woosley, and the record submitted to them, all touching the action of the Synod of Kentucky in declaring null and void the election of said Mrs. Woosley, an ordained minister, by Nolin Presbytery as alternate commissioner to this body, and in directing said Presbytery to strike her name from its roll of ministers.

This action of Synod was taken upon the ground that there is no authority in the law of our Church nor in the Holy Scriptures for the ordination of a woman to the office of the ministry. We are of opinion that the Synod erred in this; for there is at least implied authority in the Scriptures and in the Constitution of our Church for such ordination; and as such ordination is nowhere prohibited, Nolin Presbytery did have the right to ordain Mrs. Woosley to the office of the ministry. We, therefore, recommend that the memorial and the appeal be sustained; that the action of the Synod of Kentucky be reversed, and that Mrs. L. M. Woosley be allowed her seat as a commissioner to this body in the absence of her principal.

We find from the record that in the year 1889 Mrs. L. M. Woosley was licensed to preach, and was ordained to the office of the ministry by Nolin Presbytery. She at once assumed the duties of that office, and her name appears on the General Assembly's roll of ministers for the years 1890, 1891, 1892, and 1893.

In October, 1889, the Synod of Kentucky referred the question of licensing and ordaining women to preach the gospel to a committee of five to report to its next meeting.

In October, 1890, at Smith's Grove, Ky., this committee reported that in its opinion "the Confession of Faith in its Form of Government and Rules of Discipline, makes no provisions for such licensure and ordination." This report was adopted.

At this same meeting of Synod (October, 1890) the Committee on Nolin Presbytery's record, referring to the ordination of Mrs. Woosley, reported that in its opinion "the Presbytery had no authority, either from the Confession of Faith or from the Holy Scriptures for the ordination of a woman." A substitute was offered for this item, indorsing the action of Nolin Presbytery as a "matter of expediency and as a case extraordinary." This substitute was lost, and the report of the committee was then adopted.

A motion was then made to instruct Nolin Presbytery to revoke the licensure and ordination of Mrs. Woosley. This was also lost, not even receiving a second.

Your committee here call attention to the fact that all the foregoing transactions were had in the year 1890, in the month of October, and that the Synod in these deliverances nowhere declared the ordination of Mrs. Woosley void, and nowhere ordered or directed Nolin Presbytery to revoke such ordination, but on the contrary refused to so direct the Presbytery.

Nor does the Synod undertake to say that such ordination was forbidden by our Constitution or by the Holy Scriptures, but contents itself by delivering its opinion to the effect that such ordination is not authorized.

Nothing further was done by the Synod on this subject until October, 1893, when it undertook to construe its deliverances of 1890 by adopting the following: "Without expressing an opinion as to what the Scriptures teach on the subject of licensing and ordaining women to preach the gospel, your committee are of opinion that Mrs. L. M. Woosley is not a regularly ordained minister in the Cumberland Presbyterian Church, and that the action at Smith's Grove (1890) is to be construed to that effect."

The Synod then declared the election of Mrs. Woosley as alternate commissioner to the General Assembly null and void, and directed Nolin Presbytery to retire her name from its list of ministers.

From this deliverance Mrs. Woosley appeals to the General Assembly, and Nolin Presbytery memorializes this body to review and reverse the action of Synod.

We are of opinion that the appeal and memorial should be sustained for the following reasons:

Under our system of church government the Presbytery has exclusive original jurisdiction "to receive, dismiss, ordain, install, remove and judge ministers." It is the only power that can revoke an ordination. The Synod possesses no such powers. The Synod can review the acts of the Presbytery and for good cause it can direct the Presbytery to revoke licensure or ordination, and when this is done it is the duty of Presbytery to obey, unless excused by the General Assembly. But the Presbytery before it can so revoke must give the party to be affected notice of its intended action, and the order of revocation must be entered upon the Minutes of the Presbytery as fully and perfectly as the ordination itself, and should state the reason for such revocation.

This course is not only dictated by the simplest sense of common justice to all the parties concerned, but is imperatively demanded by the relations that our ministry sustains to the civil law of our land. Many of the ministerial functions under ecclesiastical law are recognized as legal by, and so become a part of, our civil system; and to permit these relations to be disturbed in the summary, *ex parte* and unauthorized manner adopted by the Synod in this case might be fraught with consequences appalling to contemplate.

Let us now see what the action of the Synod really is. Whatever might have been the different interpretations of its various deliverances, they are all put at rest by its own construction as contained in its last deliverances, in the following language: "Without expressing an opinion as to what the Scriptures teach on the subject of licensing and ordaining women to preach the gospel, your committee are of opinion that Mrs. L. M. Woosley is not a regularly ordained minister in the Cumberland Presbyterian Church, and that the action at Smith's Grove is to be construed to that effect."

Let it now be remembered that all the deliverances of the Synod on this subject except the last one just quoted, were made at Smith's Grove in 1890. So that we have Synod telling us in its last deliverance, made in

October 1893, just what it means to say in all of its deliverances, and that is, that Mrs. Woosley is not a regularly ordained minister in the Cumberland Presbyterian Church. The manifest meaning of this, the Synod's own construction, is that Mrs. Woosley is an ordained minister, but that her ordination was irregular.

Can such an ordination be revoked by simply erasing the name from the list of ministers, as was ordered by the Synod in this case? We solemnly answer, in our opinion, it cannot.

We, therefore, recommend that the appeal and memorial be sustained; that the action of the Synod be reversed and the cause remanded for such further steps as the Synod may chose to take in the matter under the rules herein indicated, and that until her ordination shall be regularly revoked all the ministerial acts of Mrs. L. M. Woosley are to be held as lawful and valid.

Respectfully submitted.

TUESDAY, May 22, 8 P.M.

The following resolution, offered by Rev. J. S. Grider, D.D., was adopted :

Resolved, That this General Assembly does hereby indorse Mrs. L. M. Wosley, of Nolin Presbytery, in the Synod of Kentucky, as a Lay Evangelist, and as one whose efforts the Lord has blessed; and she is most heartily commended as a consecrated and efficient laborer in the Master's cause.

The following protest concerning the foregoing resolution was entered :

The undersigned members would respectfully protest against the action of this General Assembly in adopting the foregoing resolution, for the following reasons: Because—

1. Mrs. Wosley has neither asked for, nor do we think she needs, such commendation from this body.

2. Coming as it does at this time, the resolution is liable to give needless offense to the party whom it is intended to compliment.

3. Mrs. L. M. Wosley is recognized by Nolin Presbytery only as a regularly ordained minister of the gospel; nor has the Presbytery, so far as we know, ever set her apart as a Lay Evangelist.

4. If the action of this body declaring the ordination of Mrs. L. M. Wosley null and void be constitutional and proper at this time, then she is not a member of Nolin Presbytery (of the Kentucky Synod), nor of any congregation in its bounds; and therefore this General Assembly has no right to pass such resolutions, it being in the province of the Presbytery to provide its own workers, lay and clerical.

REPORT OF THE COMMITTEE ON PUBLICATION AND
SUNDAY-SCHOOLS.

The Committee on Publication and Sunday-Schools submitted the following report, which was adopted :

To the Moderator and Members of the General Assembly.

Your Committee on Publication and Sunday-Schools submit the following report. We have carefully considered the report of the Board of Publication and the papers and resolutions touching the same, which were referred to us. It is with pleasure that we note a reduction in the debt of the House of \$5,003.28, leaving the present floating debt \$28,000 and the bonded debt \$48,500.

The Board should be commended for the manner in which the affairs of the House have been administered during the time of the almost unprecedented financial stringency. The most pressing need now is that the floating debt, most of which is being carried at a high rate of interest, should be canceled.

The annual net gains of the business will do this in time, but it is a necessity that it be done at once.

We have considered resolutions touching this, which were referred to us, and while the present is not an auspicious period for a canvass of the Church for this purpose, yet we recommend that by donations from congregations on Publication Day, and in response to such plans as the Board may devise, the whole church come to the aid of our publishing work and remove this indebtedness as speedily as possible. It is also the opinion of your committee that the sale of books and other merchandise should be pressed by all possible means, and at the lowest possible commission. We also think that the plans of the Board for such sale should be commended and that instruction be given that the columns of all papers published in the interest of the Cumberland Presbyterian Church should be used as advertising mediums.

We have carefully considered the present Clubbing system as well as that of Expiration day, and while there are objections urged against them, we believe the gain to the whole Church and to the Board will justify the Board in continuing them for the present, and we so recommend.

Complaints have been made to your committee touching the business management of the House both as to the dispatch and accuracy with which orders for Sunday-school and other supplies are filled.

We recommend that the Board be authorized to employ sufficient clerical force to conduct all the business with dispatch and accuracy, and that the cash system be adopted at the earliest possible date.

It is to be greatly deprecated that in a denomination with as large a membership as ours, there should be such a small list of subscribers for the only paper owned and published by the denomination. The loyalty and enterprise of our people are largely dependent on the information which they can get from no other source than a paper published in the interests of the denomination, and yet it is a lamentable fact that the large majority of the homes in our communion are without any such paper!

As long as this continues, the sale of books and every other interest of the Church must suffer. The Board should do its utmost to ascertain and overcome the difficulties in the way of putting the paper in the homes of the people.

We recommend that the Board be authorized to close its books on the last day of March instead of the last day of April as it is at present.

SUNDAY-SCHOOLS.

We have had placed in our hands the last report of the General Superintendent of our Sunday-school work, Rev. M. B. De Witt, D.D., from which we gather the following items:

1. Notwithstanding the fact that he pressed the work of his department with the greatest possible diligence, sending out more than sixty thousand copies of Children's Day exercises and otherwise encouraging the Sunday-schools to take offerings for this work, the financial stringency was such that the offerings did not warrant him in continuing in the office, and he resigned on the first day of January, 1894.

2. We learn from his report that there are State Sunday-school conventions in Illinois, Kentucky, Arkansas, Missouri, Kansas, Alabama, Tennessee, Texas, and Ohio. Also that a large number of Presbyteries hold annual Sunday-school institutes within their bounds.

3. The following statistics will indicate something of the increase in systematic work and information in this department during the time Dr. DeWitt was in office. In 1890 he reported 510 schools with a total membership of 52,000, and the total contribution for all purposes was, \$20,000. While the report for 1893 shows 1,252 schools with a membership of 119,000, and total contributions \$38,000.

The necessity for the resignation of Dr. De Witt is to be deplored, and the gratitude of the whole Church is due him for his untiring labors in this office.

After the resignation of Dr. De Witt the work was carried on temporarily by Rev. A. G. Bergen at a nominal salary until the first of April when Rev. Geo. O. Bachman was elected to the position. His whole time will not be given to this work, however, until July.

We have considered his plans for this work and commend them to the Church, and urge co-operation with him in executing them. We also recommend that you approve his appointment.

We also recommend the appointment of the following Permanent Committee on Sunday-Schools: W. T. Ferguson, J. I. D. Hinds, Jno. D. Wi son, H. H. Buquo, W. J. Darby, and J. V. Stephens; that J. H. Miller, T. A. Cowan, J. R. Morris, D. C. DeWitt, and T. H. Perrin be corresponding members of the same.

We recommend that this committee have entire charge of the work of the General Superintendent of Sunday-school, keeping the Board of Publication advised regularly as to the details of their work and counseling with them at all times. We also recommend that Monday 10 A.M. be fixed as the time when the committee shall make its Annual Report to the General Assembly. Also, that the committee be directed to meet at the earliest possible date for organization, and that authority be given them to fill

vacancies that may occur, reporting the same to the General Assembly for its approval or disapproval.

Your committee commend the Board for improvements made in *Bible Study*, but express the decided opinion that as soon as possible a suitable person or persons should be employed who shall give his or their whole time to the preparation of a Sunday-school literature commensurate with the demands of the times and the necessities of the Church.

Respectfully submitted,

B. P. FULLERTON, *Chairman.*

The General Assembly then adjourned till 8:30 o'clock to-morrow morning, and closed with prayer.

SIXTH DAY.

WEDNESDAY, May 23, 8.30 A.M.

The General Assembly met and was opened with prayer. One half hour was spent in devotional exercises.

Minutes of yesterday were read and approved.

REPORT OF THE COMMITTEE ON THEOLOGICAL SEMINARIES.

The General Assembly resumed its consideration of the report of the Committee on Theological Seminaries and, on motion, a suspension of the Standing Rule was ordered until this report should be finally disposed of. After being discussed at length the report was adopted and is as follows :

The literary and theological training of young preachers is of paramount importance to the Church of our Lord. A correspondence of wide extent, representing the convictions of the most thoughtful ministers and laymen of all denominations, sets forth that the present need of the Churches is not more men, but more efficient men. If all our ministers, in all denominations, were properly qualified and thoroughly consecrated there would be no vacant congregations and fewer unheard calls upon our Boards for help.

In order that the rising ministry may become an efficient ministry, three things are necessary :

1. There must be an efficient theological school. Certain things are necessary in order that the theological school may be "efficient." Efficiency mean the choice of certain definite ends, and the control and use of certain adequate means for the attainment of those ends.

The *ends* of the theological seminary are four :

(1) Insight into the system, order and harmonies of the Word of God. The young preacher, who sees God in his manifoldness and unity as he is revealed in the Bible and in the Cosmos, has a vision which will

inspire him in his work, fortify him against discouragements, and strengthen him for every word and work. This insight the theological school is intended to provide. It misses its aim, if the young men do not come forth with a profound sense of the majesty of God, the mystery and power of his providence, the grace and glory of his redemption in Jesus Christ, and the universality and constancy of his presence in the Church and in the world.

(2) Intensity of conviction concerning the authority of Christ in the Church and concerning the authority of Christ in his Word. It is one thing to assert in a creed that the Bible is the only infallible rule of faith and practice, and quite another to adduce the grounds of such a conviction so that the young man can see, and hold, and *give a reason* for the faith that is in him. It is one thing to be told that Christ is the head of the Church, but quite another thing to be led to see that he is and to be able to state the rational basis of such a belief. The aim of the theological school is to furnish the grounds of these traditional beliefs, and thus to intensify the faith of our young men who are to preach the gospel.

(3) The interpretation of the things seen and felt is the third end to be reached. Paul saw one vision, the meaning of which he could not unfold—it was not possible for him to utter the things he saw and felt. Such experiences may come to other preachers, but such are not the things that are to save the world. A few words uttered with the spirit and with the understanding also, are far more serviceable than thousands of words uttered in an unknown tongue. It is the truth, which is explained, from which the world is to receive profit. But explanation depends upon two things: first, the choice of words in which to express the meaning; and secondly, the control of tones by which emphasis and shading are given to the words used. The theological school is therefore a failure if it does not lead up to the mastery of a good English style and then to such elocutionary ability as will make the voice an instrument of precision and power in the use of good English.

(4) Finally, the school of the prophets must seek the development of administrative power. No congregation is so small, or its services so infrequent, as not to demand executive ability in its pastor. Mission work pre-eminently requires it. Country congregations to-day are suffering, either because their pastors do not see the need of administrative work or because said pastors do not know what such work is. The theological seminary cannot seek too carefully for the development of our young preachers along this line.

The *means* by which these ends are to be attained are three:

(1) *Men.* Strong, vigorous, alert, industrious, scholarly, spiritual men. The theological school is no place for the retirement of the superannuated. The young prophets need wisdom, but they need to receive it through chosen vessels, whose bones are full of flame and whose hearts are electric with zeal. The personalities of the faculty are worth more than anything else. That theological school fails in the use of its grandest means, which fails to provide for constant, helpful contact between its individual teachers and its individual students.

(2) Carefully prepared courses of study and well selected libraries. It

is not necessary to outline what should be the course of study, but manifestly it should not be the same for the illiterate as for those who are college bred. On the one hand a premium should not be placed on superficiality; and on the other hand no discount should be made on scholarship. The value of well selected libraries—not necessarily large libraries, but carefully chosen ones—can hardly be estimated by those who are not actually in the educational work. The tardiness of the Church in providing its schools with libraries is to be lamented, but in no instance is it to be so much regretted as in the case of the theological seminary.

(3) The third means for reaching the ends above enumerated is endowments and buildings. We cannot have the men unless they can live while they work. We cannot have them do their work efficiently unless they are properly furnished with buildings.

All these things are necessary to the efficiency of a theological school. The school itself is necessary in order to the efficiency of the coming ministry.

2. An efficient ministry cannot be had unless that ministry meets the demands which the churches make upon it. The churches everywhere, in city and in country, are demanding an educated, sensible, aggressive, well-rounded ministry. Whenever a congregation, because of its own weakness or because of the paucity of thoroughly qualified preachers is driven to accept a man who does not come up to its demand, that means that the pastoral relation is strained from the beginning, and that a "change" is not far distant. This demand of the churches is an element in the problem of the evangelization of the world. We are not living in the Roman Empire in the days of the Cæsars, but in the United States in the days of the Public School. To ignore this demand is to provide an inefficient ministry. To neglect the theological seminary is to imperil the future of the Church—is to withdraw the Church from the respect of the public.

3. In order to an efficient ministry a third thing is necessary, the strongly manned, thoroughly equipped, and properly administered college. This is not the place to argue this point. We call attention only to this one thing, that the theological school and the college are closely related. The theological school must stand upon a college foundation if it is to command the respect of college students; the Christian college must flower into the theological school if it would do its proper work for the Church in whose interests it is founded. The time has come when the demands of the congregations cannot be met unless the preacher is both college-bred and seminary-bred. He must have the broad training which the college provides and the special training which the seminary provides. Exceptions to this rule stand out conspicuously, because they are exceptions. The young man who quotes Moody and Spurgeon as his models takes a tremendous risk, and evinces a conceit of natural ability which is ominous of failure.

With these general facts in mind your committee are of the opinion that you should approve the following commendations and then certain recommendations.

COMMENDATIONS.

1. Commend the Faculty for extending the course of study in the theological school to three years, instead of two years as heretofore.

2. Congratulate the theological Faculty upon its own organization as a distinct Faculty with its own Dean, its own plans and methods of administration, and its purpose of doing its peculiar work henceforth with an eye single to its own department of the University.

3. Congratulate the Faculty upon its reorganization, approve the addition of W. P. Bone and F. K. Farr as teachers, and commend the greater division of labor which is thus provided for; especially because this provides for separate chairs for teaching Hebrew and Old Testament Literature and Greek and New Testament Literature.

4. Congratulate the seminary upon the fact that, now, for the first time in its history, it has one man whose time is devoted to Homiletics and Pastoral Theology.

5. Commend the policy which has been adopted of opening the doors of the seminary to young women, who may wish to qualify themselves as missionaries, Bible readers, or Christian workers.

6. Commend the Dean on account of his policy of visiting our colleges in the interests of the theological school. This policy is prophetic of greater interest in the seminary, and a wider and more exact knowledge of its work.

7. Commend the policy of having music and elocution taught in the seminary as a regular part of its required courses.

8. Commend the policy of having fellowships to provide for the further training of students as specialists after they have completed their course in the theological school. This is an advancement in policy of great value to the Church of the future.

RECOMMENDATIONS.

1. Recommend that the theological school issue its catalogue as a separate number, distinct from the catalogue of Cumberland University. This will give prominence to the seminary in a way which will be of great service to it in advertising its work.

2. Instruct the Board of Trustees of Cumberland University hereafter to make a detailed financial exhibit annually to the General Assembly, showing its endowment, investments, salaries, receipts, expenditures and liabilities.

3. Recommend a speedy increase of the endowment funds of the seminary by the bequests and gifts of the members of the Church. The new policy of the seminary imperatively demands a large increase in the endowment of the institution.

4. Recommend the adoption by the theological faculty of a carefully matured plan for increasing its library facilities, and request the co-operation of the Church papers in carrying such plan into effect.

5. Recommend that the General Assembly express its approval of the action of the Faculty of the theological seminary, in refusing to admit candidates for regular graduation, unless they are able to take the regular theological course profitably.

6. Recommend that the Board of Trustees of Cumberland University be directed to consider the advisability of placing the literary school under the control of the Synods of Kentucky and Tennessee, Alabama and Mis-

Mississippi, in order that the theological school may stand apart as the property of the whole Church with a distinct Board of managers: and that the Board of Trustees of Cumberland University be instructed to report to the next meeting of the General Assembly, if there are legal barriers preventing a separation between the literary and theological departments.

7. Recommend each Presbytery to use due diligence and authority to have every young preacher under its care to take his theological course in its own seminary.

8. Instruct the Board of Trustees of the General Assembly to receive any lots or other property in Chicago, which may be given, unconditionally, for the founding of a theological school in that city.

9. Urge as great promptness as is consistent with prudence in the filling of the chair of Systematic Theology in the theological school at Lebanon, Tenn.

W. H. BLACK, *Chairman*.

The General Assembly then took recess till 2.30 P.M.

WEDNESDAY, May 23, 2.30 P.M.

TIME LIMIT ON SPEECHES.

On motion, it was determined that during the further sittings of the General Assembly all speeches, except those made by the chairman of committees, shall be limited to five minutes.

REPORT OF THE COMMITTEE ON EDUCATION.

The Committee on Education submitted a report, which was amended and adopted as follows:

To the Moderator and Members of the General Assembly,

The Committee on Education respectfully report as follows:

We deem it unnecessary to call your attention to the great importance of our educational enterprises. We feel assured that you will heartily indorse our words when we say that the great need of our times is men and women who have received their training in Christian schools under the guidance of cultured Christian teachers. The highest end of education is the full and complete development of all the noblest powers of mind and heart, the building up of character pure and true, solid and enduring, noble and strong—Christlike. Such character is not likely to be built up except in the light of Bible study, under the influence of right methods and Christian teaching. A great need of the Church is clear, pointed, practical, broad, scholarly, comprehensive pulpit work. We may scarcely hope to attain this excellence without such training as may be had in our Christian colleges. We would, therefore, in this report, give great emphasis to the thorough college training of our young men, that our

pulpits may be filled by men strong in mental and spiritual power—men who are able to seize the fountains of power in logic, science, and literature, and transform them into a glowing spiritual life; men who are able with a voice of victory to plant our standards in the great cities, the “storm centers,” the centers of population, wealth, and influence.

REPORT OF THE BOARD OF EDUCATION.

We have before us the 13th Annual Report of the Board of Education.

We recommend that you approve the election of Rev. I. D. Steele as a member of the Board to fill the vacancy occasioned by the resignation of Rev. J. L. Alexander.

We heartily recommend the adoption of the recommendations of the Board found on page 3 of the report, in substance as follows:

1. That you require your Presbyteries to use greater diligence in securing offerings from every Church; Sunday-school, and Endeavor Society throughout their bounds within the period for education, May and June; the preachers being urged to exercise the utmost vigilance in securing the best results by vigorously executing the envelope system.

2. That you suggest to the Presbyteries the propriety of organizing educational societies in their larger congregations whenever and wherever found practicable.

3. That you earnestly impress upon your Presbyteries the importance of prayer for our young preachers and of preaching sermons in the interest of education.

4. That you instruct your Presbyteries to use great caution and discrimination respecting the character of the men inducted into the gospel ministry and in recommending candidates to the Board for aid.

We further recommend that you urge upon your Presbyteries the importance of a permanent Committee on Education in each Presbytery to aid the Board in securing offerings from the Churches, Sunday-schools, and Endeavor Societies, and in securing individual offerings and bequests to this cause.

PERMANENT FUND OF THE BOARD.

We have had referred to us resolutions respecting the loan of this fund at 10 per cent interest and on the basis of not over 50 per cent of the valuation of the real estate by which the fund shall be secured, the estimate of the value to be made by the Board. Not deeming it advisable to take action in this matter, we recommend that you leave it entirely to the wisdom and discretion of the Board.

INTER-COLLEGE ASSOCIATION.

We have a tabulated statement of the condition of the six institutions of learning composing this association, viz.: Cumberland University, Waynesburg College, Lincoln University, Missouri Valley College, Bethel College, and Trinity University. We recommend that this statement be printed in the Appendix of the Minutes of the General Assembly.

We make the following summary: Literary students, 1,172; law, 74; theological, including all candidates and licentiates, 118; professors, 46; tutors, 18; expenses, \$37,140; receipts, \$37,317; productive endowment,

\$271,000; non-productive, \$145,000; additions to endowment, \$5,608; buildings and grounds, \$375,000.

EDUCATIONAL INSTITUTIONS.

Cumberland University.—The report from this institution is very gratifying. We are pleased to note that the College for Young Ladies has been made an Annex of the University, which we hope is a step toward the full realization of co-education in that famous institution of learning. By this arrangement two additions have been made to the University faculty, viz., Prof. Lacy Rice, English and English Literature, and Prof. B. S. Foster, Assistant in Languages, which appointments we recommend that you approve.

We also recommend that you heartily indorse the action of the Chancellor of the University in securing from the War Department the assignment of an officer for duty at the University to teach military science and tactics. We are also pleased to note that the new building is rapidly advancing toward completion, and we would urge, through the Presbyteries, the friends of the University to rally to its support with their prayers, their sympathies, and their means.

Missouri Valley College.—The catalogue of this institution gives evidence of thorough organization, scholarly work, and vigorous administration. We are rejoiced to note that the Bible has a place in the course of instruction in this College.

Bethel College.—President T. H. M. Hunter aided by five other teachers is doing a good work.

Waynesburg College and *Lincoln University* report through the Inter-College Association.

Trinity University reports a good year, with ten A. B. graduates and two post-graduates. Statistics for the above named colleges are given in the report of the Secretary of the Inter-College Association.

Arkansas Cumberland College.—Buildings and equipment, \$22,500; endowment in notes, real estate, etc., \$32,000; expenses, \$4,500; teachers, 7; students, 140; candidates for the ministry, 5; aid given to candidates in tuition and local assistance, \$305.

Cumberland Presbyterian Seminary, Piedmont, Ala.—Teachers, 5; pupils enrolled, 200; candidates for the ministry, 6; property in real estate estimated at \$50,000; liabilities, \$12,000.

Parsons College.—Prof. W. A. Erwin, President, 275 pupils enrolled, 3 candidates for the ministry, 7 teachers, and property valued at \$6,000.

Union Female College.—Prof. A. N. Eshman, President, reports 70 boarding pupils, the largest number in the history of the school. The present buildings being too small for the prospect of increased attendance and for other reasons not stated, the matter of re-location has been undertaken with excellent propositions from Méridian and West Point, Miss., at one of which points it is probable that the school will be located.

We have no communications from Auburn Seminary, Cumberland Female College, Southern Illinois College, Texas Female Seminary, Buffalo Gap College, and other schools not herein named.

School for Young Preachers (colored).—We have had referred to us the

report of the commission appointed by a previous General Assembly with powers enlarged by a later General Assembly to confer with a commission appointed by the General Assembly (Colored) in establishing a school for the education of young preachers of the Cumberland Presbyterian Church (Colored). The commission, Drs. C. H. Bell and J. M. Gill, ask that you accept their resignations and appoint Rev. J. W. Caldwell and Ruling Elder C. L. Nolin to fill the vacancy. We recommend that you grant the request, and that you approve of the selling of the property at Bowling Green, Ky., and of the selection of Huntsville, Ala., as a favorable place for this school.

CONCLUSION.

Your committee are of the opinion that there is much to encourage us. With a Board wise in planning and diligent in raising means to assist in the education of our young men, we hope for large results. All along the line of our educational institutions there is progress. Our colleges rank among the leading institutions of the country. Their standards are high. We have strong faith and firm hope of final success. We rejoice in the prospect of increased facilities and of greater and more permanent growth in all departments of our educational work. "We thank God and take courage."

D. S. BODENHAMER, *Chairman.*

The following amendment was adopted:

We recommend that the Trustees of Cumberland University be requested to open all its departments to young women on equal terms with young men, making the institution in all respects co-educational.

REPORT OF THE COMMITTEE ON MISSIONS.

The report of the Committee on Missions was again taken up, and it was adopted as follows:

To the General Assembly of the Cumberland Presbyterian Church.

* FATHERS AND BRETHREN:—The mission of the Church of the living God in the world is Missions. Her supreme duty is to see that the message of salvation is proclaimed to every living creature, and thereby make disciples of all the nations of the earth.

Christ gave more specific instructions touching this phase or manifestation of the life of the church than to any other aspect of her work. He even put this office of the church on the same exalted plane as an essential factor in the scheme of redemption with his tragic death and triumphant resurrection, when he said, Thus it is written and thus it behooved Christ to suffer, and to rise from the dead the third day, and that repentance and remission of sins should be preached in his name among all nations, beginning at Jerusalem. Then realizing the compass of this awful commission with which he was entrusting his faithful little band of followers, he said, Behold, I send the promise of my Father upon you; but tarry ye in Jerusalem until ye be endued with power from on high. Then go ye, therefore, into all the world and preach the gospel to every creature, baptizing them in the name of the Father, and of the Son, and of the Holy Ghost; teaching them to observe whatsoever I have com-

manded you; and lo, I am with you alway, even to the end of the generations, or of the ages. The terms of this commission are so clear and unmistakable in their meaning that there is no shelter for a shirking Church behind any doubt or uncertainty as to what the Master requires of her along this line of her duty, that your committee feel constrained to say, that the church when it fails to yield prompt obedience to her Lord in the matter of evangelizing the world in its broadest sense, fails to fulfill the mission for which she was established and is doomed to shrivel and die, as well as ignominiously fail in whatever other enterprises she may undertake.

That the Church of Christ in the world has been and still is, to a fearful extent, unconscious of the magnitude and grandeur of her commission, as well as of her tremendous obligations and responsibilities arising therefrom needs no further proof than the awful fact, that now in the lingering evening twilight of the last decade of the nineteenth century of the Christian era fully three-fourths of the human family are still sitting in darkness and the shadows of death, without ever having heard the glad tidings that Christ was born. That our branch or department of the great Church of God is almost criminally indifferent and unconcerned about the important mission with which her Lord and Master has entrusted her is evidenced by the small pittance given for missions this year—the vast number of congregations that have failed to make an offering for this glorious work of extending the kingdom of Christ in the world. Your committee feel as they stand on the very crown of the sublime altitude of this grandest of the centuries facing the future with its magnificent possibilities, that it is time for us as a Church to shake off our swaddling clothes and be prepared now to make a forward move all along the line, bearing the banner of the Cumberland Presbyterian Division of the Lord's Army with a determination to plant it this year in many cities where it never has been unfurled.

FOREIGN FIELDS.

JAPAN.

Our work in Japan has been a great blessing to the Church at home from its incipency to the present, and it is now watched with much interest and prayer. The success of our missionaries there inspired us, as a Church, with the desire and determination to take our stand side by side with other denominations in the forward move upon the heathern world, and capture it for Christ our king, as we never did before we entered that field. But your committee are painfully impressed with something akin to conviction that we are losing our grip on that interesting country. It is the profound conviction of your committee that we should by all means stimulate and intensify the interest of the Church in this important field until the gospel of the blessed Lord is preached in the innermost parts of the Empire, and the inhabitants shall know Him from the least to the greatest.

MEXICO.

We rejoice at the unmistakable signs of progress in our work in Mexico. While the very nature of the work in all Roman Catholic Countries is necessarily slow, yet its accomplishment here when achieved will

open the door of Central and South America and make the Western Hemisphere Christian from the Arctic to the Antarctic Oceans.

Let us pray and pay to push our work in Old Mexico until Christ enters every breast that bears the crucifix, and the idolatry of Romanism is removed forever from these our nearest neighbors.

Our missionaries among the Indians are faithful and consecrated to their work, and God graciously seals their labors with gratifying results.

HOME MISSIONS.

It is a source of great encouragement to find that three of our home fields have during the past year become self-sustaining, and it is the judgment of your committee that the Board should as speedily as possible consistently with the safety of the work, press every field under its care toward self-support. And that the future policy of the Board should be as far as practicable to leave all the towns and country villages to the care of the Presbyteries and Synods within whose bounds they are located, and direct its attention to concentrate its energies and efforts in the large cities, and with dauntless courage and unflinching faith in God and the gospel plant our church in every one of the great cities, especially of the new West, where property can be so easily acquired, and the growth of values and of population is so wonderfully rapid.

We are profoundly impressed with the opportunity which the Pacific Slope offers our Church at the present moment, and it appears to us that the Master has providentially brought this General Assembly here at this time to see the open door which we are invited to enter. Now is the time to establish our Church in San Francisco, Portland and Seattle, and the opportunity must not be allowed to pass through our hands. The brethren of the Coast have done nobly, and are worthy of the warmest commendation of the Church.

We recommend—

1. That the *Missionary Record* be placed in the hands of all the families of the congregations by the pastors and sessions as far as practicable.

2. That Presbyteries and Synods be urged to hold missionary rallies at their meetings.

3. That Presbyteries be ordered to require ministers and sessions of all the congregations within their bounds to make systematic offerings for the support of missions.

4. That the first Sabbath in September be consecrated as a day of prayer for missions.

5. That we recommend the Board to enter China or Africa or both as a new field for missionary operation at the earliest possible moment.

6. That San Francisco be the first special effort by the Board after the Chicago lot has been paid for, and that no time be lost before provision is made for the balance unpaid on said Chicago lot.

7. That every encouragement be given the brethren in Denver to secure funds for the establishment of our work there, as the present seems to be the golden opportunity to begin operations.

8. That in view of the diminished interest in the work of the Board of Church Erection Presbyteries be directed to require ministers and

Church sessions to see that their congregations make a regular offering for the work of this Board and the Secretary continue the effort to collect all notes and moneys promised this Board.

9. That the Board be instructed to use moneys coming to its hand only for the purposes for which they were contributed.

10. That you indorse the election of the Rev. W. T. Ferguson to succeed J. L. Secor, Esq., as member of the Board of Missions, and also the securing of Rev. J. W. Laughlin as Superintendent of Missions.

11. That the first week in the month of September in each year be set apart as a week of self-denial for the cause of missions.

Respectfully submitted.

H. S. WILLIAMS, *Chairman.*

REPORT OF THE COMMITTEE ON OVERTURES (No. 6).

The Committee on Overtures submitted the following report No. 6, which was adopted:

MAJORITY REPORT.—We have before us petitions from the Kansas Synod and the Sangamon Presbytery asking that the Boards of Education and Ministerial Relief be instructed to employ one secretary for the joint Boards. We recommend that the petitions be granted, and that a commission consisting of Revs. E. G. McLean, D.D., J. D. Gold, J. V. Stephens, R. W. Binkley, and Ruling Elder John M. Gaut, be appointed to arrange the details of this arrangement, and to signify the place of residence of the secretary. Be it further ordered that the two Boards mentioned meet in joint session at as early a date as possible, and select a secretary, fixing his salary at not more than \$1,500.

W. T. FERGUSON, *Chairman.*

A. L. BARR,

W. F. SHARP,

J. L. RUFFIN,

R. W. LEWIS.

MINORITY REPORT.—In response to the petition from Kansas Synod and the Sangamon Presbytery asking that the Board of Education and Ministerial Relief be conducted under one Secretary, we beg leave to make this report for the following reasons, viz.:

1st. That the work of the Boards is dissimilar, and therefore the usefulness of both would be destroyed.

2d. That such a step would be a public acknowledgment to the world that instead of being a growing we are a shrinking Church.

3d. That as the material part of the petition can be granted (viz., reduction of expenses), and the Boards still maintain their integrity, we would recommend that the salaries of the Secretaries be reduced in the same ratio that business corporations have adopted.

Respectfully submitted.

W. P. WINANS,

A. S. HAYTER.

The Majority report was adopted.

REPORT OF THE COMMITTEE ON JUDICIARY (Nos. 2, 3, 4, 5).

The Committee on Judiciary presented the following reports (Nos. 2, 3, 4, 5), which were adopted:

REPORT No. 2.—Your committee have considered the memorial submitted to them, asking for a definition of the phrase “promiscuous dancing” contained in a former deliverance of your reverend body, and while this is not strictly a matter of legal cognizance, we beg to say that in our opinion the expression referred to should be understood to mean mixed dancing, confused dancing, indiscriminate dancing, and dancing in which both sexes engage. In short, any dancing which cannot be conscientiously commended by an upright, consecrated member of the Cumberland Presbyterian Church.

H. H. BUQUO, *Chairman*.

REPORT No. 3.—Your Committee on Judiciary to whom was referred a memorial from Memphis Presbytery asking an order for the sale of a certain lot of land in the town of Covington, Tipton County, Tenn., and also for the distribution of the proceeds, would respectfully report that in the absence of the title papers or other accurate information as to all the conditions in the deed to said lot, it might be imprudent to order any disposition of the property. We therefore recommend that no deliverance be made in these premises until the forthcoming of the title papers or copies thereof.

H. H. BUQUO, *Chairman*.

REPORT No. 4.—In the matter of the appeal of Rev. D. T. Waynick and others against the action of the Synod of Tennessee in the matter of the election of Rev. J. H. W. Jones as a commissioner to the General Assembly of 1893 by Obion Presbytery, in the Synod of Tennessee, your Judiciary Committee desire to submit the following report:

At the meeting of Obion Presbytery in March, 1893, Rev. J. H. W. Jones was elected a commissioner on the part of the ministry to the General Assembly at Little Rock, Ark. After the adjournment of the Presbytery, the moderator, Rev. J. A. McDonald, entertaining conscientious scruples as to the eligibility of Rev. J. H. W. Jones to serve as such commissioner, on the alleged ground that said Jones lived in St. Louis, Mo., outside of the bounds of the Presbytery, declined to sign his credentials as such commissioner.

Thereupon by proper proceedings a called meeting of the Presbytery was had for the purpose of considering the former action of the Presbytery in electing said Jones. At this special meeting of Presbytery, held at Rives, Obion County, Tenn., March 30, 1893, the former action of the Presbytery in electing said Jones was ratified and the moderator directed to sign the credentials of Rev. J. H. W. Jones as such commissioner. From this action of the Presbytery, Elder T. J. Latimer prayed and obtained an appeal to the next session of the Synod of Tennessee. The moderator, Rev. J. A. McDonald, declined to sign the credentials, as ordered, and resigned as moderator, and Rev. S. H. Braly was elected moderator and signed the credentials. To this action Elder T. J. Latimer and Rev. J. A. McDonald entered a protest. Pending the appeal to the Synod of Tennessee, before

the Synod acted thereon, Rev. J. H. W. Jones, as such commissioner, appeared in the General Assembly, at Little Rock, Ark., and presented his credentials as a commissioner representing Obion Presbytery on the part of the ministry. Objection was made to his being seated and the attention of the General Assembly called to the protest. The General Assembly, having full jurisdiction of the question of the eligibility of its own members, decided that the Rev. J. H. W. Jones was entitled to his seat as such commissioner in the General Assembly, and seated him, and he served as a member of said General Assembly.

At the meeting of the Synod of Tennessee, in October 1893, the Synod decided that the action of the Obion Presbytery in electing Rev. J. H. W. Jones, as such commissioner, was irregular and erroneous. From this action of the Synod Revs. D. T. Waynick and S. H. Braly prayed an appeal, and notified the Synod of the appeal, but did not within proper time file with the clerk of the Synod or the moderator of the Synod notice of the reasons for the appeal, but filed the notice with the Stated Clerk of the General Assembly.

Your committee are of opinion, and so report, that the action of the General Assembly of 1893 in seating said Jones was a final and conclusive settlement of the question of the right of said Jones to a seat in said General Assembly, and there is now nothing before this General Assembly for settlement. If it should be attempted by this proceeding to have this General Assembly determine the abstract question of the right of Rev. J. H. W. Jones as a member of Obion Presbytery, or whether he has forfeited his rights by removal from the bounds of the Presbytery without proper authority, your committee are of opinion, and so report, that this case does not present these questions for discussion in the proper manner.

In this view of the case we recommend that no further action be taken in the matter by this General Assembly. Your committee by this report do not determine whether Rev. J. H. W. Jones is or is not a member of Obion Presbytery, as that question is not now properly before the General Assembly for decision.

H. H. BUQUO, *Chairman.*

REPORT No. 5.—The Committee on Judiciary to whom was referred the memorial from Marshall Presbytery, and the complaint of Rev. J. A. McKamy touching the submission of an amendment to the Constitution on the woman eldership question, report that the same have been considered and we respectfully recommend that your reverend body take no further steps at this time toward submitting such amendment.

Respectfully submitted.

H. H. BUQUO, *Chairman.*

REPORT ON FEDERATION—LAST GENERAL ASSEMBLY.

The undersigned members of the Committee on Federation appointed by the last General Assembly beg leave to report :

A meeting of the representatives of the several ecclesiastical bodies interested in this movement was held in the city of Philadelphia, April 12, 1893. Both of us were prevented by other engagements from attend-

ing the meeting. A communication was sent to the committee representing the readiness of the Cumberland Presbyterian Church to join in any movement that promised to promote the interests of our Master's kingdom and the work of the Churches composing the Presbyterian family. By request Dr. W. H. Black, one of the representatives of our denomination in the Executive Commission of the Presbyterian Alliance, was present at this meeting, and supported the sentiment expressed in this written communication, and by courtesy of the committee joined in its deliberations. The results of this meeting are before you in the communication from the chairman of the committee, Dr. Patterson.

W. J. DARBY,
J. M. HUBBERT.

The General Assembly then took recess till 8 P.M.

WEDNESDAY, May 23, 8 P.M.

REPORT OF THE COMMITTEE ON DECEASED MINISTERS.

The Committee on Deceased Ministers submitted the following report, which was adopted by a rising vote, and Rev. A. S. Hayter led the General Assembly in prayer, after which the General Assembly joined in singing the hymn, "My days are gliding swiftly by," etc.

Your Committee on Deceased Ministers would submit the following report:

From the best information at hand the number of deceased ministers is not so great this year as last, yet we are sad to learn that quite a number of our fellow laborers have been called from their work on earth to the rest that remains for the people of God.

It is with sadness that we look upon the names of so many that will meet with us no more until we meet in the General Assembly above.

Among the number we would call special attention to the name of Rev. J. R. Brown, D.D., a name so familiar to us all. Though dead, through his writings, he shall yet speak.

We bow submissively to the will of our Master, who doeth all things well, hoping that others may be called to fill the places of these brethren in the vineyard of our Lord.

The report of the Committee on Correspondence on the subject of the "Federation of the Reformed Churches in the United States holding the Presbyterian System," was again taken up, and after discussion of the same, the report was withdrawn, and the subject of "Federation" was referred to a special committee provided for in the resolution of Rev. J. L. Goodknight, D.D.

The following is the resolution :

Resolved, That a committee of five be raised to whom shall be referred the whole matter of the Federation of the Presbyterian Churches, and that said committee shall report to the next General Assembly.

Minutes of yesterday were read and approved.

REPORT ON ORPHANS' HOME.

The following report on "Orphans' Home" was adopted :

Your Committee on Orphans' Home for the Cumberland Presbyterian Church beg to submit the following :

Our committee having been appointed just as the last General Assembly adjourned, we had no opportunity of doing anything before we returned to our homes; together with this, the exceeding closeness of money matters has greatly hindered our work. Still we find the interest in this matter growing. We have had various offers for the support of this work, but having no authority to receive property we have not been able to accept. Therefore—

1. We would ask further time.
2. That you give the committee such authority as may be necessary to secure property in the name of the Church for this work.
3. That they may inaugurate such other measures as may be necessary to put the work in successful operation.

This is not to impose any debts on the General Assembly.

G. B. RUSSELL, *Chairman*.

H. H. BUQUO.

G. A. BLAIR.

FRATERNAL GREETINGS.

Rev. W. H. Black, D.D., was appointed to bear the Fraternal Greetings of this General Assembly of the United Presbyterian Church now in session at Albany, Ore.

REPORT OF COMMITTEE ON OVERTURES (No 7).

The following report (No. 7) of the Committee on Overtures was adopted :

Your Committee on Overtures, in the matter of consolidation of Boards, etc., would report as follows: We recommend that the Boards of Education and Ministerial Relief be instructed to employ one secretary for the joint Boards, and that said secretary have his office at Evansville, Ind. We further recommend that the two boards meet in joint session at as early a date as practicable and select a secretary, fixing his salary at not more than \$1,500. We further recommend that the salary of the Stated Clerk of the General Assembly be reduced to \$300 per annum.

W. T. FERGUSON, *Chairman.*

REPORT OF COMMITTEE ON FINANCE.

The Committee on Finance submitted a report, which was amended and adopted as follows :

DEAR BRETHREN:—We have carefully examined the accounts of the Stated Clerk. We find them correct. He has collected from May 1st, 1893, to May 1st, 1894, \$3,461.40, paid out \$3,544.27; balance due Stated Clerk, \$82.87.

We have had submitted to us a memorial from Sangamon Presbytery asking that the expenses of the retiring Moderator to this General Assembly be paid by the General Assembly. We recommend that said memorial be not granted.

We recommend the accounts of Revs. E. G. McLean, D.D., \$16.30, and R. W. Binkley, \$3.25—total, \$19.55—for expenses as members of Committee to visit Theological Seminary at Lebanon, be paid.

It may be out of the province of this committee, but we cannot refrain from recommending to this General Assembly and its various Boards the importance of economizing, and wherever it is practicable to consolidate their work so as to employ as few persons on salary as possible.

H. H. NORMAN, *Chairman.*

REPORT OF COMMITTEE TO RAISE SALARIES.

The Committee appointed at the last General Assembly to raise the salaries of two additional professors in the Theological Seminary submitted the following report which was adopted :

To the Moderator and Members of the General Assembly.

Your committee appointed at Little Rock in 1893 to raise money for the salaries of two additional professors as provided by the report of the Committee on Education, beg to report that for several reasons not necessary to mention, but particularly on account of the general financial panic which swept over our land soon after our appointment, we did not take any steps to discharge the duties imposed upon us.

We, the committee, a majority being present, ask to be discharged, and recommend that the subject matter herein contained, for the present at least, be left entirely with the Board of Education.

Respectfully submitted,

H. H. BUQUO, *Chairman*.

REPORT OF COMMITTEE ON PASTORATES AND SUPPLIES.

The Committee on Pastorates and Supplies submitted their report which was read and adopted, and is as follows :

Your committee to whom were referred certain resolutions as to pastorates, supplies, etc., beg leave to submit the following preamble and resolution, and recommend that they be adopted :

WHEREAS, It is the duty of the Presbytery to require ministers to devote themselves diligently to their sacred calling, to take special oversight of vacant Churches, to concert measures for the enlargement of the Church within its bounds ; in general, to order whatever pertains to the spiritual welfare of churches under its care ; and, whereas, there is great laxness in this matter on the part of many of the Presbyteries under the care of this General Assembly, Churches being allowed to arrange for supplies or pastors almost without regard to the Presbytery, and ministers being allowed almost perfect immunity from Presbyterial authority in this matter ; and, whereas, many Churches becoming vacant make announcement of the fact in the Church papers, and often scores of applications for the office of pastor or supply are received from ministers in all portions of the Church ; and, whereas, this state of things is considered detrimental to the cause of Christ and adverse to the up-building of the Church ; therefore,

Resolved, That the Presbyteries under the care of this General Assembly be and are hereby instructed :

1. To require ministers under their care to diligently perform the duties pertaining to their sacred calling.

2. To require as far as possible the installation of pastors in the Churches under their care.

3. To require all their Churches which have no regular pastors to consult the Presbytery, or a regularly constituted committee thereof, before entering into an engagement with a minister.

4. To appoint ministers to supply such churches as do not have regular pastors or do not make request for the ratification of some arrangement for supplies at the regular annual meeting of Presbytery.

5. To appoint a permanent Committee on Pastorates and Supplies to whom all matters pertaining to the relation between ministers and Churches which require adjustment in the interim of the meetings of Presbytery shall be referred.

6. To see that as far as at all possible every Church has a minister, and every minister has a Church.

7. To require all ministers devoting themselves to evangelistic work to do so by authority of and under the direction of the Presbytery.

T. A. COWAN, *Chairman*.

REPORT OF COMMITTEE ON CORRESPONDENCE (No. 5).

The Committee on Correspondence made the following report, which was adopted :

REPORT No. 5—In compliance with your direction your committee have sent the following telegram:

T. C. BLAKE, *Stated Clerk*.

REPORT OF THE COMMITTEE ON TEMPERANCE.

The Committee on Temperance submitted the following report, which was adopted:

To the General Assembly of the Cumberland Presbyterian Church.

MODERATOR AND BRETHREN:—Your Committee on Temperance report the following:

We regard with feelings of hopefulness the growth of the temperance sentiment throughout the Church. That advancement is being made is evident from several points of view. The demand is growing constantly more imperative that those who seek the office of the ministry shall be free from the tobacco habit. Temperance study and instruction are occupying a larger place in Sunday-school and Christian Endeavor work. Our Church periodicals are devoting more space to the discussion of questions of individual duty in their relation to our social and national life. As a result of this agitation the public conscience is quickened. Men are coming more clearly to discern their duty and responsibility as Christian citizens with reference to the drinking habits of the people and the laws which foster and encourage them.

While emphasizing total abstinence as the obvious duty of all, we believe that intemperance finds its chief encouragement and strength in the sanctions of law. The policy of legalizing and protecting sin and receiving revenue therefrom is so clearly opposed to the plain teachings of God's Word and so repugnant to the enlightened Christian conscience of this age as to merit the unqualified condemnation of every follower of Christ. Fifty years ago Lyman Beecher characterized the liquor seller as a trafficker in human blood. And from that day till the present has been slowly but surely dawning on the moral perception of the people this startling truth, namely, That minister or church-member who by his indifference, his influence, or his vote helps to perpetuate and protect this terrible crime against society, this sin against God—the liquor traffic—thereby becomes partaker of other men's sins, and is guilty before God. From the logic of this position there is absolutely no escape. We therefore recommend—

1. That you hereby record your earnest protest against that policy of our national government known as the Federal tax on intoxicating liquors, whereby this government and every citizen in your communion possessed of the right of suffrage, as an integral part of the government, is made a partner in the liquor business; and that you demand that this iniquitous partnership shall at once and forever cease.

2. That you urge on all your Presbyteries the importance of increased activity in the dissemination of temperance literature and of the training of the young in the principles of gospel temperance; and that you commend the National Woman's Christian Temperance Union, by whose untiring and unselfish efforts scientific temperance instruction has become a part of the course of study in the Public schools of some thirty six States in the union.

3. That you declare as the solemn conviction of this General Assembly that no man nor party which refuses or fails to assume an attitude of open and uncompromising hostility toward the liquor traffic should expect or receive the vote of any Christian citizen of this country.

P. A. RICE, *Chairman.*

REPORT OF THE COMMITTEE ON MINISTERIAL RELIEF.

The Committee on Ministerial Relief submitted the following report, which was adopted :

MODERATOR AND BRETHREN:—Your Committee on Ministerial Relief report that we have carefully and prayerfully considered this important interest of the Church, and our hearts swell with the profoundest gratitude to Almighty God that we are permitted to live in such an age and in such a land. In heathen lands to-day the old, the infirm, the lame, blind, and disabled are without hospital, house of refuge, or asylum; and even in this, our own country so blessed with the gospel of Christ and the labors of his ministers, only a few years ago our old ministers were thrown off, after long years of toil and sacrifice, upon the tender mercies of the world, or on the care of their friends, or to care for themselves.

Now, as the Sun of Righteousness rises higher and sheds his beams upon the world, the hearts of his people open, and not only the deaf and dumb and blind and maimed are kindly cared for, but our old men in their declining years, as life's sun almost touches the western horizon, find the way lit up by benefactions coming from their dear brethren and sisters in the Lord, from the souls which they and others have been instrumental in leading to Christ, and from the children's children of those guided to the Savior by them in their early ministry.

It is enough to gladden the heart of an angel to look down upon such an organized system of beneficence, arranged by younger brethren for these old soldiers of the Cross, and presided over by such men as our venerable brother, Dr. Ralston, and distributed by him in whose noble and sympathetic heart this great enterprise had its first inception—its Corresponding Secretary.

When we consider the fearful stringency of finances through the past year we have great reason to rejoice that ninety-nine families had, through this noble organization, a large addition to their home comforts; and we can only deplore the fact that these have not been larger because of the negligence and unfaithfulness of the pastors and elders of 1,800 congregations that forgot those dear old men still lingering on the border-land, and the wives and children of those who have already passed over the line and are resting under the shade of the trees.

Do angels weep? Dear brethren, look up! Do the dear departed look back and see the sad neglect of those who have been saved through the Divine message delivered by men, often at the cost of their lives? Then it is enough to cause angels to weep as they look down upon half the ministry of the Cumberland Presbyterian Church taking absolutely no part in this heaven-born enterprise. And shall it always be so? God forbid! And may the day be just at hand when a chord of sympathy shall bind together the whole heart of the Church, and when every member of this great body shall do his part. Then will the hearts of God's servants be strengthened, and they will labor with the same assurance of the business man with an endowment policy paid up and an ample amount secured for his declining days, for a decent burial, and the comfortable care of his family when he is gone.

One of the wonderful things of to-day is that a minister who is poor, and whose salary is little if any more than above a living, will show no interest in an institution upon which his own future happiness so much depends and that of his family as well. May not we hope that our dear brethren in the ministry will soon see that it is their duty as well as their highest temporal interest to pay in annually their premium to this great heaven-born insurance company, the Board of Ministerial Relief, and let that premium go to swell the grand total of the Church's fund for distribution among the old and the needy of the families of our dear brethren who are just a little older than we, and by thus joining with the laity set them such an example as will train them and the rising generation to habits of systematic giving to this noble cause? And to this end we most heartily recommend—

1. That every minister in charge of a Church or Churches take a collection for this Board in obedience to this General Assembly; and that, instead of giving as an individual, he join with his church, and by putting in his money first, set them the example of giving. He in this way is sure to get something at every collection, and will thus place his Church on the roll of contributing churches, and his members will be largely influenced by his example and his liberality.

2. That every Presbytery in the Church keep a Standing Committee on Ministerial Relief; and that its chairman be urged to stir up each minister in charge of a Church, and each Church session without a minister, to send up something to the Board, so that each Church in the denomination can be enrolled as a contributing Church.

3. That great care be exercised by Presbyterial committees recommending beneficiaries to the Board for relief, so that none but the worthy may receive this sacred benefaction.

4. That as it is desirable and also a source of encouragement and inspiration to the Church at large to know the utmost extent of the Church's liberality and beneficence to this worthy enterprise, we recommend that beneficiaries of this Board, as far as consistent with the special wishes of the donors, report the amounts received by them to the General Assembly's Board, that that Presbytery or Church may have due credit for it, and that it enter into the general showing from the whole Church, with the assurance that it shall not be deducted from the small allowance

made by the Board unless these private benefactions seem more than sufficient, in the opinion of the Board, for the comfortable maintenance of the receiver.

5. That the Board be encouraged to interest our Sabbath schools and Christian Endeavor Societies in raising funds for this cause.

6. That the Board be instructed to call upon the women of the Church for such things as could be profitably used in the Thornton Home, and also for families that cannot go to the Thornton Home; and that such information be given through the Church papers and private correspondence as will prompt our noble women in their generous disposition to aid in this good work.

7. That all who may be disposed to make large gifts or bequests for the endowment of Thornton Home be encouraged to do so.

And finally, we congratulate the whole Church on having such a Board of Managers of so noble an enterprise, and such a man as the present Corresponding Secretary to execute and carry out their heaven-directed plans.

REPORTS OF SYNODICAL COMMITTEES.

The Committee on Minutes of Illinois Synod was read and adopted as follows :

Your Committee having carefully examined the Minutes of Illinois Synod find them in harmony with the standard of our Church, and very accurately recorded, with this exception: If it is the custom of the Synod to close the session of each day with prayer, the Clerk has failed to note the fact. On page 24 there is a petition to the General Assembly in the following words:

WHEREAS, The meetings of Presbyteries and Synods often bring together large audiences which become very greatly interested in missions and other causes, and many persons in such audiences would be glad of an opportunity to make a free-will offering, and some of whom will not be reached through the ordinary channels of our Church work, therefore,

Resolved, That our General Assembly be and is hereby petitioned to remove all restrictions as to public collections at these meetings, and thus allow the utmost freedom to those conducting them.

If such restrictions exist, we recommend their removal by the General Assembly.

A. H. MANLY, *Chairman.*

The Committee on Minutes of Pennsylvania Synod was read, adopted and is as follows :

Your Committee on the Minutes of Pennsylvania Synod would ask to report as follows:

We have examined the Minutes of said Synod for the year 1893, and find them in good order and no departure from the government of our Church, except on page 28 we find the following resolution in which is a censure that we think is without constitutional authority:

Resolved, That the roll be called immediately preceding final adjourn-

ment, and that all unexcused absentees be placed under the censure of the Synod, and their names so published in the Minutes, and that their respective Presbyteries be notified by the Synod's Clerk of this delinquency.

W. H. C. SANDIDGE, *Chairman*.

NO MINUTES TO HAND.

The following Synodical Committees reported that no Minutes had come to hand: Arkansas, Alabama, Indiana, Iowa, Texas.

MINUTES IN GOOD ORDER.

The following Synodical Committee reported that the Minutes from the following Synods were in good order: Kansas, Kentucky, Mississippi, Missouri, Ohio, Oregon, Pacific, and Tennessee.

REPORT OF THE COMMITTEE ON SABBATH OBSERVANCE.

The Committee on Sabbath Observance submitted the following report, which was amended and adopted:

Your Committee on Sabbath Observance would respectfully submit the following report:

We rejoice that during the last year the Church and the lovers of our American institutions, and especially of our holy Sabbath, have gained a victory in their struggles to maintain these institutions over rapacity of greed, the advocates of the Continental Sunday, and over those who have for years striven to force the Church back to the observance of the old Jewish Sabbath. While the gates of the World's Great Exposition were not literally closed on Sunday, on technical grounds, yet the efforts to secularize the day were practically a failure. We rejoice to know that the world was made to see and feel that we regarded and revered God's holy Sabbath. We feel that much good was accomplished by this great effort to mark the sacredness of this day.

If the oft-repeated deliverances of this General Assembly, and especially that one of the last year, could be sufficiently emphasized and impressed upon the minds and hearts of our people there would be little left for us to do at this time.

We recognize the fact that it is not resolutions and reports of committees that is to accomplish the reform that is still needed, but the earnest, active work on the part of our ministers and officers of the Church. Likewise, our Sabbath-school superintendents and teachers should strive to lift up the standard of Christian life.

We should begin in the dawn of this life to educate the young to a higher appreciation of the value and sacredness of our Holy Sabbath. It must also be felt and appreciated in the home life. We cannot as parents and teachers be too careful of our own personal example before the young. Solomon says, "Train up a child in the way he should go and when he is old he will not depart from it." To this end we need line upon line and precept upon precept. With profound regret we note that in many of

the States, and especially in the West, there is no legal restraint thrown around this Divinely appointed institution, and in some of those that have had such legal protection, it is being withdrawn and the tendency is to abolish the Sabbath as a day of worship and degrade it to a common holiday for recreation and amusement. We can but regard these encroachments upon our sacred institutions as a cause of serious alarm. The enemies of our holy Christianity have been free to acknowledge their inability to overturn our Christian system so long as we hold intact and regard with reverence our Christian Sabbath. When we as a Church cease to zealously defend and protect our holy Sabbath we have lost the sheet anchor of all moral reform. Against this we should raise our solemn remonstrance.

Open the doors of the saloons and the gates to the baseball grounds and the race tracks on Sunday and remove the odium and sin of attending such places on the Sabbath, and we have lost, in a great measure, our hold upon the young people of the land, and so blight the hope of the Church. Therefore,

Resolved, That we as a Church place ourselves in line and in the front rank with all evangelical Churches to strenuously resist any and all encroachments upon the sacredness of our holy Sabbath; and that we discourage, in every way possible, everything that tends to militate against it, such as railroad traffic and travel, excursions, boat rides or buggy rides for mere amusement and pleasure, all unnecessary visiting, the buying and reading of the Sunday newspaper. More especially would we discourage the patronage of all business houses that are open on this day to invite our trade, except so far as is necessary to maintain health.

Resolved, That you urge all of your ministers to preach a sermon, at least once a year, upon Sabbath observance and set forth the evidence of the Divine authority of the change from the old Jewish Sabbath to the Christian Sabbath, thus signaling the greatest and most hallowed day in the history of Redemption—the resurrection of Jesus Christ from the dead. God has blessed this day all along down the ages, thus impressing the people with a sense of the authority and sacredness of this holy day, with all its blessed associations and uplifting power.

REPORT OF THE COMMITTEE ON OVERTURES (No. 8).

The Committee on Overtures made the following report (No. 8) of the vote by the Presbyteries on the Constitutional Amendments submitted by the last General Assembly:

The report of the Stated Clerk of the General Assembly concerning the change of the Constitution of the Church relative to the election of women to the offices of Ruling Elder and Deacon, together with the vote of the Presbyteries upon the same, has been submitted to us. Upon examination of said papers we find that the proposition for the change has been lost, the vote standing as follows: For the first amendment, 15; for the second amendment 33; against any change, 56. Presbyteries not voting, 22.

W. T. FERGUSON, *Chairman*.

REPORT OF STANDING COMMITTEE ON SYSTEMATIC BENEFICENCE.

The Standing Committee on Systematic Beneficence submitted the following report, which was adopted :

Your Committee have had before us the communication from New Lebanon Presbytery with reference to Systematic Beneficence. We regret very much the condition which made it necessary to discharge the Permanent Committee on Systematic Beneficence.

Very early in the history of the Church a systematic plan was enjoined for making offerings unto the Lord. During the "old dispensation" the Jewish Church was required to give one-tenth of their annual income. When this was obeyed the Lord prospered the Church, when it was disregarded the Church was charged with having "robbed God in tithes and offerings."

Systematic Beneficence was also enjoined under the "new dispensation." Paul directs the Galatians and Corinthians to make "weekly offerings." This concise, yet comprehensive, plan contains principles of universal adoption. The advantage of such a plan cannot help but result in a larger number of contributors, diminish expenses of benevolent societies, secure amounts equal to the ability of donors, elevate the standard of Christian benevolence and harmonize Christian character with the doctrine of the Bible.

We recommend, therefore, the appointment of a Permanent Committee on Systematic Beneficence consisting of five persons—three ministers and two laymen, viz: Rev. Chas. Manton, Paris, Tex., President; Rev. W. B. Preston, Denison, Tex., Secretary; Elder T. J. Record, Paris, Tex., Treasurer; Rev. S. M. Templeton, Clarksville, Tex.; Elder Eli Smith, Whitewright, Tex., whose duty shall be to disseminate knowledge and create sentiment on the subject of Systematic Beneficence.

This committee shall be located at Paris, Tex., and shall formulate its own constitution and shall make Annual Reports to the General Assembly.

We recommend that you now receive offerings for the work of the committee during its first year, and that this committee be limited to an expenditure of one hundred dollars for the first year.

Respectfully submitted,

J. W. LAUGHLIN, *Chairman.*

REPORT OF STANDING COMMITTEE ON CHRISTIAN ENDEAVOR WORK.

The Standing Committee on Christian Endeavor Work submitted a report, which was adopted as follows :

Your Standing Committee on Christian Endeavor have had before them the very comprehensive report of your Christian Endeavor Bureau of Information and Statistics, appointed one year ago, which report we believe reflects great credit upon its compilers, and we are persuaded that energetic, persistent effort has been put forth in providing for our consideration its facts, suggestions, and recommendations.

I. STATISTICS.—It is a matter of deep regret that the systematic and persistent efforts of the Bureau did not result in eliciting a fuller reply from the societies of the denomination; and your committee insist that the imperative importance of gleaning full statistics the coming year should be realized, and an effort to do so be seconded by all pastors and officers of the local churches. Statistics gained so far show that there are 622 Cumberland Presbyterian Societies, 336 of which have reported a membership of 12,859, while the estimated membership for the 622 societies can safely be placed at about 20,000. An offering of about \$500 was made on anniversary day, Feb. 4th, to the Chicago lot fund, about 60 societies being represented in the contribution. We consider this success in our first Christian Endeavor special offering prophetic of far larger sums to be raised for special enterprises yet to be designated.

II. SUGGESTIONS.—First, your committee apprehend that there is still some doubt in the minds of a part of our Cumberland Presbyterian constituency as to the relationship of the society of the Christian Endeavor to the local Church. Therefore we would herein emphasize the fact that each local Christian Endeavor organization is the child of the Church, and must ever be under the control of the Church sessions and subordinate to the authority of the Church.

Second, It is also desirable that the aim of the Y. P. S. C. E. to build Christian character and develop spiritual life be not misunderstood, underrated, or disregarded. While the social feature of Christian Endeavor is prominent, it is not paramount.

III. RECOMMENDATIONS.—We recommend, 1. That Ruling Elder A. E. Turner, Lincoln, Ill., Dr. W. J. Darby, and Ruling Elder J. C. McClurkin, Evansville, Ind., the Bureau of Information and Statistics appointed by the General Assembly last year, become the General Assembly's Permanent Committee on Christian Endeavor, and that the first named be the chairman, the second the General Secretary of Christian Endeavor, and the last named treasurer, and that the following persons become Synodical corresponding members of the committee, namely:

Synod of Alabama—J. S. Bridges, Jr., Selma, Ala.

Synod of Arkansas—Ruling Elder J. H. Ganner, Russellville, Ark.

Synod of Illinois—Rev. E. M. Johnson, Mattoon, Ill.

Synod of Indiana—Rev. C. B. Wellborn, Evansville, Ind.

Synod of Iowa—Rev. J. W. Henderson, Nevada, Iowa.

Synod of Kansas—Ruling Elder A. R. Taylor, Emporia, Kan.

Synod of Kentucky—Rev. J. L. Robinson, Henderson, Ky.

Synod of Mississippi—Rev. A. N. Eshman, Oxford, Miss.

Synod of Missouri—Rev. S. T. Divinia, St. Joseph, Mo.

Synod of Ohio—Rev. J. G. Miller, Centerburg, O.

Synod of Oregon—Rev. E. E. Thompson, Woodburn, Ore.

Synod of Pacific—Rev. E. L. B. McClelland, ———, ———.

Synod of Pennsylvania—Rev. L. W. Lewellen, Wattersburg, Pa.

Synod of Tennessee—Rev. W. T. Rodgers, Nashville, Tenn.

Synod of Texas—Luther Johnson, Corsicana, Texas.

2. That since it is not to be expected that the secretary can afford to devote himself without salary, and since competent help will be needed he may provide himself with a necessary assistant, who shall be paid from free-will offerings made by the Christian Endeavor societies of the denomination.

3. That there be no levying of assessments by the General Assembly's Committee, Presbyterian or Synodical unions, but that voluntary offerings alone be depended upon for the funds needful in conducting the Christian Endeavor work of our Church.

4. That there should be conference between the several Boards of the Church and the General Assembly's Committee before the societies are asked to make a contribution, thus avoiding confusion of interests.

5. That the committee shall appoint annually some one to deliver an address before the General Assembly on Christian Endeavor work.

6. That strictly denominational societies be formed; and the fact of a few persons from other churches, associated with a Cumberland Presbyterian majority, does not call for the conciliatory policy of a union organization.

7. That a Christian Endeavor Reading Course be provided for our young people, looking to their instruction in the history and doctrines of our Church, and training them to appreciate and support our general enterprises.

8. That for the current year you indorse the reading course outlined by the Bureau in their report to this General Assembly.

9. That you adopt the regulations offered by the Bureau and intended to govern Cumberland Presbyterian Christian Endeavor societies in their work.

10. That the expense bill, amounting to \$64.50 incurred in the prosecution of the work by the Bureau last year, be paid from funds of the General Assembly.

11. That the report of the Bureau of Information and Statistics be printed in the Minutes of the General Assembly. R. W. LEWIS, *Ch'm.*

REPORT OF THE COMMITTEE ON OVERTURES (No. 9).

The Committee on Overtures submitted report No. 9, which was adopted, and is as follows:

Your committee have had before them a statement from F. M. Moore and T. B. Findley, Commissioners to this General Assembly, to the effect that Kansas Presbytery memorialized the General Assembly to change the Synodical lines between Kansas Synod and Missouri Synod so as to correspond with the boundary lines between the States of Kansas and Missouri. Your committee would report that no such memorial has come before it, but from facts gathered by the committee we are satisfied that the same was made. We recommend that the petition be granted.

W. T. FERGUSON, *Chairman.*

APPENDIX.

APPENDIX.

I.—MISSIONS AND CHURCH ERECTION.

ANNUAL REPORT OF THE CUMBERLAND PRESBYTERIAN BOARD OF MISSIONS AND CHURCH ERECTION.

Submitted to the General Assembly of the Cumberland Presbyterian Church, convened at Eugene, Oregon, May, 1894.

FATHERS AND BRETHREN:—Under the blessings of a kind Providence we are permitted to submit the following report:

The location of our missionaries in Japan is as follows: Osaka—Rev. and Mrs. G. W. Van Horn, Rev. and Mrs. A. D. Hail, Miss Agnes Morgan, Miss Jennie Freeland and Miss Ella Gardner. Kobe—Rev. and Mrs. G. G. Hudson. Wakayama—Rev. and Mrs. A. D. Hail. Tanabe—Miss Julia Leavitt. Mrs. A. M. Drennan, Miss Rena Rezner and Miss May Morgan are, at the advice of their physician, in America. Our force in Japan has been further depleted during the year by the marriage of Miss Bettie Duffield to Mr. Frank Mueller, of the Young Men's Christian Association.

THE CHURCHES.

The Airene Church, located at Hikata, has a membership of 25. Missionary in charge, Rev. G. G. Hudson.

The Church at Yakkai-ichi has a membership of 31. The average attendance in Sunday-school is 14. Missionary in charge, Rev. G. G. Hudson.

East Osaka Church has a membership of 56. Average attendance at Sunday school, 46. Five weekly meetings, one missionary point. Evangelist in charge, Mr. Oguchi. Missionary, Mrs. A. D. Hail, in charge of Woman's Work. Miss Freeland, after a year's residence in Japan, renders valuable assistance here.

Tanabe Church has a membership of 54. Average attendance at Sunday-school, 19. Two weekly meetings. Missionary in charge, Miss Leavitt.

Adjikawa Mission Point has a membership of four. Average attendance at Sunday-school, 20. Three weekly meetings. Evangelist in

charge, Mr. K. Nishiyama. Missionaries, Rev. and Mrs. G. W. Van Horn. Osaka West Church has a membership of 149. Average attendance at Sunday-school, 33. Four weekly meetings. Pastor installed, Rev. S. Baba. Missionaries, Mrs. A. D. Hail and Miss Agnes Morgan.

Work was opened in the Province of Izumi, at Kaizuka, population 5,000, and Shindachi, population 4,000. Also in the Province of Kii, at Kokawa, 3,000, last March. This work has been kept up by monthly visits. In Kaizuka and Shindachi there are no Christians. In Kokawa there are three believers, and it is the intention as soon as possible to locate a native evangelist there. A number of villages centered together under the name of Nagataki, in Izumi, has been visited on our tours. At all these places our meetings are well attended and good attention is given to the preaching of the Word.

Two Churches, the Ai-ichi of Nagoya and Fukugawa, of Loko, were, upon application from themselves, by their respective Presbyteries, united with their nearest neighboring Churches. The financial and spiritual advantages of such an arrangement are very great. It does not reduce the working forces of these Churches, but opens more stable channels of usefulness and efficiency.

In connection with our work there are at present three ordained native ministers, of whom one is an installed pastor; five licentiates; three lay evangelists in charge of work; five Bible women, and three theological students pursuing the four years' vernacular course in theological schools. Total of Japanese co-laborers, nineteen. These have been earnest laborers, and merit the prayers, sympathy and confidence of all.

The Churches have suffered much from absenteeism. Almost every congregation has a larger non-resident than resident membership. On this account it has been very difficult to give accurate annual statistics, which would give a very complete and reliable report of the actual condition of things. The larger proportion of those absent still maintain their Christian life, and oftentimes appear in unexpected places as "lights" still burning. In several instances such have become centers of work with encouraging hopes of success. Several of the Churches which have been revising their rolls have this year dropped a number of names, so that their reports show a net loss for the year. The largest center of membership is in the City of Osaka, where the number foots up about 250. Wakayama is the second center, and numbers with the neighboring Hikata and Naza Churches about 120.

As a mission, also, we contribute our prorata of both men and means to the united work in which we are engaged in common with the missions of the other Presbyterian bodies. We have, of this work, in the bounds of our (Naniwa) Presbytery three such fields. One is Okayama, in Okayama-Ken. This is in charge of Rev. Mr. Ishida, former pastor of the Wakayama Church. This work suffered severely by the floods of last summer, the missionary in charge having lost all of his household goods by it. Gifu, the capital of Gifu-Ken, was opened immediately after the earthquake. This place suffered from that calamity more severely than any other. The work is in charge of an ordained minister, and already has a membership of twelve, mostly from the ranks of the more solid citizens of the place.

The present enrolled number, aside from the two churches which were organized but now in other fields than our own, after the revision of the rolls to date, is 617. Moneys contributed by the Churches in our field, yen 740.11. Baptisms, 49. The field covered by the mission work is a large one, and on account of the small number of missionaries composing the mission, it cannot be worked with that degree of thoroughness which its interests demand. The mission, therefore, passed a resolution at its last meeting to the effect that it is deemed advisable to gradually establish two more stations, one in Wakayama-Ken, and one in Mie-Ken. This of course will require a gradual reinforcement for several years of one or more families, and young ladies to accomplish it.

MEXICO.

Our Missionaries in Mexico are located as follows: Guanajuato, Rev. and Mrs. F. P. Lawyer and two children; Aguascalientes, Rev. and Mrs. H. M. Sharp; La Luz, Miss Mary C. Harris. Rev. and Mrs. F. P. Lawyer and Miss Harris, who were at home last year for rest and health, have returned. Miss Harris is now in charge of our school at La Luz, and reports encouraging progress in the work. Rev. and Mrs. F. P. Lawyer are doing good work at Guanajuato. The force in Mexico has been increased this year by Rev. H. M. Sharp and wife, who entered the field November, 1893. Mexico is an open and needy field: but, as in Japan, we have not been permitted to see great work accomplished because of the lack of laborers. May the Lord lay upon the hearts of many of our young men and women the opportunity this field presents for missionary work.

It is the purpose and the desire of the Board, as soon as our force in Japan and Mexico can be reinforced, to open mission points in new fields, believing that the Church will rally to the support of the Board in such an undertaking. We are earnestly praying that the conditions may quickly favor such a movement.

OUR CHURCHES IN MEXICO.

GUANAJUATO.

In this point there has been a slow but steady growth in all departments of the work, with a general increase in attendance and interest. With two preaching services on Sabbath, Sunday-school and Christian Endeavor meeting, the day is well taken up. The average attendance ranges from 12 to 15 persons during the day. The Wednesday evening prayer-meetings are better attended, due to the fact that there is no service held at that hour at the M. E. Mission. At our second quarterly communion service, April 1st, three persons were baptized and received as members, while another was reclaimed, having been expelled from the other mission some two years before, for falling into bad company. This increased the active membership of our Christian Endeavor Society to eight persons, and the membership of the congregation correspondingly, all of whom promptly take part in the meetings, and are very regular in their attendance. Four or five others wish to be received but their Christian experience and knowledge hardly entitles them to membership yet. We are planning for a more complete organization of the Sunday-school, and a more systematic effort to enlarge the work and extend our influence in the city. A marked spiritual growth and deeper work of grace in the hearts of the members is another encouraging feature of the year's work.

SAN PEDRO.

The school work has gone on in spite of the combined opposition of the curate priest and those in charge of the mines. The enrollment and daily attendance is a trifle smaller than a year ago. The attendance at Sabbath-school and services held twice a week has increased some during the year. Owing to the consecrated efforts of the teachers, who are natives, some of the larger scholars are asking to become members, and will be received as soon as it is clearly evident that they have experienced regeneration from sin. As the population is wholly of the mining class and sadly given to drunkenness, we have not received any adults yet, but are waiting until they have grace enough to conquer the lusts of the flesh and live soberly. The main prospects in the work at this point lie in the training, conversion and salvation of the school children, as is largely the case throughout Mexico.

LA LUZ.

Since the girls' school under the Woman's Board in this place was begun last July, by Miss Harris, there has been new interest and increased at-

tendance in our services. Sabbath-school, and from one to three services a week are held; an attendance of 10 to 30 persons at each service, where the seed is sown. Some of the boarding pupils have asked to be received as members, but their limited knowledge and experience of the things pertaining to salvation, cause us to regard their reception as hardly expedient for a while yet, at least. There are 27 names enrolled, against 24 last year. The school year corresponds with the calendar year in this country. Besides the wholesome instruction received by the children, the school is breaking down prejudice grounded on ignorance and superstition, thus opening the way for the gospel in minds and hearts hitherto sealed against the truth. The time is now ripe for a school in Aguascalientes, and such an enterprise would materially aid our cause in the city of Guanajuato at present.

But the greatest need of the work is more men to open up new fields, to help form a Presbytery, to help publish an organ of our Church in Spanish, and to carry forward the work on a larger scale. It would give our cause a new impetus in Guanajuato to have our own house of worship. The M. E. Church now owns nearly \$20,000 worth of property in this city alone.

When will our Church enable us to buy property in Guanajuato? Finally we still continue free instruction in English, but we are not satisfied with the results, and are thinking of abandoning it entirely or confining it to persons who are willing to attend our services. Thus far only two of more than a hundred pupils received in the English classes have been converted. This work cannot be kept up much longer without the aid of a native helper, and the general work looked after and enlarged as it should be. Altogether the work grows more hopeful, permanent and extensive with each succeeding year of effort. Our hearts long to see our beloved Church taking a more prominent part in the evangelization of this needy people. May God help us all to pray and give more for this work.

INDIAN MISSIONS.

We are unable to report any aggressive movements in our Indian Missions. Our only real missionary work is being done among the Choctaws. Rev. A. B. Johnson, and Rev. Martin Charleston, a full-blood Choctaw, are employed as missionaries, and give the whole time of their work among the Full-Bloods. We call your special attention to an offering of \$4.28 per member for Home Missions, by the Stringtown Congregation, Choctaw Presbytery, Rev. A. B. Johnson, Pastor. Through the suggestion of Rev. J. H. Dickerson we have had deeded to your Board unconditionally a school building at Kiowa, I. T., Mrs. Martha Thompson generously donating the same to the Board. This is a building with two rooms, equipped with blackboards, charts and desks for 75 pupils. The school is self-supporting, and a young man and his wife, whom we hope to name, can do good work for these people at this place.

CITY MISSIONS.

We have twenty-two City Missions located in the following cities, and supplied as indicated: Abilene, Tex., Rev. F. E. Leech; Bessemer, Ala., supplied; Chariton, Iowa, Rev. J. W. Henderson; Charleroi, Pa., Rev. U. L. Montgomery; Colorado, Tex., ———; Denison, Tex., Rev. W. B. Preston; Fort Scott, Kan., ———; Fort Smith, Ark., Rev. S. H. McElvain; Garden City, Kan., Rev. J. C. Moore; Henderson, Ky., Rev. J. L. Robinson; Louisville, Ky., Rev. J. A. McKamy; Pueblo, Colo., ———; Salem, Ore., Rev. J. C. Templeton; San Diego, Cal., ———; San Francisco, Cal., Rev. J. P. Dickson; Scott City, Kan., Rev. W. A. Boone; Sheffield, Ala., supplied; Springfield, Ill., Rev. P. R. Danley, D.D.; St. Joseph, Mo., Rev. J. H. Norman; Texarkana, Tex., Rev. W. J. Lackey; Topeka, Kan., ———; Wellington, Kan., Rev. J. W. Foose.

Meridian, Miss., Vincennes, Ind., and Tyler, Tex., became self-sustaining during the last year. Many pressing demands have been made upon

your Board to enter new and inviting fields in city work during the year, but the lack of funds has prevented any forward movement whatever. On the contrary we are compelled to report a deficit in Home Mission Funds to the amount of several thousand dollars. (See Financial Exhibit.)

The Colorado Fund, which came into our hands a few years ago by the sale of property at Colorado Springs has been entirely absorbed in our efforts to maintain the present missionary force in the field. The request from the Assembly of '93 to refund this money to Colorado Springs has so embarrassed us that it has not been possible to consider any new fields, nor will it be until a surplus shall have been gathered sufficient to meet this unexpected draft upon our resources. At the time this fund was invested the Board believed that offerings from the Church would be so increased by the time the fund should be needed for Colorado Springs that the Board could refund the money without loss to any of its work in other places. It has not been possible during the year for the Board to reinvest this money at Colorado Springs without suffering great loss in other important fields. It is the desire and the intention, however, of the Board to comply with this recommendation as soon as it is possible to do so.

SYNODICAL MISSIONS.

Synodical Missionaries have been appointed in several States who have done splendid work during the year. Besides Rev. B. T. Watson, Princeton, Ky.; Rev. J. S. Weaver, West Point, Miss.; Rev. E. M. Johnson, Mattoon, Ill.; Rev. J. R. Walker, San Jose, Cal.; Rev. C. A. Woolley, Eugene, Oregon; Rev. T. N. Williams, Bonham, Texas; we desire to call special attention to the work done by Revs. Taylor Bernard and M. B. Irvine, of Missouri; Revs. H. S. Williams, W. C. Logan, A. H. Stephens and W. J. Caldwell, of Chicago; Rev. A. W. Hawkins, of Decatur, Ill.; Rev. T. A. Cowan, of San Francisco, Cal.

So far the Synodical work has been in perfect harmony with the general work of the Board. It is not the intention that "special objects" shall lessen the contributions from the Churches to the general enterprises, and yet it is possible that such may be the case. In view of such contingencies, we ask you to carefully consider any possible conflict between these two interests.

CHURCH ERECTION.

We lament a great falling off in offerings to this part of our work. Many congregations have made no offerings at all to this worthy enterprise. Many Elders and Laymen, whose notes we hold in sums of five, ten, twenty, fifty and one hundred dollars, pay no attention to notices from our Corresponding Secretary, or absolutely refuse to pay them when due. The generosity, self-sacrificing spirit and enterprise of your ministers in this work are clearly manifest, for much of the money in this fund has come to us from men who could ill spare the amount given. The Church cannot afford to be indifferent to this work. Not a little part of our work as a denomination is the erection of Church houses, where men and women can pay their vows to God, and where Christian people may be instructed and developed in the fear of the Lord.

THE BOARD.

The year has not been as successful as we would like to have had it. The financial depression has affected every department of Church work as well as business interest throughout the country. Never perhaps in the whole history of the Church has the Board been subjected to such exigencies as during the year just closed. Many things have transpired to embarrass the work, and perhaps nothing has had a more depressing effect than the financial stringency through which the country has passed. But a kind Providence has been with us and with His assistance we have been enabled to keep our present force in the field. Only a few changes have occurred in our Board during the year. Rev. J. H. Miller, who

served so faithfully as Superintendent, and whose impress for good has been left upon the Church, felt constrained to retire, and is now pastor of our Church at Jackson Centre, Pa., where his interest in this work is constantly manifesting itself in liberal offerings to the work. Rev. J. W. Laughlin, Springfield, Mo., was elected to fill the office of Superintendent, and entered upon his duties March 1st, 1894. Mr. J. L. Secor, who has been a member of the Board for a number of years, and whose knowledge of the work made him a valuable counselor, retired and Rev. W. T. Ferguson, Petersburg, Ills., was elected to the vacancy. The Board now stand:

President—Rev. C. H. Bell, D.D.

Vice President—Rev. B. P. Fullerton.

Recording Secretary—Mr. I. H. Orr.

Treasurer—Mr. J. C. Cobb.

Auditor—Mr. H. P. Coulter, Mr. T. H. Perrin, Rev. W. T. Ferguson.

Superintendent—Rev. J. W. Laughlin.

Corresponding Secretary—W. J. Brasfield.

GENERAL REMARKS.

To fully accomplish the work which we have in view for the next year a wider diffusion of missionary intelligence is necessary. The lack of information with reference to missionary work and field is an open secret, as a result the Church has never been stirred to its depths with interest.

A limited visitation among the Churches by the Superintendent reveals a great lack of interest on the part of many of our ministers on the subject of missions. A very great indifference prevails with reference to the recommendations of the General Assembly. Many do not take their offerings in periods allotted by the General Assembly to the different enterprises of the Church, and many do not use the envelopes or any other systematic way of taking offerings. As a result we have not been able to command a financial support of the Church, and have suffered greatly for want of funds.

We note with pleasure the rise of missionary enthusiasm and interest among the young people of the Church. The Students' Volunteer Movement has had a wholesome effect upon the youth of our colleges and seminaries. There are now at least 50 young men and women in our denomination pledged to the Foreign field. They will be knocking at the door for admission to the work within a very few years. We counsel that in view of this you prepare for larger things in the Master's work.

We desire to give greater emphasis to the *Missionary Record* during the coming year. As this is the only missionary publication in our Church we earnestly ask the co-operation, the sympathy and substantial support of all our pastors and elders in the circulation of this magazine. The painstaking work done by Rev. J. V. Stephens in preparing tracts for distribution, and of Rev. J. G. Patton in preparing suggestive programme, have been highly appreciated by your Board. We hope that the seed sown by these *brochures* will result in larger offerings and greater consecration on the part of the entire Church for this, the greatest enterprise of the century.

RECOMMENDATIONS.

1. We recommend that you urge upon ministers and laymen the necessity of increasing the circulation of the *Missionary Record* among our people.

2. That Presbyteries and Synods hold Missionary Rallies at each of their meetings.

3. That you once more ask of the ministers and clerks of the session that they adopt some systematic way of taking offerings for Missions and Church Erection.

4. That you appoint the first Sabbath in September as a day of prayer for the special blessing of God upon our Church in its efforts to carry out the great command, "Go ye into all the world and disciple every creature."

FOURTEENTH ANNUAL REPORT OF WOMAN'S BOARD.

HOME DEPARTMENT.

"And I if I be lifted up will draw all men unto me." The magnetic power of a crucified Christ has drawn us hither to-day, and here we would learn how to lift the cross still higher and show all men our Redeemer. We would not have it set down in a valley, hemmed in from the gaze of the world and be satisfied because we, our friends, our neighbors and our countrymen could see and worship; but rather we would place it on a mountain height where it would dazzle in the blaze of noon and catch the last lingering rays of day, so that "from the rising of the sun to the going down of the same," all men should be attracted to the crucified One, and led to fall at his feet with the adoring exclamation, "My Lord and my God!"

What is our record for the year just ending in planting this where others may "look and live?" It has been a year of great struggle and many changes, but our Father has been gracious unto us, and though we cannot report great things accomplished, yet as each year rolls on it tells

of advance in all our mission work, still regretting an advance not at all equal to what it should be.

However, we feel that the good has so far transcended what may have been unsatisfactory, and we are met with hearts throbbing with a much deeper interest in our work for which we were organized, and with love for each other; for we come together not as acquaintances or strangers, but as fellow-workers in our Lord's vineyard, eager to know how the work has progressed both at home and abroad.

OFFICIAL CHANGES.

In our Board greater changes have occurred than in any year in the history of the work. As the old year of '93 was closing up its record, so too, in the home where the thought germ of our Board was instituted, the beautiful life of one of our dear mothers and charter members was closing its well-spent record. Last December we wrote from sad hearts and amid falling tears, after the name of Mrs. Sarah F. Nisbet, "Entered into rest." Memory is busy with her earth life, and faith beholds her present blessedness and still prospective fullness of glory, as we think of her to-day.

At the annual election of officers, Mrs. H. B. Wood resigned membership of the Board, and Miss Frances Maghee was appointed to fill the vacancy. Mrs. Castlen, who for years had with untiring zeal and patient love for the work, filled the office of Recording Secretary, resigned, and Miss Maghee was chosen to be this office-bearer.

In January last the Board accepted the resignation of Miss Anna L. Forsythe, who for nine years had been an officer of the Board, and had for twenty-two months of this time served as Corresponding Secretary and Treasurer. Miss Leila Hollingsworth was appointed to fill this office. Appreciating the wise counsel, sound judgment, earnest sympathy and deep love for the work of missions which our first worthy President, Mrs. R. B. Ruston, entertained for the work after her return from a year's absence in Kansas, she was reinstated as President emeritus.

In the ranks of the Synodical Officers we find some changes made by resignation. Mrs. I. H. Goodnight, of Franklin, Ky.; Mrs. Chas. Harman, Lee, Ohio; Mrs. Minerva Taylor, Emporia, Kan.; Mrs. Jennie B. Gates, Logansport, Ind.; Mrs. George R. Hill, Oxford, Miss., and Mrs. Emma McDonald, Union City, Tenn., have accepted the Synodical office in their respective Synods.

Presbyterial organization has been more systematically done and thoroughly carried forward than in any previous year, though the organization of Presbyterial societies has been limited in number. There have been a few changes in our Presbyterial force by removal to other fields of work, but new officers were promptly inducted and the work pushed on. Presbyterial organization has not been advanced as it should have been. In two Synods the officers have been zealous to see perfect organization of said societies in their bounds, as far as it was practicable to the work and workers.

Our Synodical and Presbyterial officers have come in closer contact with the workers this past year by freer correspondence and more frequent visits. In almost every instance statements have been made that the Synodical and Presbyterial meetings have been most successful; that the women have more enlarged conceptions of the work, earnest desire to promote it and better methods of working.

Our system of reporting to headquarters by Synodical and Presbyterial officers has grown in each quarter in greater completeness. Reports are full, prompt and in most cases, correct. This facilitates work and saves time in the office department of our Board, and we trust all the new officers will fall into line to make our system of reporting a unit in completeness.

The co-operation of all our officers during the past year is worthy of proud commendation. It is through the loving-spirit of their united efforts that our work in a great measure has reached its highest success.

AUXILIARIES.

The local societies are our essential units of strength and power, and upon their activity or apathy depends the success or failure of the parent body. We report this year the formation of one hundred and sixteen societies, of which, thirty-seven are Young Ladies and Children's Bands. Our ranks are increasing, but not in such ratio as we desire. While our number of auxiliaries may not rise to our expectations, yet we are encouraged to note a marked advance in methods of working, in willingness of members to take part in meetings, and in case of some, an earnest determination to overcome all obstacles. Too many of our societies live in union and sympathy with other societies of our Church, thus not perfectly organized for mission work, difficulties face them; they grow discouraged by the way, and soon the missionary power of the Church has resulted in the report of "our missionary society is dead."

Not only an indifference to the claims of missions, but a vacant pastorate, loss of active leaders by death, removal of membership, are hindrances that have greatly impeded our work. As "the Lord giveth the word, let that the women publish the tidings," be a greater host in the coming year than in the past, not to falter on the march when the way seemed hedged, but to press on to greater works in His name.

Our young people and children seem in some respects to have fallen behind the record of the previous year. Reports of new organizations in this department of our work have been slow. Less general report has been made to the Board of Children's Work this year than we had hoped for. The auxiliaries should have an oversight and care of our Bands to encourage and strengthen to a greater extent than they do. We need *leaders* for the children.

Are there not some among our ranks who have desired to give themselves to foreign work, but whose way has been closed that they could not enter this part of the Master's vineyard, and yet who are not able to determine *the* work He would have them to do? These could greatly forward the Lord's cause by giving themselves to the grand work of enlisting the children.

We cannot estimate the possibilities that lie undeveloped in the bright lives of the members of the Mission Bands. Out of this line of workers we expect our future missionaries and the generous helpers in the work, if they are only trained to proper ideas of missionary work and its duties.

The Junior Christian Endeavor Societies have depleted the forces of our Bands. A few of these have merged into that society and in some congregations, a preference is made for Junior Endeavor work instead of Band work. As we organized to promote the evangelization of the world, our work has a special claim upon us, whether old or young, we must not ignore it or set other duties in its place.

The General Assembly, at its meeting last year, withdrew from our care and contributing forces the Senior Y. P. S. C. E. and authorized the Junior C. E. to be taken under our control. While we would not discourage Junior Endeavor, we would not encourage its precedence of Children's Bands, unless controlled by a constitution to provide for systematic missionary work and monthly dues. We would urge our workers, old and young, to faithful continuance in the service that our constitution pledges us to follow.

Thank Offering meetings of our societies are yearly becoming a profitable and popular part of the work in our auxiliaries and bands. Many have been held this past year and have resulted in great good, having been esteemed a means of grace and privilege to all in attendance. Aside from these meetings, many individual free-will offerings have found their way into the treasury; three of these assuming the care of Bible students in Japan.

For the spread of the Gospel, gifts are needed large and small. Let us not withhold any good gift, ever mindful that "unto whomsoever much is given, of him much shall be required."

LITERATURE.

Seven new leaflets have been issued by our Board during this year. The Monthly Topic Leaflet has become so thoroughly identified with our work upon this year's trial that we feel it has come to stay. There are now listed one hundred and twenty-eight regular subscribers to these leaflets, to be sent each month. The number of copies for distribution have increased from 500 to 2,500. Still this is not sufficient circulation for such great helps as these for monthly meeting programmes. There is a general expression of approval wherever these leaflets have gone.

It is a proud and grateful pleasure to note the increasing sale of literature from our Board shelves and the demand for missionary information.

THE TREASURY.

This year has been one of uncertainties and alarms, not infrequently of depression in the minds of many of our faithful workers. The financial depression of our nation foretold weak treasuries in all departments of work, yet the women of our denomination have been brave and have worked nobly, so to many of our workers the year has ended with renewed confidence in the injunction, "All things work together for good to them that love God."

The receipts for the year ending April 15, 1894, were \$13,113.33. While the stream that flowed into the treasury was not a copious one, yet generally there was a steady flow, for notwithstanding our expenses for the year have been heavy, we have been able every month to meet them and have had a modest balance to meet any emergency.

We have equipped and sent out two missionaries this year, Miss Jennie Freeland and Miss Ella Gardner, Miss Leavitt returning with these young ladies after her rest of a year, to Japan. Miss Mary Harris, after months of sickness, returned to Mexico. Three of our missionaries from Japan have returned to the home land to rest. Mrs. Drennan, Miss May Morgan and Miss Rena Rezner.

Out of the treasury funds of the societies of several Synods the expenses of the delegates of the several Synods to the World's Conference of Missions, held in Chicago, were paid, lessening contributions of these societies to the general treasury.

The Missionary Fund created by Miss Leavitt, in some Presbyteries, for sending a missionary, cannot, without complication, be reported to the individual societies contributing, but will be reported as \$112.55 in the general treasury.

Not knowing the aggregate of this year's figures at this writing, I am unable to make comparison with other years, but I can say all, as workers together, have not paid their lawful interest to God on what he has entrusted to us. Let us see to it that all the tithes are in the storehouse and abundant blessings be ours in that year when we have paid what we owe.

FOREIGN WORK.

Our school work in Mexico has flatteringly pushed on into its second year. The Board has sent to the Mission for use in the school work here \$895.94; as directed offerings for education of girls, \$93.75.

We regret to report the school work in Indian Territory abandoned for the present by advice of Mrs. S. S. Phelps resigning last May.

The detailed report of foreign work will be given in Foreign Secretary's report on another page.

The work of Field Secretary was assumed by Miss Bell Day in October, Miss Mattie Mason having resigned. The Board have been well pleased with the painstaking and careful work of Miss Day during these months. Many recommendations and much encouragement has reached headquarters concerning the benefit of Field Secretary's visits in their congregations. We approve of her systematic methods of work and admire the

intelligent, earnest zeal that has characterized all her efforts. As to the results and success of her work, read the Field Secretary's report.

The delegates chosen by this convention last May as their representatives from the Board to the World's Conference of Missions, held in Chicago, desire to express their appreciation and gratitude for this most enviable and peculiar privilege. These were days of great profit and blessing. One of your delegates will report your work more at length than can be done in this report.

LIFE MEMBERSHIP.

We would add, in answer to many inquiries, that the money for the above may be a portion of the regular gifts (free will, thank offering or birthday), for a special object, or may go into the general treasury, the amount, \$30, being above the aggregate of dues.

Let me close this report, thanking you for your loving sympathy and earnest prayers and repeated God-speeds while serving as an office bearer among you. Your loving co-operation strengthened me for the many responsibilities of the work. I shall remain a co-laborer with you in the Lord's harvest field. May we continue faithful in service and go forward to the work of another year with glad and prayerful confidence that the Father will bless us if we think, watch and work, to labor diligently, pray unceasingly, give bountifully, love unselfishly and sacrifice cheerfully.

ANNA FORSYTHE FARR.

FOREIGN REPORT.

I am pleased to report that our Representatives in the foreign field are busily and faithfully at work. All reports show a healthy growth and prosperous development. The good work of our Master is becoming more and more established, many souls are being saved and brought into the fold of Christ. There have been temporary disturbances through the year which have hindered the work to some extent, but we know that great system of government of which the Lord Jesus Christ is in the center, will not fail to accomplish its majestic purpose. We have the unfailing promise that in the end every knee shall bow, and the kingdoms of the world will have become the kingdoms of our Lord.

JAPAN.

Most cheering news comes from the Sunrise Empire of the coming in of the kingdom of Christian civilization. At a recent Student Volunteer Convention, Dr. Knox, of Japan, said: "Within the next ten years missionaries will not be needed in that country; there are almost enough native Christians now to carry on the work. What encouragement and what an inspiration to think of Japan as partially Christianized! What remains to be done?" says he. "Is woman's work among women especially the establishing of Christian schools for girls?" Japan can never take the position of a civilized country until her women are elevated. There are importunate calls for women teachers and evangelists; Christianity is the only force that will lift woman out of her ignorance and degradation and make her exert such an influence in her home as do the women of Christian lands. The call, the opportunity and the responsibility are ours; we cannot afford to be indifferent.

TUSE ISE.

Mrs. Drennan, who for more than ten years has served this Board most faithfully and successfully, has been compelled to return to America for health and rest. It was hard for her to give up the work, but necessary in view of future usefulness.

Mrs. Drennan, as reported last year, has undertaken the support of several young girls; these have been cared for by the ladies in charge of training schools, and some will be ready for work by the time Mrs. Dren-

nan returns. Workers were left in her churches at Ise Ueno. Let me give you one instance of how her works do follow her: In the spring of 1883, her first pupils, two young men, were baptized; a third young man had become an applicant, but for some reason failed to present himself at the appointed time. Mrs. Drennan says; "His indescribably sad face as he saw the others baptized, deeply touched me." She afterward lost sight of him, and for years their lives drifted apart. Since her return to this country a letter was received from him, in which he told her of his feeling on that sad morning ten years ago. When the other young men were admitted to the church, he wrote her, how, by command and abuse, his father had prevented him; told of his struggle to give up Christianity in obedience to his father's will, and he had again entered the paths of sin; years of unhappiness had passed, and now he came to her once more to be led into the joy he once knew, asking for her prayers, pleading for words of hope and comfort. She writes: "I hope it may be my privilege some day to lead him to a forgiving Savior."

Mrs. Drennan speaks of many encouraging letters received from her workers and Bible women. One of these writes that she has had the joy of bringing her eldest son and his wife to Christ. Through the influence of this same woman the wife of the governor of a neighboring province has been converted. This governor with his converted wife has lately been sent by the government near where Mrs. Drennan works. She hopes, on her return, to open up work where they are stationed.

Mrs. Drennan also desires, on her return to open a Bible training school for female workers. I wrote Mrs. Drennan a few days ago to give me some report of the work done since her return to the home land. By way of "rest" she has visited twenty-one places in Missouri, Texas and Kentucky, spoken publicly thirty-eight times, held seven parlor meetings, assisted in organizing one Ladies' Society, and arranged for the organization of a Children's Band.

At the time of receiving this report, at least fifty calls were yet to be filled in different parts of the Church.

Many evidences of kindness and sympathy have been given Mrs. Drennan that have greatly cheered and comforted her heart. She says, "Not much bodily rest have I had, but great rest and blessing spiritually." Mrs. Drennan was accompanied home by O Yone San Hara, who for nine years has been her devoted helper. Let us hope and pray that Mrs. Drennan may be restored to health and permitted to return to her work in which she has been so faithful and successful.

TANABE.

Miss Leavitt, who was with us last year, has been doing evangelistic work at this point. She writes of many meetings, talks and incidents. Miss Gardner and Miss Freeland, both of whom were consecrated to the work during the past year and returned with Miss Leavitt, are pleasantly situated in Osaka. While expecting to take up evangelistic work the Board has noted with pleasure the promptness with which these young ladies took up the unexpected work which fell to them in Wilmina school. Both are teaching English branches, devoting some time each day to language study, and through interpreters doing some evangelistic work.

YOKKAICHI.

Miss Rena Renzer has been one of the number compelled to return home through failing health. She reports work in this field in a more promising condition than for years past—eleven baptisms for the year—meetings held in six places where no Christian work had been done. In all these it was desired that a teacher be sent them.

When returning home Miss Renzer left her magic lantern with one of her co-workers, Mr. Hayashi. This is what he writes her: "From May to December I have held sixty-three meetings in twenty two different places

before 2,937 people, with magic lantern, and believe great good has been done." Miss Rezner gives an extract from another letter, as coming to us as well as her: "You are in your own land, but won't you still remember our country, and although we are separated by waters wide and deep, by mountains lofty and towering, won't you still think of Japan, pray for us here, and ask the Christians at home to pray for us?" Miss Rezner presents the needs of the work in strong light, and hopes that many during this convention may be called to go out in His name. She was accompanied home by her native helper, Mrs. Tomiye Komai.

YAKAYAMA.

Miss Bettie Duffield, who last year reported ten branches of work, says the general work remains as last year. Bible classes show the same interest; one new class begun in September. This was organized in the home of a man who lately became a Christian; curiously enough this is the same man who rented a house to our first resident missionary, was the only man at that time willing to incur the contempt of his people by so doing. He and four of his children are Christians; his wife and one other child are now studying "the way;" two of his sons are teachers in the Doshisha school, one daughter has graduated from Wilmina school, another is in attendance there. The children's work class has grown until her largest room scarcely accommodates all; they easily dispose of all articles and have on hand a fund for benevolent purposes. The woman's class still continues to grow, and constantly takes up new work.

The main work is the charity school; it has grown so that many children are turned away each term for lack of room; many who have been in this school from its beginning are now well advanced in common school branches. They hope to be able to rent a building that will accommodate a larger number.

On the morning of December 20th, 1893, Miss Duffield was married before the English Consul in Kobe, to Mr. Frank Müller. By this marriage Miss Duffield terminates her connection with the Board, and we lose one of our best workers. She writes: "Though no longer under your Board, the work has my warmest sympathies, and as a Cumberland Presbyterian I shall be glad to help in any branch whenever I can." Mrs. Müller closed her report with these words: "May God's spirit rest continually upon our Church and Boards, and may the work be done as unto him, thereby gaining the richest blessings and the truest praise unto Him who hath loved us and washed us in his own blood."

OSAKA—WILMINA GIRLS' SCHOOL.

The Board has had an extra share of anxiety during the year in having to see Miss May Morgan retire from her position as principal of this school on account of sudden and dangerous threatenings to health. Miss Morgan was ordered by her physician to return home at once. She is now in California resting and recuperating. Miss Agnes Morgan assumed the duties of her sister, and has since been appointed principal by the Mission in Japan.

SCHOOL REPORT.

Pupils enrolled: boarders, 22; day pupils, 5. Average attendance: winter term, 21; spring term, 21; fall term, 19. Teachers: Japanese, 5; American, 2. Self-supporting pupils, 14; helped pupils, 13; members of the Church, 16; ready for baptism at close of year, 1; desirous of baptism, but refused consent by parents, 2; day pupils of Christian families, 2; day pupils of non-Christian families, 3; others, 3.

Since the beginning of this school there have been enrolled some 150 girls. During the year the attendance has been good. We notice particularly the number of Christian pupils. Most of them have entered the Church since coming into the school. I cannot give you a better under-

standing of the thoroughness of this school than by quoting an extract from a private letter not intended for this report :

"Our school was proved to be one of the best in Osaka last week. In honor of the Emperor's silver wedding all the Christian schools were requested to write poems, songs, and essays, and send to a committee who would select those suitable and have read at a meeting of the Christians at Y. M. C. A. Hall on the morning of the anniversary day. Our school being small, we did not expect more than two or three to be chosen, so were greatly surprised to have twelve honored, also to learn that no other school had so many. Patrons of other schools noted the difference in the girls' work. It has been good for the girls to see that earnest work done for the good that is in the doing, not expecting to get honor, yet is more sure to be worthy of honor."

MEXICO.

Miss Mary Harris, principal of the girls' school in La Luz, says our school opened the first Monday in July, 1893, with twenty-five pupils. While intended as a day school, Miss Harris feels that the greatest good could be accomplished by making this a boarding-school. If possible to get a sufficient number of scholarships they could easily build up one. She believes the hope of Mexico is in its boarding-schools for girls.

I noted at the Student Volunteer Convention, that this demand came from every country. The best speakers of India, China and Japan, placed great stress upon educating the girls, not only as a means of elevating them to our standard of womanhood, but by this means to control the coming generation. Let us give special heed to this call.

Miss Harris has taken several girls into her home and supports them by her own sacrifice—children of sin and some of drunken parents—and says already she hears many comments on the change in their appearance and manners.

This school embraces three departments, literary, music and drawing. After seven months' school work Miss Harris reports thirty-five enrolled pupils, with probably ten more not regular in attendance and the work most satisfactory. Six boarding pupils have requested baptism. She reports the religious outlook quite hopeful; she doubts not that in another century Protestant religion will prevail in Mexico.

Private letters to the Board from other sources in Mexico speak of Miss Harris as having won the good opinion of all, natives as well as Christians, and also of the many sacrifices she makes personally to be able to carry on the work.

IN MEMORIAM.

I deem it fitting that some mention of the death of Mrs. Nisbet be made in this report. She of all the members of the Board confined her work mostly to caring for and fitting out our foreign workers. The many loving words of remembrance and tenderness which have come since her death bear evidence that her works have become an inseparable part of the history of our foreign work.

An extract from Miss Duffield's letter says: "We all sympathize with the Board in the loss of dear Mrs. Nisbet. The loving thought which prompted her many kind acts, has awakened in many a heart a love for her. Her memory is a blessed one, not only to her children, but many others 'rise up and call her blessed.'"

Mrs. Hail writes: "She has done so much to endear herself to us, no one can ever know we had such a friend." Mrs. Nisbet left some bequest for her little daughter, Annie Nisbet Hail. In speaking of her gratitude for this, she says: "You can never know what a load this takes off us, in being able to give her the education we wished for. I hope she will be an honor to Mrs. Nisbet's memory. We have been gathering up the little things she has sent us from time to time, to lay them away more carefully, they all seem so sacred now. Many have been the luxuries and comforts

that we have enjoyed from time to time out here, which we never could have had except for her loving kindness, and many have been passed on to the sick and needy of this land. Think of the many things she has done for me, that I might have more time to devote to mission work, and I have conscientiously tried to do it, for her sake, as well as the dear Master's."

We are on the threshold of the greatest advances in the work of missions this world has ever known. It is our duty and our privilege as never before to press with fullness and prayerfulness the claims of the unevangelized world. Doors are opening like the iron gate before Peter in his midnight walk. Sunday-schools are coming forward with large armies of well-trained, systematic givers, councils of women are planning for the recovery of women throughout the world. By an enlargement of the agencies employed by the missionary societies of the day, the Gospel can and should be preached to every creature during this generation. The work in which we are engaged is not for small effort, but to span our generation. Let us do what we can. God will give the success, and the whole earth shall be full of His glory.

NOTES.

Miss Jennie Freeland, has lately donated \$150 to the Board to be used wherever most needed in the work.

The whole Cumberland Presbyterian Church, as well as this Board, should feel proud of these consecrated, wholesouled representatives, who are not only doing such a great work for the Master, but each of whom, is giving of her substance, as much as is possible, by the greatest sacrifice.

FIELD SECRETARY'S REPORT.

During five months, beginning in October and ending with March, the Field Secretary canvassed parts of three Synods—Pennsylvania, Ohio and Kentucky. Twenty-four hundred miles were traveled, and fifty congregations visited at an expense of eighty-six dollars. Sixty addresses were made in open meetings, and twenty meetings of women only were held. One hundred and fifty homes were visited. Fifteen societies that give some promise of permanency were organized, and five that may be classed as doubtful, and about one-hundred and fifty new names enrolled on our list of workers. During the same time nearly two hundred letters and postal cards were written in the interest of the work.

The work of organization presupposes material to be organized, and the success of an organizer depends primarily on the quantity of available material at disposal. This work of organizing Missionary Societies presupposes either an intelligent interest already existing in the subject of Missions, or an effort on the part of the organizer to create such an interest. The former condition not always prevailing, and the latter being oft-times

inexpedient because requiring so much time, the work of the Field Secretary has resolved itself into the organization of societies wherever practicable, and the quickening of missionary spirit everywhere by distribution of literature, by letters, by talks—"heart to heart talks with my sisters," and face to face talks with all who are willing to listen in our public meetings.

Invitations and earnest requests come to the Field Secretary from many and widely distant points to attend Presbyterial and Synodical meetings, Missionary rallies, Sunday-school and Christian Endeavor conventions; and other opportunities for thus presenting our work are constantly offered. It is, of course, impossible to honor many of these by acceptance, so but one Synodical and three Presbyterial meetings were attended.

Everywhere, as representative of the Woman's Board, the Field Secretary found cordial reception and respectful hearing—but not always hearty co-operation. The antagonistic pastors and people are few, however, and the uniform courtesy and kindness on the part of the ministry, the eager unflinching welcome from the women of the churches, and the general good attendance and earnest attention at the public meetings held, all prove that the time is over-ripe for such work as this is intended to be.

Encouragement too, has not been lacking. Assurances of increased or newly aroused interest in missions were received over and over again. More than once young men have come at the close of service for a hand clasp and a hearty "Where's the Secretary?" Put our names down as honorary members." Many questions were asked regarding the work and its methods.

From the experience gained and the observations made in these months, the Field Secretary concludes:

That the Woman's Board is doing a work not being attempted by any other agency in our Church. That there is a lamentable want of knowledge of Missions among our people. Ignorant of the meaning of this great work, of its aims, its scope, its origin, its history, what wonder that they fail to comprehend their own relation to it, or their responsibility for its accomplishment.

That there is a dearth of missionary literature in our homes. Even where well filled book shelves ornament the walls, and paper racks are crowded, one looks in vain for well selected books on this subject, or for our Church publications. The reluctance to subscribe for our Church papers and the *Missionary Record* seems inexplicable.

That there is generally a dearth of missionary sermons. The cause of this is very difficult to ascertain.

That the work among the children is astonishingly neglected.

Whatever of success or failure is written after the record of this winter's work, it has been done "as unto the Lord." It was taken up and pursued with pleasure, and it is laid down with regret.

"Except the Lord the city build,
The weary workmen toil in vain.
Except the Lord the city shield,
The guards a useless watch maintain."

MISS BELL M. DAY.

REPORTS OF SYNODICAL VICE PRESIDENTS.

ALABAMA.

We have worked this year with a view to thoroughness and permanency, and feel that what progress we have made is of a substantial character. Fourteen new auxiliaries have been organized and their efficiency attested by a proportionate increase in the treasury. One Synodical and five Presbyterial meetings have been held, and one new Presbyterial organization effected. As a result of a two weeks' official visit to a frontier

Presbytery, missionary fires have been kindled in unaccustomed places, and some interest awakened in communities where organization was impracticable.

Two of this year's new auxiliaries that refused to organize last year because they had doubts of their ability to support an auxiliary, are now not only strong enough for their own needs, but are working with a brave self-confidence to get others away from Doubting Castle.

Three of the new auxiliaries are the direct result of pastoral effort, and the year's experience has prepared me to affirm that no outside appeal can accomplish as much as the influence of a missionary pastor. The flock will hear and follow the voice of the shepherd when it will flee from that of a stranger.

We have lost one of our old auxiliaries through removal of members and another has become for awhile a local aid society. The marriage during the year of two of our Presbyterial secretaries and their consequent retirement from office, caused some confusion in the routine of business for a short time. This disturbance may have been felt at headquarters and may account for any discrepancies in the statistical reports of these two Presbyteries.

Some of the congregations of the Synod are on the extreme border of the Church, and so far removed from the centers of religious culture that missionary effort among them is like all pioneer work, slow and difficult. And yet one of these Churches supports the banner auxiliary of the Synod for zeal and liberality. This Church, at Lakeland, Florida, has nine members and seven of them constitute the mission society.

One truth exemplified in the year's victories and defeats is, that mission work, both in the external progress through the world, and its internal progress through the individual soul, resembles the varying processes of husbandry. Results come quickly sometimes, "As if a man should cast seed into the ground and should sleep and rise, night and day, and the seed should spring up and grow, he knoweth not how." At other times, the husbandman must break up the fallow ground, and plow and plant, and replant, and water, and wait long for the fruitage.

But the crowning lesson of the year's teaching is, that there is a Divine power at work with us in the fields—a power through whose help missionary work becomes the most blessed of all works, not only in its final triumphant issues, but in present joy and satisfaction.

MRS. RUTH J. DUVALL.

ARKANSAS.

In making my annual report to the Board, I am glad to say that I consider the work encouraging. Many more of the societies have made annual reports to me this year than last, making quite an increase in the total receipts. This fact shows more interest in the work and a better understanding of the Synodical machinery. I find one of the greatest difficulties with which I have to contend is getting our ladies to fully comprehend the workings of the Board. Just as the men have long been regarding the Synod as a kind of fifth wheel in our Church machinery, so the good women are disposed to feel the same way about the Synodical Vice President and her work. But just as the brethren are waking up to the importance of Synodical Missions and are employing the best talent they can get for Synodical Missionaries, after the same manner are the women beginning to realize the situation. They see that our weakest point is our Synodical machinery, and they are trying to remedy the evil.

Last fall at Clarksville, Ark., before the meeting of Arkansas Synod, one whole day was occupied in a missionary rally, and the time was equally divided between the brethren and sisters. The idea is growing, and now several of our best Presbyteries are spending a day before the meeting of Presbytery in a convention of the Sunday-school and missionary workers, in which the woman's work is brought prominently before the people.

MRS. J. A. FRANCIS.

ILLINOIS.

Everywhere over this prairie State our State Missionary, E. M. Johnson, and that irrepressible man, T. H. Perrin, are shouting by tongue and pen, "Illinois to the front." What can we women do other than catch the sound and send it on? And although we cannot report the progress we desire, yet we have not been idle, and the Lord has been with us, blessing and strengthening. We now number eleven Presbyteries, having a new one, Chicago. All are now organized, the new one having four Churches and two auxiliaries. It is a guarantee to the success of the work in that Presbytery to say that Mrs. Velma Stephens is secretary. Already we have felt the influence of her work in other Presbyteries in the State.

Some new auxiliaries have been organized, and some old ones resuscitated. Increased interest is being shown by Presbyterial Secretaries. We find it beneficial to combine the offices of secretary and treasurer, but we have made very little progress as yet in getting anything like uniform quarterly reports. We expect to plan for our own missionary and her helper to visit each of our Presbyteries. Our financial report is imperfect from the fact that so many of our societies have contributed to missions in the State, the amount of which we have no way of knowing. I have received encouraging word from all parts of my field, and for it and all his goodness I give God the glory due to his name. I close as I began by again saying, "Illinois to the front." MRS. H. L. GILLOGLY..

INDIANA.

Ten months ago when asked by the Board to accept the office of Synodical Vice President for Indiana Synod my natural timidity said, "No, I cannot assume so responsible a position;" but the "still small voice" whispered in my heart's ear these words, "Whatsoever he saith unto you, do it," "I can do all things through Christ which strengtheneth me;" and since heeding this voice the sweet response, "Lo, I am with you," has been so verified that it is with a heart filled with love and gratitude to God that I come with my first report. "Not unto us, O Lord, not unto us, but unto thy name give glory," for any measure of success that has crowned our efforts. I found the work in a well organized condition. Indiana Synod embraces three Presbyteries, in each of which there are Presbyterial societies fully equipped for effective growth. Removals from the field made it necessary that this year be marked by changes in our leaders, but we feel that the Lord is leading us steadily on.

Indiana Presbytery, which is entitled to head the list, includes Evansville with its churches, whose model societies and bands we always find with armor on ready for every good word and work. Brevity forbids that we give a word of commendation for all deserving ones, but we will make "honorable mention" of Vincennes, whose Mission Church reports a flourishing society and band, and whose contributions to the Woman's Board stand second after Evansville.

We are thankful for the bright, encouraging letters from earnest, consecrated women, and glad the Presbytery contains so many such, for in looking over this field we find "much land yet to be possessed."

Morgan Presbytery is small, and the workers there are noted for quality rather than quantity. The efficient Presbyterial Secretary seems to have the work well in hand, and its financial report, which is a good test of its spiritual vitality, shows an increase over last year, and the number of workers enrolled in auxiliaries and bands has been doubled within the year.

Wabash Presbytery has increased her working force from seventy-six to one hundred and fifteen.

New Winchester and Hopewell show us what good work *can* be done by country congregations.

Martinsville has given us a good example by making their pastor's wife a life member of the Board. "Many daughters have done virtuously, but thou excellest them all," may be said truly of Danville, who with her

twenty-three members has paid into the treasury of the Woman's Board one hundred dollars.

Indiana Synod has special cause for thankfulness, since two of our own dear girls have heard and obeyed our Savior's greatest command, and to-day are doing valiant service for him in Japan. We love to think of them as our representatives, and some of us who are not called to the front rank take great interest and pleasure in our Synodical penny pledge, which is a little card we sign, and thus pledge ourselves to give as special thankofferings a penny a day over and above our monthly dues, and free-will offerings. We do not urge this upon any one, but those who willingly and cheerfully make this thankoffering are abundantly blessed, and can most heartily recommend that consecrated Christians throughout Indiana Synod do likewise.

MRS. JENNIE B. GATES.

IOWA.

It is with regret that we report Iowa as having fallen a little behind last year's record. We have lost none of our energy or love for the work, but our home demands have caused a decrease in our offerings to the Board. Three societies of the six in Colesburg Presbytery are using all their strength in the support of a pastor. Iowa is, herself, missionary ground, and we feel very keenly the need of more pastors and consequently more money to use within the State. This is the greatest hindrance to the Woman's work in the State.

One society, the Young Ladies', of Waukon, has been merged into the Y. P. S. C. E. and they are doing good work there. The societies at Maxwell and at Waukon are both active. Iowa has a lively Presbyterian society and consequently are the best organized and doing the most efficient work. There are fourteen societies and bands in that Presbytery, all alive and energetic.

The Presbytery of West Iowa has only one society, but that one is in good, flourishing condition. Pray that Iowa may yet become a stronghold for the Lord's workmen. O, that good men and women would come into this field that is already white unto the harvest!

MRS. R. L. VANNICE.

KENTUCKY.

At a low estimate there are 7,850 women and children in the nine Presbyteries of Kentucky Synod. Of this number we find about six hundred contributing to missions through our Board. Among these the work is disproportionate. Three Presbyteries do nothing. One Presbytery—Logan—gives more than all the others; and of the amount thus given one congregation, Franklin, gives nearly one-third.

Some of our women do their best. For them we have only words of commendation. Some fail partially, others entirely. These we would impel to "nobler deeds."

We need more animated work. We need steady, willing workers. Our efforts are spasmodic. We need practical women. Any other business conducted as ours has been in the past would have failed utterly. We must improve our methods as has been done in other enterprises.

We need to be prompt and accurate. Late and imperfect reports are a hindrance. Of the sixty-five blanks distributed for Annual Reports only forty were returned, and many of these were late.

We need to know that the work is important and should be well done.

After fourteen years we have barely made a beginning, but we have verified the Scripture that "The Lord is gracious and full of compassion, slow to anger and of great mercy."

MRS. I. H. GOODNIGHT.

MISSOURI.

From the necessarily short space allowed for this report, I can only attempt the briefest outline of the year's work.

In that part of Missouri Synod in which we have Presbyterian organization, the work, with one or two exceptions, is highly satisfactory.

The Presbyterian officers are consecrated, zealous women, doing efficient, systematic work.

Some auxiliary officers still fail to send in reports, thus seriously embarrassing both Presbyterian and Synodical officers in their efforts to give a correct summary at the close of the year.

McGee Presbytery is especially fortunate in her auxiliary officers. I hesitate to say it, but McGee is the only Presbytery that sent me a complete report at the close of the year. It has organized six new societies since the last annual report.

We have still a large extent of unoccupied territory in Missouri. There are entire Presbyteries without a single missionary society.

For this portion of our Synod we earnestly ask the aid of the Field Secretary.

We are able to report at least twelve new societies, with a promise from a recently appointed Secretary of several more soon.

On account of the stringency of the times we may have fallen a little short in our contributions, but we have certainly grown in a knowledge and appreciation of the importance of the work, and I trust also in spirituality.

MRS. GEO. L. OSBORNE.

OHIO.

The work in this State has suffered some on account of recent changes of Synodical Vice Presidents. Last September at the request of the Board I accepted the office, and though feeling my weakness I am trusting in our Heavenly Father for strength and guidance. In the three Presbyteries in this State we have ten societies and one Children's Band, two having been organized and one re-organized this year.

Since there was only a partial report of the work last year we are unable to make any comparisons except in the contributions. These we find are smaller this year, but this can be attributed to the financial stringency rather than to the lack of interest in the work. Every society sent in a report this year, which shows an increase of interest. I learn from these reports that only fifty copies of the *Missionary Record* are taken and no Annual Reports or *Missionary Banners* are read. We hope by another year that we may be able to report increased interest in missionary literature.

Our hearts were gladdened by a visit from our Field Secretary. The Churches here being widely separated, we are deprived of the associations so much needed to strengthen us in our work, but we believe her presence here was an inspiration and an encouragement to all missionary workers and that much good was accomplished. We held a Synodical meeting last fall, but all of the Presbyteries were not represented.

I have not been permitted to visit many of the societies in the State, but have done most of my work by correspondence, which is not as satisfactory as personal visitation.

One Presbytery, Miami, is organized and Presbyterian Secretaries have been appointed in the other two, so that we hope to be able soon to have organizations in all.

We have not made the advancement we had hoped, but we believe that the missionary spirit is slowly gaining possession of the hearts of the women of Ohio.

MRS. CHAS. R. HARMON.

PACIFIC.

Scarcely can we realize that another year with all its opportunities for work in the Master's vineyard has been added to our record. Again has come the time for summing up what seems to have been done. The work has been for eternity and God alone knows the entire results of the many seemingly weak efforts of timid retiring women to spread abroad the news of God's grace to humanity. What comfort to know that Our Father looks at the heart and not at the hand.

Sometimes the progress seems slow; the backward steps more than

the forward. While a few of the backward steps have been taken by some of the workers in Pacific Synod we think more have been advanced.

California Presbytery has organized a Presbyterian society, so that now each of the three Presbyteries of the Synod has a good Presbyterian missionary society. Presbyterian meetings are held regularly and are reported good.

Change of homes caused the resignation of Mrs. S. S. Patterson, who served so long and faithfully as Presbyterian Secretary of Tulare Presbytery, but another consecrated woman, Mrs. A. N. Johnson, has taken her place. During the year one new auxiliary has been organized, making eighteen for the Synod; one disbanded and reorganized, and two are now reported on the discouraged list. Numerically we are fewer than last year, but none of the persistent, praying, paying members have given up. "We are more determined than ever to do what we can," is what they say. Hard times have caused a decrease in contributions, but "as the Lord prospereth" is all that is required. For this year we have a membership of about 350, and have contributed about \$500.

The work of the year most gratifying to the hearts of all who want to see the salvation of immortal souls is the establishment of the Cumberland Presbyterian Chinese mission in San Francisco. This mission was opened January 1, at No. 3 Clay avenue. Mrs. J. J. Sitten is the teacher in charge of this important work. Her reports have shown an increased number of pupils in attendance each month since the school was opened. She also notes a desire among them to know more of the Bible. Thus we are sowing the seed given us by the Master, trusting him for the harvest which we know will be rich, for he says, "My word shall not return unto me void."

Dear sisters of the Cumberland Presbyterian Church, with you rests a share of the success of this work so lately begun among the "heathen at home." Will you not heed our call and come help us to save them?

ALICE LANDRAM.

PENNSYLVANIA.

In Pennsylvania Synod there are three Presbyteries thoroughly organized and doing excellent work for missions. There was a new auxiliary formed at Anita, Allegheny Presbytery, this year.

In Pennsylvania Presbytery, as a result of our Field Secretary's visit among the Churches, there were six auxiliaries organized. The names are as follows: Jefferson, Millsboro, Muddy Creek, Nineveh, Hewitts, and Pleasant Hill.

In Union Presbytery there is a new auxiliary at Pleasant View; also at Vanderbilt there is a new auxiliary and a Children's Band. These societies were started and built up largely through the influence of the ministers in charge at those places.

Pittsburgh Presbytery is still a dead weight on our hands. The Presbyterian Secretary that was appointed has resigned.

The total number of societies is thirty-one, including seven Children's Bands, and representing a membership of 547. Of these only three societies failed to report. Amount contributed to the Woman's Board, \$520.64.

There seems to be a falling off in contributions in Allegheny and Pennsylvania Presbyteries; perhaps their money was given to other causes. At least our report does not give a full account of our women's work. "Lilies of the Field," Waynesburg, gave \$40 to the support of a young man in Waynesburg College. Jackson Center, in addition to its regular contributions, gave money to Chicago mission and sent a box of clothes to the poor of Pittsburgh.

Union Presbytery deserves honorable mention, as it has increased its membership seventy-six and made a gain of \$78 over last year.

No Synodical meeting was held this year, but there were three good Presbyterian meetings. There is a growing interest in mission work among our women, and they are getting ready for more and better work in the future.

LOUISE B. PORTER.

TENNESSEE.

As Vice President of Tennessee I submit the following report :

We have within the bounds of our Synod fourteen Presbyteries. Eleven of these have Presbyterial organizations. The most of these are very well organized and the work is in a hopeful condition.

I have not received full reports from all Presbyteries, but will report as follows :

Chattanooga Presbytery has two auxiliaries ; number of members, thirty-eight ; *Records* taken, twenty-two ; annual reports, eight ; amount contributed during the year, \$30. It has a Presbyterial organization, but is doing very little so far as I can learn.

Charlotte Presbytery has two auxiliaries. These have organized in the past year. Number of members, thirty ; *Records* taken, seven ; amount contributed, \$11.50. This work is encouraging, though no Presbyterial organization has been effected.

East Tennessee Presbytery has four auxiliaries ; number of members, fifty-six ; *Records* taken, eight ; amount contributed, \$71.35. It has a Presbyterial organization.

Elk Presbytery has six auxiliaries ; number of members, ninety-two ; *Records* taken, twenty-six ; *Gems*, five ; amount contributed, \$103.07. It has a Presbyterial society.

Georgia Presbytery has suffered much in the past year. On last hearing from the Presbyterial Secretary no society existed within its bounds. A missionary meeting was held in connection with the last Presbytery, and we trust some good was accomplished.

Hopewell Presbytery has eleven auxiliaries, five bands and one Young People's Society ; number of members, 307 ; *Records* taken, thirty-five ; annual reports, fifty-six ; *Gems*, fifteen ; amount contributed, \$440.01. This Presbytery has a Presbyterial organization and is doing good work.

Knoxville Presbytery has six auxiliaries and two bands ; number of members, 154 ; *Records* taken, thirty-one ; annual reports, twenty-nine ; *Gems*, sixteen ; amount contributed, \$176.42. It has a Presbyterial society.

Lebanon Presbytery has nineteen auxiliaries, nine bands and one Young Ladies' Society ; number of members, 556 ; *Records* taken, 121 ; annual reports, ninety-nine ; *Gems*, fifty-eight ; amount contributed, \$748.68. It has a Presbyterial organization and is doing very well. Reports are very encouraging.

Madison Presbytery has two auxiliaries, but I cannot give a report as none has been received. The work is in a discouraging condition.

McMinnville Presbytery has three auxiliaries ; number of members, fifty-five ; *Records* taken, nine ; annual reports, one ; amount contributed, \$47.50. It has a Presbyterial organization, but has labored under difficulties. The work is in a more hopeful condition.

Memphis Presbytery has three auxiliaries ; number of members, thirty-one ; *Records* taken, twenty-two ; annual reports, sixteen ; amount contributed, \$65.70. It is organized into a Presbyterial society, and the outlook is promising.

Obion Presbytery has twelve auxiliaries, seven bands and one Young Ladies' Society ; number of members, 322 ; *Records* taken, forty-eight ; annual reports, eighty-one ; amount contributed, \$327.02. This Presbytery has a very good Presbyterial organization.

Richland Presbytery has four auxiliaries ; number of members, fifty-two ; *Records* taken, twenty-three ; *Gems*, six ; amount contributed, \$66.58.

Sparta Presbytery has three auxiliaries ; number of members, eleven ; *Records* taken, one ; annual reports, one ; amount contributed, \$21.50.

Total number of auxiliaries, seventy-five ; bands, twenty-three ; Young Ladies' Societies, three ; number of members, 1,703 ; *Records* taken, 363 ; annual reports, 291 ; *Gems*, seventy ; amount contributed, \$2,485.86.

These reports are not complete, for all officers have not realized the importance of reporting promptly. In comparing the reports with those

of last year we find that backward steps have been taken all along the line. Lebanon, Hopewell and Obion remain about the same in number of organizations. The other Presbyteries have decreased. We are especially sorry to note the decrease in contributions in every Presbytery.

In the few months in which I have had charge of this work the time has been spent in becoming acquainted with the work. I have visited Obion, Hopewell, Memphis, McMinnville, and Elk Presbyterial societies. Good meetings were held which will prove profitable, I trust. I also had the pleasure of meeting with the ladies of Lebanon Auxiliary at Lebanon, Tenn.

The greatest need in our work is to become more properly organized in our Presbyteries, and to have more system in our Synodical organization. Not enough attention is given to the business meetings of our Presbyterial societies. We are encouraged by the work which has been accomplished during the past year, but realize that we have not done what we should. The work before us is great. It will be done if we, the instruments whom the Master will use, place ourselves in his hands to be used of him.

MRS. J. A. McDONALD.

TEXAS.

Our Synod is composed of twenty-seven Presbyteries — seventeen organized, four others provided with Presbyterial secretaries and six not yet represented in the work. Most of these are too weak to maintain a Presbyterial organization. We combine the offices of secretary and treasurer, believing it to be most practical. I secured ten new secretaries during the year, organized two Presbyterial societies, reorganized three, visited eight, sent thirty addresses to those I was unable to visit, and wrote over six hundred letters and postals. With joy we hailed the birth of forty-one auxiliaries and bands. With sorrow we were compelled to write "deceased" to twenty-seven of the number reported last year, hence our net gain is only fourteen; gain in membership, over 700; in subscription to *Record*, forty-one.

The year's work has been one of seed sowing, filling up gaps, educating, organizing, and bringing order out of chaos in many places. I am proud of my noble band of co-workers, and though our light may not shine so brightly to-day the foundation for future work is laid so that another year a mighty shout will come up from the Lone Star State, which I represent, and we will endeavor to lead the van for our brothers and sisters are awakening and heartily co-operating in the work. Notwithstanding the pressure in finances Texas has done a noble work. New societies are springing up over the broad land, and many societies have contributed to the home mission work in the bounds of the Synod. Our report does not tell all the work our women have done the past year.

Presbyterial offerings were excellent, and many societies kindly remembered the Synodical Vice President in a financial way. These offerings were gratefully received, as they helped to forward the work. Being a stranger and an inexperienced officer my initial work was slow, and but for the assurance that God would be my strength, my heart would oftentimes have failed, my labor been as naught. Like Constantine my co-workers and I will say, "I am following Him who is leading me."

MRS. MARY Z. BONE.

REASONS WHY THERE SHOULD BE AN ORGANIZATION IN EVERY CONGREGATION.

1. The command, "Go ye into all the World and Preach the Gospel to every Creature," is as binding upon each disciple as "This do in remembrance of Me."
2. To Christianize woman is the first step toward Christianizing a people. If the next generation is to be Christian, the women and children of to-day must be enlightened and converted, and to do this Christian women must be sent to them in largely increased numbers.
3. In most heathen lands, women are kept in such seclusion that the gospel of Christ can be taken to them only by women. The secluded women in Eastern nations are one half of all the women of the earth.
4. The women of our congregations need to be awakened and enlightened as to the magnitude

and importance of this work. This can be most effectually done by organized societies, since by this means a deeper interest may be aroused, and missionary intelligence be more thoroughly disseminated.

5. Such a society cultivates systematic benevolence, and is helpful to every department of Christian effort. Small sums are thus gathered regularly, and the aggregate will be large. At the same time this does not detract from, but will rather increase the contributions of the congregation for other causes. It is not expected that this Society will do away with the regular public collections for Foreign Missions. These will be taken as usual, so that all may have an opportunity to aid in sending the gospel to the heathen.

6. People will be prayerful, consecrated, and liberal on the great subject of Foreign Missions in proportion as intelligence increases. Such a society, conducted as it should be, will cause the subject to be discussed in the Sunday-school, the prayer-meeting, and every family of the congregation.

7. The children will thus be trained to love and labor for the cause of Foreign Missions. With little effort, under the influence of a woman's society, they may be successfully organized into Mission Bands. The good effect upon their future and that of the Church would be incalculable.

8. The organization of missionary societies among the women of the Church tends to bring their minds to a due sense of their responsibility in this regard, and opens the way for young women to go to heathen lands. It causes those who go to be sustained, not only by material aid, but by the peculiar moral support of woman's sympathies and prayers.

II.—PUBLICATION AND SUNDAY-SCHOOL WORK.

REPORT OF THE BOARD OF PUBLICATION AND SUNDAY-SCHOOL WORK.

To the General Assembly of the Cumberland Presbyterian Church:

REVEREND AND DEAR BRETHREN: We have just closed a business year, which for financial stringency will be ever memorable in the history of our Publishing House and in the history of the country. It has been marked by bank suspensions and financial failures throughout the entire country. As is well known to most of you, the bank through which the Publishing House transacts its business was forced to temporarily suspend, thereby imperiling to some extent the safety of the House and embarrassing its business. For more than one month we were practically without banking facilities and collection of debts was exceedingly difficult. We were forced to make strong and persistent appeals to our debtors and to avail ourselves of the authority given by the General Assembly at its last meeting, to call upon the congregations for donations. Many of our patrons responded promptly to our appeals and by rigid economy and prudence, we were enabled to pass through the past summer with less embarrassment than was reasonably expected.

The collections taken up on Publication Day amounted to only \$1,155.46; the expenses—circulars and postage—amounted to \$321.45, leaving net receipts \$844.01. The number of congregations and friends participating therein were only 328.

As will be seen the Book sales during the fiscal year have fallen below those of the past year, but the periodicals have maintained their circulation and the Job work has fallen off but slightly.

The results of the year, as hereinafter set forth, it will be seen are, considering all the circumstances, gratifying rather than otherwise.

The net profits of the year are \$7,176.86, and the indebtedness of the House has been diminished to the extent of \$5,003.28. In this connection it is necessary to bear in mind that during this year we have been changing all the names on the *Cumberland Presbyterian* list from old expiration-days to new ones and that therefore a large portion of the renewals and new subscriptions have been for fractions of a year only. This has materially reduced the income of this year; but, of course, the same will be made up during next year.

THE CUMBERLAND PRESBYTERIAN.

One year ago this periodical had 9,510 names on its list; it now has 9,713, an increase of 203 subscriptions. The list is perhaps more free than for many years of delinquents. About the first of July last we discontinued the payment of all commissions, either for renewals or new subscribers, and began offering the paper at \$1.50 wherever a number was taken in any congregation equal to one-half the families represented in that congregation. This enabled small congregations to avail themselves of the club rate, as well as large ones, a result which could not have been attained by a club

limit of a fixed number. This clubbing system has met with almost universal approval and has resulted in raising 199 clubs and adding to the list 1,681 new subscribers, besides a large number of renewals. There have been raised in Texas, 55 clubs; Tenn., 36; Ky., 33; Ark., 14; Miss., and Mo., each 11; Ala., 10; Pa., 6; Kansas, 5; Cal., 4; Ind. Ter., Ill., and Iowa each 3; Col., 2; Indiana, Neb., and Oregon each 1. It will thus be seen that while at least 1,700 new names have been added to the list, it numbers now only 203 more than it did last year. The loss, of course, is caused by the failure of old subscribers to renew.

A study of the history of the periodical shows that the greatest difficulty in keeping up the list has been not so much in securing new subscribers as in holding the old ones. Activity in getting subscribers has not been followed up by the same activity in getting them to renew. The cause has been that the subscriptions expired along at different times during the year. Pastors not remembering when the various subscriptions of their people would expire, and regarding the expiration of a single subscriber as a small matter, have overlooked or neglected it. This difficulty suggested the advantage of having all subscriptions in a given State expire at the same time. We have, therefore, introduced what is now known as our uniform Expiration Day, already familiar to the Church. This was inaugurated on the first day of July last, and by the first day of July next practically the entire list will have been re-adjusted in accordance with this system. Of course, as we expected, there has been some confusion and friction in changing nearly 10,000 names from the old expiration days to the new ones. The work, however, is now almost accomplished without any serious evil results. In order to ascertain the practical workings of the system our General Manager has written to every person who has raised a club for the paper since first of July last, amounting in all to about 180 persons. These persons have had more experience under the new system than any others. Thus far there have been received 75 replies and almost every mail is bringing additional ones. Of these respondents every one except seven approves the plan most heartily, and nearly all of them state not only that they have no objection to it themselves, but have heard none from others. Most of them give in detail the advantages of the plan, among which are named that it enables not only the pastor, but the subscribers themselves, to remember when their subscriptions expire; that it enables the pastor to take up the work of renewals all at one time and finish it for the entire year, thus making him less liable to forget or neglect it, and enabling him to do the work with far less labor; that it increases and intensifies the interest of the people themselves in the work of raising a club and thus secures their co-operation, and that it can thus be made the subject of a pulpit discourse. To these merits of the system are to be added the advantages to the Publishing House, among which can be mentioned the fact that it dispenses with the necessity of setting up and changing dates on the mailing list; that it diminishes very largely the labor of notifying subscribers of the expiration of their subscriptions; that it enables the Business Management of the House to concentrate its efforts in behalf of the paper on a single State at a time. Of course the convenience to the House is a matter of minor importance, the great thing to be looked to being the enlarging and maintaining of the subscription list.

In order to further throw light on the work of maintaining the list our General Manager addressed about 200 return postal cards to as many persons in different States, whose subscriptions had expired during the year and who had failed to renew, asking them the cause of such failure. Of these cards 40 were sent to Illinois, 40 to Missouri, 15 to Tennessee, and the others scattered through the different States, not more than one person being selected from any one congregation. To these 36 replies have been received, and 14 assign as the reason of their failure "hard times," eight renewed after the cards were sent out and before their replies, six assign as a reason that they were taking another Church paper, five mere neglect, and three of the parties, it was found, were dead.

The gross income of the paper this year is—	
From subscriptions.....	\$12,847 16
From advertisements.....	3,925 40
Making a total of.....	\$16,759 30
The income last year was—	
Subscriptions.....	\$16,872 45
Advertisements.....	4,222 28
Making a total of.....	21,094 73
Difference in favor of last year—	
On subscriptions.....	\$ 4,025 29
On advertisements.....	296 88
Total.....	\$ 4,335 43

This difference is due mainly to the fact above mentioned, that a large number of the renewals and new subscriptions have been for only fractions of a year. It is true that there has been a loss on all club subscribers of 50 cents each, but this loss is balanced to some extent by commissions paid last year.

It will be seen from the balance sheet that the expenses of producing the paper this year are less than last year by \$1,246.73, so that the net income of the paper this year is only \$2,796.37 less than that of last year. We have recently made still further reduction in the cost of the paper on which it is printed, which will result perhaps in a saving of about \$1,000 during the coming year.

The persons who have rendered to the Church the valuable service of raising clubs for the paper deserve your highest commendation. They can certainly congratulate themselves upon having added nearly 1,700 new subscribers to the list, besides securing many renewals which otherwise during these hard times would not have been obtained. Were it not for swelling this report beyond due limits, we would be glad to mention every one of their names, but such mention will hereafter be made in the columns of the paper.

The paper contains more reading matter than ever before in its history, amounting to 68 standard columns, and is devoted to about 12 departments, covering almost every phase of life.

It is believed that the Church appreciates more than heretofore the necessity of extending very widely the circulation of this periodical and that during the coming year a more universal interest can be awakened in the work of raising clubs. The educating and energizing effect of the reading of the paper upon our membership cannot well be overestimated. Without a more widely extended circulation among them we cannot expect to make of them efficient church members.

BOOK SALES.

Our book sales this year have amounted to \$14,386.79, as compared with \$19,794 98 showing a falling off of \$5,408.20. This falling off is considerable, and yet hardly more than was to be expected from the depressed business conditions of the country. We purpose during the coming year to increase our discounts to agents, to sell them at a cheap price neat convenient sample cases, and to encourage selling by samples under a form of contract already prepared, fair to the agent and safe to the House. We are impressed with the fact that the only effective way to sell our books on a large scale is to take them to the homes of the people. We shall hereafter avail ourselves more extensively of the benefits of advertising, especially by circulars and in the columns of the Sunday school periodicals. We hope during the coming year that these efforts, aided by an improvement in the finances of the country, will restore our book sales to what they have been formerly, if in fact they do not increase them.

THE SUNDAY-SCHOOL PERIODICALS.

The number of subscribers on the list of each Sunday school periodical for the year ending April 30, 1894:

Bible Study.....	5,276
Sunday School Comments.....	36,405
Rays of Light.....	27,624
Weekly Sunday-School Gem.....	8,431
Semi-monthly Gem.....	5,915
Missionary Gem only.....	1,007
Our Lambs.....	24,916
Lesson Leaves.....	18,901

The above figures do not fully represent the circulation of the periodicals. The schools have been exceedingly tardy in sending in their orders for the second quarter, and orders are still coming in daily. The probabilities are that when the orders are all in the circulation will not differ materially from that of last year.

There has been a large increase in the list of *Bible Study*. The gross income on all the periodicals during this year was \$22,457.23; for last year, \$21,460.85, making a difference in favor of this year of \$996.38. The net profit has been increased this year over that of last to the amount of \$863.13. It will be seen from the balance sheet that every Sunday school periodical has yielded a profit except *Bible Study*, on which there is a loss of \$341.77. This periodical has been improved this year to the extent of making it almost an entirely new one. Under the general editorial management of Dr. Darby, a large number of able writers have been secured to contribute to its columns, and its merits will now compare with the very best lesson helps in the country. It has received many very high commendations from all parts of the Church and even some from parties outside of our Church. It is to be hoped that the Church will so far appreciate its merits as to increase its circulation till it will be not only self-sustaining, but yield a profit.

While the periodicals are used by more of our schools than ever before, yet it is still a fact that a large number of our schools are taking either no literature or a very inadequate quantity, and even some of them are still patronizing those of undenominational publishers. It is true also that a large number of our people are working in union schools, that take undenominational literature. This situation should be changed as rapidly as possible. Our own schools should patronize our own Publishing House and use our own periodicals. The sooner also that our schools can be converted into denominational ones the sooner their efficiency and success will be enhanced. Our people should be impressed with the fact that they cannot afford to deny their children the best facilities for studying the Bible and the strongest incentives to do so. It is very rarely that a case will be found where there is such actual poverty as to justify such denial. We need scarcely add that the merits of the periodicals are but little below what the most exacting would fix them at.

JOB WORK.

It will be seen from the balance sheet that the job work has this year yielded a profit of \$1,786.30.

OUR COLLECTIONS.

It appears from the balance sheet that there is due the house, constituting part of its assets, the sum of \$17,936.25. Of this, however, about \$9,200.00 is for Sunday school periodicals, which does not mature until July and October next. Deducting this leaves the indebtedness now due something less than \$9,000. Of this amount something over \$3,175.09 are delinquent accounts. Had we been able to collect this money, we could

have to a corresponding extent have reduced the debt owing by the House. It has been to us a matter of serious consideration as to what should be done to curtail the amount of credit business being done by the House. It is evident that this extensive credit business is largely diminishing our actual profits by the loss of bad debts. We hope your reverend body will make this matter a subject of serious consideration and direct what in your judgment seems best.

OUR FINANCES.

During this year we have reduced our indebtedness to our Bank to the extent of \$2,000 and have paid on our short bonds \$1,500. There has been also a reduction in our general floating indebtedness making, as above stated, a total reduction in our indebtedness of \$5,003.28.

DEPARTMENT OF SUNDAY SCHOOL WORK.

The details of this work for the year are fully set forth in the report of the General Assembly's Sunday-School Committee, which is hereto appended. That committee has carefully considered the demands of the work and being composed of men of good judgment, devoted to the interests of the Church, its recommendations have been adopted in every instance and carried by the Board.

During the year, for reasons set forth in the report of the committee, M. B. De Witt, D.D., resigned the office of General Superintendent of Sunday School work. Dr. De Witt has occupied this position for a number of years. During most of this time he has discharged the duties of the office in connection with editorial work on some of the Sunday-School periodicals. In his labors he was actuated by a zeal and consecration which marked him as a true and faithful servant of the Church. He traveled throughout the bounds of the denomination and delivered many addresses to conventions, institutes and judicatories, and never failed to infuse into his auditors much of his own interest in his great work. He was universally beloved, and had so endeared himself to the members and employees of the Board that it is with deep regret that we sever the relations that have existed between us. We do so invoking the blessings of God upon him and his work. The Board has made a contract with Rev. Geo. O. Bachman, of Enfield, Ill., to act as Superintendent of Sunday School Work from the first day of April, 1894, to the first day of July, 1895. Owing to the fact that the Children's Day fund is entirely exhausted, he has agreed to work for the nominal sum of \$25 per month and the expenses of his office for the months of April, May, and June and at \$100 per month for the following year. This contract is subject to any action which may be taken by your body, and he takes the risk of the Children's Day collection next year being sufficient, after paying other expenses of the office, to pay his salary. Should it not be sufficient, it is his loss and there is to be no charge upon the board for the unpaid balance, nor is it to be a charge upon the next year's receipts. He has had long experience in Sunday school work, has entered systematically and energetically upon the same, and it is hoped that the proceeds of Children's Day collections will largely exceed the expenses of his office and his salary and leave a liberal fund to be distributed among the various Presbyteries for the promotion of the work. The report of Brother Bachman is herewith transmitted and your most careful attention invited to his plans and suggestions.

ACCOUNT OF TREASURER.

We herewith append the statement of our account as Treasurer of the General Assembly, showing the amount received by the Board and the amount paid out.

Profoundly grateful to our heavenly Father that we have been so successfully guided through the trying exigencies of this fiscal year and equally

trustful for his guidance and assistance in the future, we respectfully submit to your careful consideration and direction the interests of this important department of the work of our beloved Church.

REPORT OF ADVISORY SUNDAY SCHOOL COMMITTEE.

To the Moderator and Brethren of the General Assembly, sitting at Eugene, Oregon:

Your committee have held during the year five meetings, full information concerning which has been given through the columns of the *Cumberland Presbyterian*. The first meeting was held June 13, 1893, in joint conference with the Board of Publication. At this meeting J. I. D. Hinds was made chairman, and T. M. Hurst secretary of the committee. All the members of the committee were present except T. H. Perrin, who rendered a valid excuse for his absence. At this meeting the committee recommended to the Board that Dr. DeWitt be continued in the office of superintendent so long as the receipts from the Children's Day Fund would justify, but that no debt be created.

The second meeting was held Aug. 31, 1893, for the purpose of answering the request of the Illinois Sunday School Association to know what amount would be allowed them from the fund during the year. It appearing to the committee that there would not be money enough to pay contingent expenses and the salary of the superintendent, and in consequence of the previous resolution to create no debt, the committee recommended that no amount be promised to any State.

The third meeting was held Dec. 23, 1893. The Business Manager of the Publishing House informed the committee that the Children's Day Fund was about exhausted, and asked for instructions. The committee felt compelled to let Dr. DeWitt retire from the office of superintendent, since to have continued him in the office until the meeting of the General Assembly would have created a debt of about \$700. Arrangements were at the same time made to have the Children's Day Exercise printed and the necessary clerical work performed until a new superintendent should be elected.

The committee met again March 7, 1894, and took steps towards the selection of a superintendent. A committee was appointed to act with the Board of Publication. After conference and consultation with various parties a contract was made with Rev. G. O. Bachman, of Entfield, Ill., who entered at once upon the duties of the office.

At this meeting the following resolution was passed, and we respectfully ask the General Assembly to carefully consider it and take such action as in its judgment it may deem best:

"Resolved, That the General Assembly be requested to define and enlarge the powers and responsibilities of the Advisory Committee, and we suggest the following:

"1. That the committee appoint and employ the Superintendent of Sunday Schools.

"2. That the committee have full charge and direction of the work, and that the superintendent be made responsible to the committee, and be required to report to them from time to time.

"3. That the raising and distribution of the Children's Day Fund be entirely under the control of the committee.

"4. That the committee meet at least once a year with the Board of Publication.

"5. That the committee and the superintendent be instructed to do all they can to enlarge the circulation of our Sunday school literature."

It is our pleasure to state to the Assembly that notwithstanding the financial troubles of the past year the Sunday school cause is now in good and prosperous condition. The superintendent is pushing the work vigorously, the Children's Day Exercises have been distributed, and the churches are preparing to take the collection. It is only necessary to arouse interest and inspire confidence in order to largely increase the fund and enable those who have it in charge to do a grand missionary work for our beloved Church.

Respectfully submitted.

J. I. D. HINDS, *Chairman*,
For the Committee.

III.—MINISTERIAL RELIEF.

THIRTEENTH ANNUAL REPORT OF THE BOARD OF MINISTERIAL RELIEF OF THE CUMBERLAND PRESBYTERIAN CHURCH.

To the General Assembly of the Cumberland Presbyterian Church, in session at Eugene, Ore., May, 1894.

Standing between the membership and the ministry of the Church, it has been our happy office to receive the offerings of the grateful and generous, and distribute the same to the aged veterans who have retired from the ranks; also to the families of those who have been called to their reward. With equal cheerfulness we come in this Annual Report to your body to give an account of our stewardship, for we know that you and the whole Church will be glad to listen to the recital of what has been done for a cause so tender and sacred as Ministerial Relief. We cannot come with a report of increased gifts and enlarged beneficence, but in this we are sure you will not be disappointed, as it is well understood that the existing financial state of the country must seriously interfere with all public enterprises that depend upon the voluntary offerings of the people. You will be pleased to know, however, that the falling off in receipts is not so large as to cause any distressing embarrassment, although many households have been compelled to accept less than they had hoped to receive from this source. The falling off in contributions compared with last year is \$430.00.

Our correspondence with the Church impresses us that there are many thousands who love this cause so dearly that they will give to it if they must divide their last dollar with these noble servants of our blessed Master. We are confident, therefore, that whatever emergencies may arise, Ministerial Relief will ever remain steadfastly entrenched in the hearts of the people, and that its interests will not be allowed to seriously retrograde. If it may truly be said in purely secular affairs that he is thrice armed whose cause is just, much more may we feel assured that such an enterprise as this must override all temporary obstacles, since it is based upon the plain teachings of the immutable word of God. "Even so hath the Lord ordained that they which preach the gospel should live of the gospel." Therefore the true servant of God will take heed to himself that he forsake not the Levite as long as he lives upon the earth.

Inspired by the conviction that ours is a God-given enterprise, we of this Board will continue with all possible earnestness to press its claims upon pastors and people so long as it is your will that we should represent you in this behalf. With the plain teachings of the Word of God, with facts and incidents from the homes of the distressed, and with the application of the best methods for awakening interest and procuring contributions, we hope to assist in that educating process which is so much needed throughout all portions of our Church. How extensive is this need of improvement may readily be seen from the financial exhibit that accompanies this report. In order that we may note wherein we need to improve, it will be both interesting and profitable to observe particularly some features of this exhibit.

THE WORK IN THE CONGREGATIONS.

Take for example the following facts: Although there are 1,147 contributing congregations, only 189 make offerings as large as \$10.00, and the offerings of 665, or more than one-half of the entire list, are less than \$5.00. There are 14 Presbyteries which contain 256 congregations and 13,000 communicants, in which no congregation gives as much as \$5.00. Observe it is not that no individual out of these thousands, but no entire congregation in all the bounds of these 14 Presbyteries gives even this small sum. Then we note there are 42 Presbyteries, representing nearly 1,000 congregations and 50,000 members, in which no offering from a whole congregation is as large as \$10.00. Of the 77 Presbyteries where an offering as large as \$10 00 has been made, 33 contain only one congregation that gives this amount; and 25 have only three congregations that have come up to this standard. Certainly here is an inviting field for education in the scripture principle of systematic and proportionate giving. To say that in all these hundreds of contributing congregations that give less than five or ten dollars each there are not multitudes of single individuals who could give more than all are now giving if the Bible principle were observed "in this grace also," would be to make a very doubtful assertion. Again it is worthy of note that of the contributing congregations 50 give less than one dollar, and 225 give less than two dollars, and 340 give less than three dollars. The day of small things is certainly not to be despised, but alas for the extension of our denominational work if the standard of giving is always to remain thus small. How to elevate it is evidently one of the problems of the hour. Then let it be remembered that there are 1,800 other congregations that have not contributed anything to this cause, and most of whom are probably alike unmindful of other enterprises of the Church. Not until the broad and generous principles embodied in the scripture idea of giving are inculcated among these tens of thousands of our communicants will the general enterprises of the Church assume the large proportions which ought to characterize their work.

ENLARGEMENT THROUGH THE PASTOR.

As a Board, entrusted with an important department of our Church affairs, we realize that enlargement must come through the agency of the pastor, as the leader and educator of the people. Surely the people will listen when one presents such a cause as Ministerial Relief, supported as it is by both scriptural and humanitarian principles, and certainly the presentation of this cause will afford the pastor an excellent opportunity for training the people in this important phase of religious duty. While difficulties are enhanced by the fact that in so many cases pastor and people meet each other only once or twice a month, yet we earnestly hope that a cause so dear as the one we represent may not be overlooked. To this end we invoke the aid of your influence, as the chief judicature of the Church, in enlisting the hundreds of congregations that are doing nothing and in developing the grace of giving among those that already remember the Levite and his household. We have been thankful to our larger congregations for the offerings sent us, but have been obliged to note with regret a falling off in many instances. The congregations that have contributed \$30.00 or more are as follows:

PRESBYTERIES.

The Presbyteries from which the largest contributions have been received are as follows:

Lexington, with 67 congregations.....	\$311 70
Indiana, with 23 congregations.....	227 89
Red Oak, with 40 congregations.....	239 67
Lebanon, with 45 congregations.....	222 25

Guthrie, with 43 congregations.....	191 35
Tehuacana, with 18 congregations.....	175 95
Union, with 9 congregations.....	166 81

Union Presbytery, of Pennsylvania Synod, ranks as the banner Presbytery in Ministerial Relief work this year. All of its 9 congregations have made offerings, this being the only Presbytery that has made this record. The aggregate amount is also the largest in proportion to membership. One of its congregations, Uniontown, ranks second in the list of contributions as to amount, and is first on the list when relative membership is considered. We are pleased to call special attention to a Presbytery whose record indicates such interest in this work. In three separate particulars Union is entitled to the first rank. From four Presbyteries, Greer County and East Louisiana, in Texas Synod, John Buchanan in Arkansas Synod and Princeton, New Jersey, in Pennsylvania Synod, no contributions have been received. The aggregate contributions of the three largest Synods are as follows: Texas, \$1,684.56; Tennessee, \$1,298.76; Missouri, \$1,201.88, our Texas brethren continuing in the lead as they were last year. Kansas Synod shows an increase over last year, and all other Synods a slight decrease.

INDIVIDUAL OFFERINGS.

Special attention has been paid to this part of our work and we are glad to report a considerable increase. The aggregate amount this year is \$864.35. The nature of this cause is such that it ought to appeal with peculiar force to the heart of the individual Christian. We earnestly hope that the annual receipts from this source will increase in rapid proportion. The list of individual contributors and the amount given by each is as follows:

SUNDAY-SCHOOLS AND CHRISTIAN ENDEAVOR SOCIETIES.

As directed by your body, we have communicated with Sunday-Schools and Young People's Societies, suggesting it as a special privilege for the youth of the Church to do something for the comfort of the aged and helpless, and especially for the orphan. The responses have not been so extensive as we had hoped they might be. They are as follows:

OUR BENEFICIARIES.

Death has made serious inroads the past year among the families to whose comfort you have been ministering through this fund. Seven have been transferred to the roll of the redeemed, being now numbered among the spirits of the just made perfect whose names are written in heaven. Some have signified their ability to care for themselves without further aid from this source, while quite a number of new names have been added on recommendations from the Presbyteries. The list of beneficiaries now consists of 99 families, there bring 44 ministers, 55 that are widows of ministers, and two families of orphan children. Following is a detailed statement of the amount sent out to beneficiaries during the year:

WOMAN'S DEPARTMENT.

In the work of the Woman's Department during the past year the ladies of thirty congregations have been represented. Although the number is so few the aggregate value of the offerings made is more than four hundred dollars. To have tenfold more of our congregations enlisted in this delightful phase of our relief work is certainly not an unreasonable thing to desire.

What the gifts of the ladies of three hundred congregations would signify in the comfort and joy of the homes of our beneficiaries is beyond our capacity to conceive. The encouraging beginning that has been made is but a foretaste of what may speedily be accomplished if only the affec-

tionate interest of the ladies of the Church at large can be enlisted. We earnestly hope that pastors and other leaders will call the particular attention of the ladies of their congregations to this department of the relief work as they have never done before.

For the past year the following is a list of

THORNTON HOME.

We believe the name of this beneficent institution is the joy of the whole Church. Its mere mention sends a thrill of delight to every heart. What Cumberland Presbyterian is not proud of the fact that the Church has a beautiful and even elegant retreat to which any one of its ministers, of sufficiently worthy record, may be commended by his Presbytery with the assurance that he will be comfortably cared for to the end of his declining years? While only a few elect to leave their surroundings amid friends and kindred to come to Thornton Home, yet we believe it is well to maintain it for the few who may find it either necessary or desirable to

seek the peaceful rest and quiet that may here be found. We wish it kept constantly before the Church that this is in every sense a home, and that in its appearance and management it has not connected with it the slightest semblance of a public institution of charity. While it is supported by the gifts of the people, yet the Church places its beneficiaries there with the understanding that they have earned its comforts by fidelity to duty in their period of active service.

In the same atmosphere the orphan children of our fallen brethren may be educated and trained for that manner of life which dying fathers and mothers with their last breath prayed they might be fitted to lead. The residents of the Home remain substantially the same as last year. A cordial welcome awaits others who may come, the regulations for admission prescribed by your body being of course observed.

ENDOWMENT FUND.

Dropping the words "Permanent Fund," as ordered by the last General Assembly, we report the Endowment Fund of Thornton Home to be \$8,793 25, all of which is safely invested. From two small bequests one by the late Rev. W. H. Crawford, of Tennessee, and another by Mrs. Minerva Orrick, of Missouri, the sum of \$287.25 has been added to the endowment. We have information of other bequests that will doubtless in due time yield several thousand dollars to this fund. We earnestly urge those whom God has blessed with means to remember this institution with generous gifts.

Rejoicing in whatever good has been accomplished in the name of our Master and for the comfort of his chosen ones, and praying that an abundant baptism of love for this cause may be vouchsafed to the whole Church, we are

3. The Board reserves the right to remove any person whose conduct or condition may be disagreeable to a majority of the occupants of the Home.

We agree, that, after this person becomes an occupant of the Home, should the management find that we have been mistaken in the disposition and condition of the person applying, and the Board should deem it wise to remove this applicant from the Home, to conform to the wishes of the Board and take back to our midst the person herein named.

GENERAL STATEMENTS.

The purpose for which this Corporation is formed is to receive, hold, convey, and disburse such real and personal property as may be given by will or otherwise to it, or acquired by it in any legitimate way, for the relief and support of disabled ministers and missionaries, and of the needy widows and orphans of deceased ministers and missionaries, or of such other persons as may be dependent upon said ministers and missionaries.

Appropriations from the funds of the Corporation shall be made alone, first, to such ministers as are members in good standing of some Presbytery of the Cumberland Presbyterian Church, they having fully consecrated themselves, since entering said ministry, to the active duties thereof in said Church, and who are not able to support themselves by any suitable vocation of life, and to such missionaries as have been appointed to work in Home or Foreign fields by the recognized authorities of said Cumberland Presbyterian Church, and who have faithfully discharged the duties assigned them during the time of their appointment, and who are not able to support themselves by any suitable vocation in life; and, second, that so far as may be consistent with the wants of disabled ministers and missionaries, the Board may also furnish aid to the widows and orphans of ministers and missionaries aforesaid, and to such other person or persons as may be, or may have been, dependent upon said ministers and missionaries.

 RULES FOR DISBURSING FUNDS.

Appropriations for missionaries who are not ministers, or for those who are, or have been, dependent upon such missionaries, shall be made on the recommendation of the Board by which such missionaries were, or may be employed.

2. Appropriations are made for one year or less, except when otherwise ordered; and if aid is continued, the recommendation must be renewed from year to year.

IV.—EDUCATION.

THIRTEENTH ANNUAL REPORT OF THE BOARD OF EDUCATION OF THE CUMBERLAND PRESBYTERIAN CHURCH.

To the General Assembly in Session at Eugene, Ore., May, 1894:

REVEREND AND DEAR BRETHREN: With gratitude to God for his blessings upon this department of Church work during the past year, the Board of Education herewith presents to the General Assembly its thirteenth Annual Report.

CHANGES IN THE BOARD.

During the year the following changes in the membership of the Board have taken place: In November last, Rev. J. L. Alexander, after six and one half years of faithful service as a member of the Board, tendered his resignation which was accepted, and Rev. I. D. Steele, of Nashville, Tenn., was elected in his stead. We ask that you approve of the election of Rev. I. D. Steele as a member of the Board. At the same meeting of the Board Rev. J. M. Hubbert, having removed from Nashville to Lebanon, Tenn., offered his resignation as a member of the Board and as president of the same. The Board accepted the latter, but declined to take action on the former. The Board desires in this public way to bear testimony to the very efficient and acceptable service which Dr. Hubbert has rendered the cause of ministerial education during the six years of his connection with the Board, both as a member thereof and as its presiding officer. Rev. I. D. Steele has been elected President, *pro tem.*, of the Board.

ADDITION TO THE PERMANENT FUND.

About the middle of last November, through the courtesy of Rev. J. M. Gill, D D., of Elkton, Ky., the Board received an addition to its permanent fund of \$1,000. This came from the estate of Luther Rawlins, of Christian County, Kentucky, and is to be held as a permanent investment to be known as the Rawlins Fund, the interest alone to be used in the education of probationers for the ministry, preference being given to those under care of the Davis Presbytery.

RECEIPTS.

The financial depression which has existed throughout the country during the past year has very materially affected the Board's receipts. Had it not been for this unparalleled stringency in money matters, we believe the past year would have been the most successful in the history of the Board. But notwithstanding the "hard times," we are glad to be able to report an increase in current receipts as compared with last year of 43.06, while our total gain over last year is \$496.11. The total receipts for the year are \$9,959.60. The tabulated statement submitted herewith shows the sources of our income for the past year.

CANDIDATES IN SCHOOL.

From the best information at our command, we are assured that about two hundred of your probationers have attended school during the past year at the following institutions: Cumberland University, 70; Trinity University, 29; Missouri Valley College, 24; Lincoln University, 12;

Waynesburg College, 10; Cumberland Presbyterian Seminary, 5; Bethe, College, 4; Ozark College, 4; Parson's College, 3; Buffalo Gap College, 3; Southern Illinois College, 2; other schools and seminaries, 34.

One hundred and sixty-seven of these are classified as follows:

Theological School—	
Seniors.....	17
Juniors.....	22
Literary Schools—	
Seniors.....	16
Juniors.....	17
Sophomore.....	14
Freshmen.....	27
Preparatory.....	32

Of these 105 expect to take a full literary course, 81 intend to pursue a theological course, and 28 are willing to go as foreign missionaries.

CANDIDATES AIDED.

One hundred and twenty-five young men, about one-fourth of whom are ordained, have received aid from the Board, either directly or indirectly, during the year. This is an increase of 10 over the number of applicants aided last year, and a score and a half more desired to enter school last fall, but could not because the Board could not render them any assistance. Shall these young men, eager for an education, be kept out of school another year because they are financially poor? Let a generous and an appreciative Church respond by making liberal provisions for their needs.

RECOMMENDATIONS.

We reiterate our request that you require your Presbyteries to use greater diligence to secure offerings for this cause from each congregation, Sabbath school, and Christian Endeavor Society during the period for Education. In this connection we would most respectfully suggest for your consideration the propriety of organizing Educational Societies in your larger congregations, and the appointment, by the Church sessions, of Solicitors in the smaller congregations, for the purpose of securing by subscriptions and otherwise larger offerings for this cause.

We also recommend that you impress upon your Presbyteries the importance of prayer in behalf of our young ministers, and that sermons be preached at Presbyteries, Synods, and the General Assembly each year.

We further request that you instruct your Presbyteries to use great caution and discrimination as to the character of young men inducted into the ministry, and in recommending candidates to the Board for aid.

At the last meeting of the Board, the Secretary, Rev. A. G. Bergen, was re-elected for another year, and the following resolution was adopted and ordered incorporated in this report:

"Resolved by the Board, that we cordially endorse and highly appreciate the untiring and efficient services of our faithful secretary, and, approving the manner in which he has conducted this branch of the business of our Church work, we commend him to you, and through your body to the Church at large, and ask for him the hearty co-operation of the whole Church in behalf of the cause he so earnestly represents."

Appreciating the importance of the work committed to us, and sincerely desiring to assist our struggling young men in every possible way, we are
Yours in the service of the Master.

REPORT OF AUDITING COMMITTEE.

We, the undersigned committee appointed at the last meeting to audit the accounts of the secretary, Rev. A. G. Bergen, report that we have gone through his books showing the amounts received and paid out from April 1, 1893, to April 1, 1894. For all money which he has actually received and disbursed we find vouchers in due form. We also found proper vouchers for all money reported to him except in a few instances where he was unable to learn to whom the money had been sent, or else to obtain vouchers from the party or parties receiving it. We found his books and vouchers kept in a neat and orderly manner.

Respectfully submitted,

J. A. CARTWRIGHT,
FRANK SLEMONS,

Committee.

PRESBYTERIAL COMMITTEES.

1. Each Presbytery is supposed to have a Permanent Committee on Education. If none exists in your Presbytery see that one is appointed; and

that the name and address of the chairman are reported to the Secretary of the Board.

2. This Committee serves as a medium of communication between the Board and the Presbytery, and through it information is to be disseminated and an interest awakened on the subject of ministerial education throughout the Presbytery.

3. This Committee is to assist the Board in procuring a contribution once a year for this cause from every congregation, Sabbath school, and Endeavor Society in the Presbytery. It may also aid the Secretary in securing personal offerings and bequests to the Board.

4. Each application for aid from the Board should be accompanied by the recommendation of the Presbyterial Committee (or where the Presbytery has failed to appoint such a committee, by the Stated Clerk.)

All applications and recommendations are to be renewed from year to year. Candidates in making application for aid, and Presbyterial Committees in recommending such candidates, will please use the blanks approved by the General Assembly. These will be furnished free on application to the secretary.

REPORT OF TRUSTEES OF CUMBERLAND UNIVERSITY.

To the General Assembly of the Cumberland Presbyterian Church, in session at Eugene City, Ore.

The Trustees of Cumberland University submit the following report for the college year ending June 1894:

The forthcoming catalogue will show the total number of students in attendance to be near three hundred, which is about the same for the previous year. No changes in the Theological Endowment have occurred that are in condition to be definitely reported. The amount remains the same as at last report, \$60,155.

The chair of Systematic Theology made vacant by the death of Dr. Burney is yet unfilled. The Board in its last report stated that Rev. A. D. Hail, D.D., had been elected to the vacancy, and that he had accepted, all of which was true; but before entering on the duties of the place, and before the new college term began, he, for reasons satisfactory to himself, withdrew his acceptance. The appointment of Dr. Hail was most warmly supported by every member of the Board of Trustees, and his ultimate declension was not only a great surprise, but it was at the time, and still is profoundly regretted by the Board.

Hereafter the Seminary Course will cover a period of three years, of eight months each, and the term will open in October instead of September. This not only extends the time for study, but gives a longer vacation for work to young men who have to make the money to pay their college expenses.

The chair of "Hebrew and New Testament Greek" is hereafter to be known as the chair of "Hebrew and Old Testament Literature," and R. V. Foster, D.D., is assigned as Professor thereof. Rev. W. P. Bone has been elected Professor of Greek and New Testament Exegesis, and a chair so named has been created, and he assigned to the duties thereof. Rev.

Finis King Farr has been elected a Professor in the Theological School, but as it is desired that he continue his Seminary studies here and elsewhere for a year or more before entering upon his work as Professor, his special duties as such have not been designated.

The work heretofore performed by Dr. Burney as Professor of Systematic Theology is divided between Professors Foster and Bone, they having agreed to perform this additional service until the same shall be otherwise provided for by the Board.

The Trustees have lately concluded an arrangement with the College for Young Ladies, an incorporated institution of learning and of established reputation, located at Lebanon, by the terms of which it becomes an Annex to the University. The immediate benefits of this relation are, 1. It enables the University to increase its Faculty, which has been done by the election of Mr. Lacy Rice as Professor of English and English Literature, and Benjamin S. Foster as Assistant Professor of Languages; and 2. It enables the University to offer to young women precisely the same advantages in obtaining a thorough education that it does to young men. The courses offered in the Annex for the degree of A.B. and B.S. are in every essential identical with the like courses in the University, and are to be taught by the same Faculty.

The Trustees are firmly of opinion that this arrangement will prove in other ways greatly beneficial to the University.

Through the earnest efforts of the Chancellor the War department at Washington has been induced to assign an army officer for duty in the University, and under an order of that department Lieut. Charley Gerhardt, of the Twentieth U. S. Infantry, is now on duty here. The Board reports him as a member of the University Faculty, and under the regulations of Congress he will teach Military Science and Tactics. He has organized a large military class, and is actively engaged in the discharge of his duties in the class room and on the drill field.

The Trustees ask that your reverend body approve the several changes and additions to the University Faculty herein reported.

The new University building has advanced rapidly toward completion since our last report; still a vast amount of work is yet to be done, and a large sum of money yet to be expended before the end shall be reached. Not a single day has been lost on account of the lack of funds, and it is the hope of the Trustees to complete the building without stopping an hour on that account, but to do this the friends of the University everywhere must remember us with their prayers and their means.

Respectfully submitted.

ANDREW B. MARTIN.
President Board of Trustees.

REPORT OF VISITORS TO THEOLOGICAL SEMINARY.

To the General Assembly of the Cumberland Presbyterian Church, in Session at Eugene, City, Oregon, May 17, 1894.

FATHERS AND BRETHREN: At your last meeting the undersigned were appointed a committee "to visit the Theological Seminary at Lebanon, and report to the next General Assembly." Such visitation was made by us on the 11th day of April, your committee spending the day in the precincts of Divinity Hall, the seat of the seminary. We deem it unnecessary to submit a description of this classic spot, or to comment on the permanent advantages afforded at Lebanon for all branches of education. These things are the common heritage of our communion. This is our Theological Seminary. Around it, as the Church's school of the prophets, should gather our holy pride, and to it we should give our patronage and support. If we cannot make it mandatory upon them let this General Assembly most earnestly advise all our young ministers and probationers to come

here for their theological training. Regarding the late changes in the course of study and additions to the Faculty, we deem it unnecessary to speak at length. The report to your Reverend body from the Trustees of the institution will give you all the information needed in this direction. The course of study has been extended to embrace three years instead of two as heretofore, which change we deem highly worthy of your commendation.

In the opinion of your committee the closing year has been one of profit to the student body. Dr. Foster and Dr. Kirkpatrick have had additional work, but have acquitted themselves with credit. Dr. Hubbard has impressed his versatile scholarship upon the student body, and in his travels he has directed the eye of the Church afresh to the advantages offered at Lebanon for our own young men.

Dr. Bell in his lectures sustains the enviable reputation already established before the Church.

The number of students in attendance is greater than at any time during the history of the institution and the character of the same is such as to inspire the Church with great hope.

The late lamented Professor of Systematic Theology, Rev. S. G. Burney, D.D., LL.D., has been sadly missed both before his classes and in the councils of the Faculty. His memory is revered. The chair of Systematic Theology is being filled at present by Dr. Foster, but no one has yet been permanently elected thereto, and the work of this department will be distributed among the other Professors.

1. We recommend that the General Assembly instruct the Board of Trustees of Cumberland University to admit no one as a candidate for graduation into the Theological Department who has not completed a course of study equivalent to the junior year in the A.B. degree of Cumberland University.

2. That the trustees be required to submit an annual exhibit of the financial condition of the Seminary, including endowment, receipts for contingent fees, donations, etc. Also salaries paid, investments made, expenditures, liabilities, etc.

3. That you favorably commend the policy of the Trustees in the establishment of fellowships for the thorough equipment of young men as teachers.

4. That you urge all of our young ministers to come to Lebanon for their Theological training.

Respectfully submitted,

Lebanon, Tenn., April 11, 1894.

SCHOOL FOR YOUNG PREACHERS (COLORED).

We, the members of the commission appointed by the General Assembly, and with powers enlarged by a subsequent meeting of the same, report that in July last we met two members appointed by the General Assembly, Colored.

By unanimous vote Huntsville Ala., was selected as the place most favorable of any known to the joint commission, for the location of the proposed school.

The property at Bowling Green, Ky., was sold a few weeks since for \$2,250, as you will of course be advised by the Trustees of the General Assembly. It is our opinion that suitable property should be purchased and the school opened early in the coming fall. For the sake of convenience and economy we recommend that you accept the resignation of each of us, and appoint Rev. J. W. Caldwell and Ruling Elder C. L. Nolin, both of Huntsville, Alabama.

V.—CORRESPONDENCE.

PAN-PRESBYTERIAN ALLIANCE.

To the General Assembly of the Cumberland Presbyterian Church.

HONORED BRETHREN:—The Executive Commission, Western Section, of the "Alliance of the Reformed Churches throughout the world holding the Presbyterian System," respectfully report to your venerable body as follows:

Since the date of the last report two meetings of the Commission have been held, one in Cincinnati, Ohio, October, 1893, and the other in Philadelphia, Pa., April, 1894. After due consideration the Commission deemed it wise, in order to further the interests of the Alliance, to meet in other cities, in addition to New York. The success of the meetings in Cincinnati and Philadelphia is the best proof of the wisdom of the new policy.

The Commission would further report that the Sixth General Council of the Alliance will be held in Glasgow, Scotland, during the summer of 1896. The basis of representation in the Council is as follows: "For each 100 congregations or less, two delegates, up to 1,000 congregations; above 1,000 congregations, one delegate for each additional 100 up to 2,000 congregations; above 2,000 congregations, one delegate for each additional 250 congregations." It is suggested that your venerable body take action looking toward the appointment of delegates to this Council.

The apportionment of expenses due from your Church for the present year is \$495.00. Will you kindly take action providing for the payment of this apportionment, and direct that it be forwarded to F. K. Hipple, Esq., Treasurer of the Alliance, 1340 Chestnut St., Philadelphia, Pa.?

With a view to the more full expression of the kindly sentiment of the Reformed Churches, each toward the other, and of their spiritual unity, it gives us pleasure to state that the Executive Commission have appointed the Rev. A. G. Wallace, D.D., of Pittsburgh, Pa., as a delegate to bear to your venerable body the fraternal greetings of the Alliance.

One matter, which does not fall directly within the sphere of the work of the Commission, is yet of general interest, viz., the proposed Federation of the Presbyterian and Reformed Churches in the United States of America. We rejoice that the plan of this proposed Federation has been adopted by the Committees of Conference appointed by the several Churches, and it is our hope that the action of the Committee may be followed by a like unanimous action on the part of the supreme judicatories of the Churches.

With best wishes for the prosperity of the cause of Christ in your midst as a Church, and through you in all the world,

Yours fraternally,

TALBOT W. CHAMBERS, *Chairman.*
WM. HENRY ROBERTS, *Secretary.*

MORAL WELFARE OF SOLDIERS AND SAILORS.

BALTIMORE, Md., May 5, 1894.

To the Moderator of the General Assembly of the Cumberland Presbyterian Church.

DEAR BROTHER:—The United Christian Commission, the composition and objects of which are set forth in the accompanying printed matter, at their recent meeting in Washington, D. C., directed me to invite all religious denominations which have not hitherto appointed committees to co-operate with similar committees from other Churches in seeking to promote the moral and religious welfare of the soldiers and sailors in the army and navy of the United States, to do so at their next session.

It is desirable to have representatives located as convenient as practicable to Washington, so as to make it possible to attend with as little expense as possible. It is greatly hoped your body may appoint commissioners to become members, *ex officio*, of the Commission. The annual meetings are held in December.

The attention of the General Assembly is invited to the memorial adopted in January, 1893, which was embraced in the action of the General Assembly of the Presbyterian Church in May of that year, herewith, and to matter showing action of other Churches. It is very desirable that your Church should unite with this movement in the interest of soldiers and sailors.

Yours fraternally,

C. HERBERT RICHARDSON, *Secretary*.

BUREAU OF INFORMATION AND STATISTICS—CHRISTIAN ENDEAVOR.

To the General Assembly of the Cumberland Presbyterian Church, in session at Eugene, Ore., May, 1894.

FATHERS AND BRETHREN:—The undersigned were appointed by the last General Assembly a Bureau of Information and Statistics for the Christian Endeavor Societies of the Cumberland Presbyterian Church. Soon afterward we gave attention to the work assigned us, and have endeavored as faithfully as possible to perform the duties required by this appointment. To procure anything like a complete list of Christian Endeavor Societies in our denomination, and to obtain their statistics, has proven quite a difficult undertaking. The result of our correspondence in this particular is herewith appended as a part of this report.

The number of societies in our denomination, so far as we have been able to ascertain, is 622. From 336 of them we have official reports indicating a membership of 12,859. Estimating the membership of the 286 from which no statistics have been obtained, and of others whose organization has not been reported, it will be safe to place the entire membership of our Christian Endeavor Societies at about 20,000. Quite a number of the societies reported to us have been organized during the past year, indicating that the movement in our Church is enjoying a healthy and vigorous growth.

Regarding it as a part of our duty to represent the General Assembly in guiding the thought and activities of these thousands of organized young people, in the channels marked out by its general enterprises, we have from time to time communicated with all the societies, calling their attention to Missions; Ministerial Relief, Education, and our Publishing work. We have made special effort to enlist the societies in the circulation of our literature and in contributions to the cause of Missions.

After a conference with the Board of Missions and Church Erection we advised the observance of the first Sunday in February as "Joint Anniversary Day," that being the date on which our Church was organized, and also within two days of the anniversary of the Christian

Endeavor movement. Programmes covering both these historic events were mailed to all the societies, and among a large number of them the occasion was observed in a way to diffuse information and awaken interest. At the suggestion of the Board and this Committee, special offerings were made toward the last payment on the Chicago First Church lot. The amount realized from this source was about \$500. This is but an intimation of what may be accomplished as this work among the young people becomes more thoroughly organized, and their energies by agreement between the General Assembly and the local Church authorities become focalized in a given direction. The greater part of what these young persons do for the general enterprises of the Church appears, as it properly should, in the aggregate offerings of the congregations. Still it is altogether fitting, where pastors and sessions consent, that the General Assembly should enlist the activities of all its young people at a given time in the accomplishment of a specific object. This serves to give them an identity in the work of the Church, and will at the same time both encourage and instruct. Particularly should this "Joint Anniversary Day" be made the great event in the year's work of every Christian Endeavor Society, and on that day a special offering should be made for some purpose in which the whole Church may be interested. This is in perfect accord with the recommendation made by the United Society of Christian Endeavor to all the societies throughout the world.

A PERMANENT ORGANIZATION.

By order of the last General Assembly it is made our duty to suggest some permanent form of organization whereby the General Assembly may officially recognize and guide the Christian Endeavor Societies of the Church, as is being done in most of our sister denominations. Believing that such organization should be both simple and inexpensive, we recommend the following:

1. That a permanent committee be appointed, to be known as the "General Assembly's Christian Endeavor Committee." That it shall consist of a Chairman, Secretary and Treasurer, appointed annually by the General Assembly, and one person from each Synod, appointed by that body, as an advisory member.

2. That the Secretary of this Committee be known as the General Secretary of Christian Endeavor, he to serve without compensation, but to have such clerical assistance as the incidental fund at the disposal of the committee may allow and the nature of the work may require.

3. As far as possible the work of the committee shall be done by correspondence, so as to avoid expense.

4. The committee shall aim to enlist the societies in Synodical and Presbyterial unions, so far as practicable, for mutual helpfulness and for the extension of the Endeavor movement. They shall be encouraged to co-operate with each other through these recognized official channels of the Church, in addition to participating in those of an inter-denominational character, it being understood that each society exists by virtue of the authority of the Church session, and that in its objects and methods of work it is strictly Cumberland Presbyterian, and is to be thoroughly loyal to its own denomination.

5. Neither this committee nor any Synodical or Presbyterial union should have authority to levy an assessment upon any society, but voluntary offerings may be solicited for the purpose of carrying on the work in an effective manner, it being understood that the General Assembly is to be at no expense for the same.

6. In order to avoid confusion there should be conference between the several Boards of the Church and the General Assembly's committee before the societies are called upon for any contribution, and in no case should a society be solicited to act except upon the advice of the pastor and session of the congregation to which it belongs.

7. The committee shall report annually to the General Assembly,

giving complete statistics of all Christian Endeavor Societies in the denomination and all proper information regarding the work, together with suggestions for the future—a summary of the statistics to be printed in the Minutes of the General Assembly.

8. A distinctive Cumberland Presbyterian Society in every congregation in our Church is the standard to be aimed at. A union Christian Endeavor Society is not a thing to be desired.

9. We recommend that the committee be authorized to name some one each year who will deliver a Christian Endeavor sermon or address during the sessions of the General Assembly. For this meeting we have taken the liberty of requesting Rev. R. W. Lewis, of Meridian, Miss., to prepare such an address, and hope it may be agreeable to the General Assembly, or to the pastor at Eugene, to arrange for it to be delivered.

10. The primary aim of this committee should be to diffuse information regarding the Christian life and work; to extend this movement throughout the whole Church, and to promote the closest possible co-operation among Cumberland Presbyterian Societies, as well as to enlist them, in connection with the United Society, in the world-wide objects of Christian Endeavor. Denominational in work, interdenominational in spirit and fellowship, should be our motto.

A CHRISTIAN ENDEAVOR READING COURSE.

As a means of gaining religious knowledge, promoting intellectual culture, and thereby developing Christian character and securing intelligent activity in Church work, we recommend that the General Assembly establish for Cumberland Presbyterian Societies a "Christian Endeavor Reading Course," details of arrangement being left to the Permanent Committee, due regard ever being had to the fact that our young people need to be trained in a knowledge and appreciation of our history, our doctrines, and the general enterprises in which we are engaged. As the past generation of Cumberland Presbyterians have been enthusiastic in their devotion to the interests of the Church, so may coming generations be intelligent in their appreciation of and loyal in their adherence to the principles on which our fathers founded the Church and the work to which we are providentially called, to the end that they may make our Church a power for good in the land, not doing for others less, but for our own more.

For the current ecclesiastical year we recommend the following as the essentials of said Reading Course:

1. HISTORY OF THE CUMBERLAND PRESBYTERIAN CHURCH, by B. W. McDonold, D.D. 1st, 2d, and 3d periods. Published in a separate volume. Cheap edition.

2. CHART OF DUTY. An exposition of the Ten Commandments, by S. G. Burney, D.D.

3. HOME READINGS, by A. J. Baird, D.D. Part 1st of "The World and How to Take It." Cheap edition.

4. MORAL MUSCLE AND HOW TO USE IT. A brotherly chat with young men, by F. A. Atkins. With an introduction by President A. E. Turner, of Lincoln University.

5. LOOKING OUT ON LIFE. A book for girls, by F. E. Clark, DD. President of the United Society of Christian Endeavor.

6. CHRISTIAN ENDEAVOR PAPERS, published monthly in the *Cumberland Presbyterian*, under joint direction of the editors and the General Assembly's committee.

7. PAPERS ON MISSIONS, issued monthly by the Board of Missions and Church Erection and the Woman's Board of Missions of the Cumberland Presbyterian Church.

The cost of this course to the reader will probably not exceed \$4.00.

The course for each succeeding year should be recommended by the committee to the General Assembly, subject to revision or amendment by that body.

A BOND OF DENOMINATIONAL UNION.

In order to secure unity of spirit and action among Cumberland Presbyterian Societies, we suggest that you submit to them for adoption a series of regulations in the form of By-laws, it being understood that these are all in perfect harmony with the Model Constitution recommended by the United Society of Christian Endeavor, and simply embody in written form the sentiments and methods which the United Society assume to exist in each separate denomination, and which it is their constant aim to promote. For your consideration in this connection we suggest the following:

By-laws for Cumberland Presbyterian Christian Endeavor Societies, recommended for their adoption by the General Assembly in session at Eugene, Oregon, May, 1894:

I.

This Society is a part of the general organization of Cumberland Presbyterian Christian Endeavor Societies, and, as such, recognizes its relation first to the Session of the congregation to which it belongs; then to the Presbytery and Synod in the bounds of which it is located; also to the General Assembly as the supreme judicature of the Church. The authority of the Session and the recommendations of the General Assembly, Synod and Presbytery are to be respected accordingly. If a Presbyterian or Synodical Union exists in its locality, this Society shall consider itself a part thereof, and when convenient will send representatives to its meetings. By the adoption of these By-laws this Society constitutes itself a member of the General Assembly's Christian Endeavor Union.

II.

The Society will assist in forwarding the general enterprises of the Cumberland Presbyterian Church, as recommended by the General Assembly, contributing to the same either as a Society or through the regular offerings of the congregation, looking to the General Assembly's committee for counsel, and particularly to the pastor and Session for direction in such matters.

III.

The Missionary meetings as recommended by the United Society shall be held regularly, and the Missionary work of the Cumberland Presbyterian Church shall receive due attention in the programmes of said meetings.

IV.

The Society shall observe the "Christian Endeavor Reading Course," recommended by the General Assembly of the Cumberland Presbyterian Church, either as a Society or by a reading circle formed within the Society, or by its individual members. Literary meetings shall be held at convenient intervals, the subjects presented in the Reading Course constituting part of the programme of said meetings.

V.

February 2, 1881, being the date on which the Christian Endeavor movement began, and February 4, 1810, being the date of the organization of the Cumberland Presbyterian Church, the first Sunday in February shall be observed as Joint Anniversary Day.

VI.

This Society will endeavor to make a voluntary contribution annually, according to its ability, for the purpose of forwarding the Christian Endeavor movement in the Cumberland Presbyterian Church, as conducted under the management of the General Assembly's Christian Endeavor Committee.

VII.

On or about the first of April of each year a report of the condition of

the Society and of its work for the preceding twelve months, together with the names and addresses of the President and Corresponding Secretary, shall be forwarded to the Secretary of the General Assembly's Christian Endeavor Committee, the same to be embodied in the Committee's report to the General Assembly.

OUR RELATION TO THE CHRISTIAN ENDEAVOR MOVEMENT.

The first Christian Endeavor Society was organized only thirteen years ago. In this short time it has assumed world-wide proportions, and has become the mightiest organization of young people the world has ever known. There are now in round numbers 28,000 societies and nearly 2,000,000 members. Ten years ago, when there were only 150 societies and 8,000 members, all told, the first Cumberland Presbyterian Society was formed. Thus early we took our place in this great movement, and, in proportion to numbers, our denomination is well to the front in devotion to Christian Endeavor. In his introduction to the Cumberland Presbyterian edition of a recent book ("Looking Out on Life"), issued by our Publishing House, Dr. Clark, the founder of the movement, has this to say of our denomination:

"It is a peculiar gratification to me to speak to the young people of this noble denomination, for with none do I feel in closer sympathy and communion. When the Christian Endeavor movement was struggling for recognition, almost the first among the denominations to see in it great possibilities in the way of training young people for larger usefulness was the Cumberland Presbyterian. In its ecclesiastical gatherings and through its individual pastors and churches it has given from that day to this a most cordial and hearty recognition to the claims of this youngest child of the Church."

In its unanimous and unqualified endorsement of Christian Endeavor as the official Young People's Society of the Cumberland Presbyterian Church, we believe the General Assembly has been divinely guided. May this movement so uplift in intellectual growth, spiritual consecration, and practical efficiency that the next generation of Cumberland Presbyterians may be far in advance of the present. To this end we, as your servants, will cheerfully labor in whatever way you may direct. And let it be remembered, as Dr. Clark so aptly says in the connection above quoted, "Our strength consists not in numbers, or in the enthusiasm for an organization, but in the steadfastness, devotion and Christian character of the young people who belong to it."

Faithfully yours,

A. E. TURNER, *Chairman.*
W. J. DARBY, *Secretary.*
J. C. McCLURKIN, *Treasurer.*

FINANCIAL STATEMENT.

The work of this Committee has required the use of a large amount of stationery, postage, printed matter, etc., and occasional clerical assistance. Part of this expense has been met by the Boards that were necessarily benefited by our work. The expenses of the Committee that have not been otherwise provided for are \$64.50.

Respectfully submitted.

J. C. McCLURKIN, *Treasurer.*

VI—SYSTEMATIC BENEFICENCE.

MEETING OF THE PERMANENT COMMITTEE ON SYSTEMATIC BENEFICENCE.

The Permanent Committee on Systematic Beneficence, appointed by the late General Assembly, held a meeting in Paris, Texas, June 21, 1894. Rev. Charles Manton, Rev. W. B. Preston, Mr. Eli Smith and Mr. T. J. Record were present. It was agreed that all our preachers should be asked to preach on the subject of Systematic Giving at least twice a year, once in June and again in December, and that Presbyteries be requested to exercise their authority in requiring the observance of this rule. All Synods and Presbyteries are to be asked to arrange for special sermons on Systematic Giving at each of their meetings. It was also agreed that a Circular Letter should at once be sent to all our preachers and congregations asking for contributions of one dollar from each congregation, such contributions to be forwarded to the Treasurer, Mr. T. J. Record, Paris, Texas; the Committee promising to send a supply of literature on the subject of Systematic Giving for free distribution to every congregation contributing one dollar to its funds. It was also decided to ask our preachers to send at once to the Secretary, Rev. W. B. Preston, Denison, Texas, the names of all persons in our Church who are known to be systematic givers, that is, who regularly give the tenth or any portion of their income to the Lord. It was also decided to ask each of the Church papers to publish a Symposium on the subject of Systematic Giving, or in some other way to give special prominence to the subject in the near future. Rules were adopted as follows:

The following rules shall govern the Permanent Committee on Systematic Beneficence, acting under appointment of the General Assembly of the Cumberland Presbyterian Church.

1. The objects of this Committee shall be to disseminate information, and to create sentiment on the subject of Systematic Giving throughout our entire denomination, and in every way to foster among our people the habit of regularly devoting a portion of income to the Lord's work.

2. The officers, consisting of a President, a Secretary, and a Treasurer, as provided for by the General Assembly, shall discharge the duties usually expected of such officers.

3. Meetings shall be held at such times and places as may be agreed upon by the Committee at any meeting, or may be called by the President at any time, or by the Secretary in case of the President's death, absence, or inability to act.

4. Three members shall constitute a quorum for the transaction of business at any meeting.

5. The funds of the treasury shall be raised by voluntary contributions, and no debt shall at any time be incurred in the work.

6. An Annual Report shall be forwarded to the General Assembly, covering all points of the work for the year.

Applications for literature, under the provisions mentioned above, should be addressed to the Secretary, Rev. W. B. Preston, Denison, Texas.

W. B. PRESTON.

VII.—REPORT OF THE BOARD OF TRUSTEES.

To the General Assembly of the Cumberland Presbyterian Church to meet in Eugene City, Oregon, on the 17th day of May, 1894.

The Trustees of the General Assembly of the Cumberland Presbyterian Church hereby submit to your reverend body their annual report:

1. That the interest on the Doherty Fund has been duly collected and paid to the Treasurer of the Trustees of Cumberland University.

2. That the Colored School property, located in the city of Bowling Green, has been sold, and a deed of conveyance has been made by your Board for and in consideration of two promissory notes, "the first for one thousand dollars, due four months after date, and the second for twelve hundred and fifty dollars, due eighteen months after date, both of said notes being of even date with the deed, and bearing interest from date until paid at the rate of six per cent per annum." It is thought that the said property has an encumbrance upon it to the amount of about \$75, due the city of Bowling Green for curb stones.

3. That T. P. Dance, a member of this Board, has resigned as such, and the Board elected Mr. C. C. Hitchcock to fill the vacancy thus made and in addition they have elected James Gill a member of the Board, and ask your reverend body to ratify said elections. Both of said gentlemen are members of the Cumberland Presbyterian Church, and reside at Elkton, Kentucky.

Respectfully submitted.

J. M. GILL, *Pres't and Sec'y.*

EXPLANATORY NOTE.

The following Statistical Tables are not as full as they should be, nor are they, as a whole, entirely accurate. The columns which show the contributions made to the several Boards of the Church can be relied upon, for the figures in said columns were obtained from the reports of these Boards to the General Assembly. In almost every case the footings in those columns were found to be correct. In a few of them, however, there were slight inaccuracies in the additions; but the errors were too insignificant to justify any alterations in the figures.

The greatest defect in these Tables is seen in the column marked "Total Membership." In quite a number of the Reports of Stated Clerks of Presbyteries the membership is diminished; and this decrease, too, is reported in despite of the fact that the column marked "Additions for the Year" shows a very large increase! The reason assigned by Stated Clerks for this inconsistency is that Clerks of Church Sessions will not report "all on Church roll"—will simply give the number of *efficient* members, because they are unwilling to have their congregations "taxed" in proportion to the entire membership. But while this is the case, and while the "total membership" column will make an exhibit of members below what they really should be, yet it is a fact that the denomination, not only in membership, but in all the essential elements of prosperity, is moving grandly forward.

The number of congregations will apparently be considerably increased, but to a great extent this arises from the fact that, in some cases, our Boards give credit to the names of the *post-offices* at which the letters containing remittances were mailed instead of to the *congregations* which contributed the funds. As will be seen, the congregations given by Stated Clerks of Presbyteries are numbered, and the places not thus given have no figures before them. This plan was adopted for two reasons: first, Stated Clerks are presumed to know the congregations in their respective bounds; second, if this had not been done, the whole plan devised for ascertaining the Superintendents of Sunday-schools for specific Churches would have been thwarted. As it is, the name of the Superintendent of the Sunday-school of any particular congregation is known by the *number* which stands before that name—his number and that of the congregation in which he is Superintendent being the same.

The column, "Total Amount Contributed," no doubt contains a number of errors, owing to the fact that Stated Clerks of Presbyteries failed, in many cases, to use the decimal point dividing dollars and cents, when no doubt it should have been used.

The contributions made by Sunday-schools and Christian Endeavor Societies, for the want of proper columns in Statistical Tables, are added to the contributions made by their respective Churches.

By a standing order of the General Assembly the Stated Clerk is directed to close the year the first day of May. The foregoing, therefore, shows the financial standing of each Presbytery on May 1, 1894. But all Presbyteries which have paid their dues since that time will receive the Minutes for this year. The reception of the Minutes is evidence of the adjustment of Contingent Tax.

T. C. BLAKE, Stated Clerk.

GENERAL SUMMARY.

The reports from Stated Clerks of Presbyteries show that 160 ministers bore letters of dismissal and recommendation at the time said reports were forwarded. Only a small number of these had had time to join other Presbyteries when the reports were made out. Still only one half of the number has been added to the list of ordained ministers. Several were stricken from the roll who did not bear letters of dismissal. This was caused, no doubt, from inaccuracies of Stated Clerks of Presbyteries. There are, no doubt, at least 1,750 ordained ministers. The increase in the membership is by no means equal to the "number added" during the year. This matter, however, is fully explained on page 186. On subsequent pages a General Summary of Statistics will be found. Some of these items may differ slightly from those in the tabulated statistics of Presbyteries beginning on page 188 and ending on page 297. The most of the changes, however, were authorized by Stated Clerks of Presbyteries. The columns containing the contributions made to our various Church Boards are believed to be accurate, for they were obtained from the reports of the Boards, and great care was taken to have them correct.

The columns, "Value of Church Property" and "Amount Paid Pastor and Supplies," are defective, as will be seen by inspection; for in many cases these columns are blank. The truth is, if facts could be obtained, both of these columns would be greatly enlarged in the aggregate.

On this page, by order of the General Assembly, the statistics of the Cumberland Presbyterian Church, Colored, will be found. This organization is separate and distinct from the Cumberland Presbyterian Church, hence its statistics have never been made a part of said Church. If the Cumberland Presbyterian Church were to add such statistics, as all other denominations do, the total membership would be more than 195,000.

As will be seen, all the Boards of the Church are doing fine work, and never before was the outlook in general Church work more encouraging. In brief, the entire denomination, year by year, is becoming more coherent, aggressive, and efficient.

Statistics of the Cumberland Presbyterian Church, Colored.

The General Assembly of 1886 directed the Stated Clerk to embody in the Minutes the statistics, in brief, of the Cumberland Presbyterian Church, Colored. From the most reliable information at hand, the following, it is believed, is a close approximation: Ordained ministers, 200; licentiates, 175; candidates, 190; Presbyteries, 22; Synods, 5; General Assembly, 1; and communicants, 13,000.

INSTRUCTIONS TO STATED CLERKS.

- (1) Do not write a line until you have all your matter prepared.
- (2) Write with pen and ink, and write plainly. Do not use pale ink.
- (3) Arrange names of Ministers, Licentiates, and Candidates, *alphabetically*. Do not forget this.
- (4) When you get to the "Statistical and Financial" page or pages, do not fail to arrange names of *Congregations* alphabetically. **THIS MUST BE DONE.**
- (5) Do not undertake to fill the columns set apart for the several Boards of the Church. Leave those *blank* in your report, for they will have to be filled out from data furnished by the Boards themselves. The Stated Clerk of the General Assembly will look after those columns.
- (6) Insert dollars and cents in column "Children's Day Collections" and in column "Dues to Presbytery." Do not put cents in any other column.
- (7) Add the figures in all the columns on "Statistical and Financial" page or pages (except column 5) and verify the same. This must be done by you, or you must get a competent accountant to do it. All the Presbyterian bodies in the land require this of Stated Clerks of Presbyteries. *Do not send your report until this has been done.*
- (8) In the column "Total Contributions" put figures in *pencil* marks, for the Stated Clerk of the General Assembly will have to add to them the contributions from the several Boards. By putting that column in pencil marks the figures can be erased. Please do not overlook this request.
- (9) Send list of Commissioners as soon as they are elected, and send it in a small envelope, not in the large one which you will find inclosed, for it is for you to use in sending your report.
- (10) Send Contingent Tax as soon as you collect it. Let it reach me before May 1, or your Presbytery will be reported delinquent. The "tax" is \$2.00 on each *ordained* minister, and 50 cents on each congregation.
- (11) If a Church is without a preacher, write the letter V after the name of the congregation, and if it has done nothing, let its name stand opposite blank columns. But by all means report name and address of Clerk of Session, number of members, and all else you may know.
- (12) Persist in your efforts until you get a report from each congregation. If necessary you can withhold your report until May 10. But if you can get it ready earlier, do not fail to send it as soon as it is completed.
- (13) You will see that by this new method of obtaining statistics, ordered by the General Assembly, your labors are greatly increased, and those of the Stated Clerk of that body are increased more than a hundred-fold. You will also see that unless your Presbytery is reported it will appear in the Minutes simply as a blank. There is no help for such an exhibit, according to the "new form."
- (14) Finally. Your heaviest labor will be the first year, for when you once get the names of your congregations alphabetically arranged and those of your Sunday-school Superintendents arranged as required on the last page of Presbyterian blanks, you can get the same the next year, with a few alterations, from the Minutes of the General Assembly.

HISTORICAL DATA—THE CONFESSION OF FAITH.

The Cumberland Presbyterian Church was organized in Dickson County, Tennessee, February 4, A.D. 1810. It was an outgrowth of the Great Revival of 1800—one of the most powerful revivals that this country has ever witnessed. The founders of the Church were Finis Ewing, Samuel King, and Samuel McAdow. They were ministers in the Presbyterian Church, who rejected the doctrine of election and reprobation as taught in the Westminster Confession of Faith. The causes which led to the formation of the Church are clearly and distinctly set forth in publications issued at the time, and in various tracts and books published subsequently. To these the reader is referred for full information on the subject.

The Cumberland Presbytery, which was constituted at the time of the organization of the Church, and which originally consisted of only three ministers, was in three years sufficiently large to form three Presbyteries. These Presbyteries, in October, A.D. 1813, met at the Beech Church, in Sumner County, Tennessee, and constituted a Synod. This Synod at once formulated and published a "Brief Statement," setting forth the points wherein Cumberland Presbyterians dissented from the Westminster Confession of Faith. They were as follows:

1. That there are no eternal reprobates.
2. That Christ died not for a part only, but for all mankind,
3. That all infants dying in infancy are saved through Christ and the sanctification of the Spirit.
4. That the Spirit of God operates on the world, or as co-extensively as Christ has made atonement, in such a manner as to leave all men inexcusable.

At this same meeting of Synod, too, a committee was appointed to prepare a Confession of Faith. The next year, A.D. 1814, at Sugg's Creek Church, Wilson County, Tennessee, the report of the committee was presented to Synod, and the revision of the Westminster Confession of Faith which they presented was unanimously adopted as the Confession of Faith of the Cumberland Presbyterian Church. Subsequently the formation of the General Assembly took place. This judicature, at its first meeting, A.D. 1829, at Princeton, Kentucky, made such changes in the Form of Government as were demanded by the formation of this new court.

In compiling the Confession of Faith, the fathers of the Cumberland Presbyterian Church had one leading thought before them, and that was to so modify the Westminster Confession as to eliminate therefrom the doctrine of universal fore-ordination and its legitimate sequences, unconditional election and reprobation, limited atonement, and divine influence correspondingly circumscribed. All the boldly-defined statements of the doctrine objected to were expunged, and corrected statements were made. But it was impossible to eliminate all the features of hyper-Calvinism from

the Westminster Confession of Faith by simply expunging words, phrases, sentences, or even sections, and then attempting to fill the vacancies thus made by corrected statements or other declarations, for the objectionable doctrine, with its logical sequences, pervaded the whole system of theology formulated in that book.

The compilers knew this, and they also knew that a book thus made must necessarily have some defects. Still they felt assured that they had prepared one which could not be fairly and logically interpreted without contradicting the most objectionable features of hyper-Calvinism; and they felt, too, that they had formulated a system of doctrines which any candid inquirer after truth might understand. They did not, however, claim that the time would never come when there might be a demand for a restatement of these doctrines, which would set forth more clearly and logically the system of theology believed and taught by the Cumberland Presbyterian Church. That time did come, and so general was the desire throughout the Church to have the Confession of Faith revised that at the General Assembly which convened in the city of Austin, Texas, A.D. 1881, a paper was introduced looking to that end, and it was adopted by a unanimous vote.

In view of the great importance of the work, two committees were appointed, and it was made the duty of the first committee to revise the Confession of Faith and Government, and of the second to review and revise the work of the first. The committees met at Lebanon, Tennessee, the seat of Cumberland University, where every facility could be enjoyed for such labors, having free access to a fine theological library. After bestowing great labor upon their work, giving every item earnest and prayerful attention, the committees completed the tasks assigned them, and the results of their labors were published in pamphlet form and in weekly papers of the Church for information, "that criticism might be made by those desiring to do so." The committees, after receiving these criticisms, again met and remained in session for a number of days, giving careful and prayerful consideration to all the suggestions made. They then completed their work without a single dissent, and submitted the result to the General Assembly which convened in the city of Huntsville, Alabama, A.D. 1882. That General Assembly, in "Committee of the Whole," considered with great patience and care every item in the entire book, taking a vote on each one separately, and at the close of each chapter or subject taking a vote upon it as a whole. In this way the entire book, from beginning to end, was carefully and prayerfully scrutinized, and necessary changes were made—the most of them verbal; and there was not in the final vote a single negative.

Having completed its work, the General Assembly transmitted the book to the Presbyteries for their approval or disapproval. The reports from the Presbyteries to the next General Assembly, which convened in the city of Nashville, Tennessee, A.D. 1883, showed that this work had been almost unanimously adopted. The General Assembly, having reviewed these returns from the Presbyteries, formally declared said book to be the Confession of Faith and Government of the Cumberland Presbyterian Church.
